**Immediate Action Needed for Public Safety and Firefighter Pickup Elections**

During the last few years, your agency selected "All" on the Pick-Up form when you elected to pay the Tier 2 Public Safety and Firefighter Hybrid member contributions. Based upon recent changes to the contributions for members of this plan URS requires your agency to fill out a new form with the specific percentage of salary your agency will be picking up.

If your agency's governing body did not specify an amount (for the previous election), URS will need a new resolution or other contemporaneous documentation (i.e., meeting minutes, executive order, etc.) from your governing body which specifies the amount your agency intends to "pick-up".

Your agency is prohibited from reducing amounts previously elected as a "pick-up". Please keep this in mind as you work with your governing body and look ahead with respect to your agency's funding.

Please submit the updated form and documentation through the online message center to the Employer Services Department Adjustments Team (see the "Adjustments" option within the message center) prior to June 15, 2024.

If you have any questions, please contact us at 801-366-7318 or at 800-753-7318.
