BUSINESS

Proposed Approval of Final Plat for Ashton Villas Planned Unit Development

The proposed approval of the final plat for Ashton Villas Planned Unit Development was presented by Dan Davies representing the proposed owners, the Ashton family. The Commission discussed the plat for the Condominium and any Home Owner's Association guidance or Restricted Covenants to be recorded. Mr. Davies explained to the Commission the urgency of approval, and the restriction on time regarding approval. City Attorney Todd Anderson reported that the restrictive covenants that were sent to him were incomplete and rather generic in nature. City Attorney Todd Anderson stated that the main concerns Delta City had with the Planned Unit Development was that because the common area is shared, who was responsible for the common area if a nuisance issue evolved, and also the necessary improvements that are required of all subdivisions. The improvements required of the proposed plat are curb, gutter and sidewalk. City Attorney Todd Anderson informed the Commission that in speaking with the Mayor, some assurances will be required regarding the sidewalk. There was a discussion regarding requirements of the planned unit development with the Commission and City Attorney Todd Anderson. Dan Davies stated that he would try to set a meeting with the Mayor before Monday morning in order to get the proposed plat on the Delta City Council meeting agenda. Commission Member Rand Crafts MOVED to approve the final plat based on the following conditions: That a legal instrument be prepared by the applicants to the satisfaction of the Delta City Council to cover the required improvements to the property including curb and gutter, sidewalks and the common areas in an enforceable manner for the city. The motion was SECONDED by Commission Member Kiley. The motion passed with Commission Members Rand Crafts, Roger Zeeman, Linda Beard, Dick Jones and Kiley Chase voting in favor, and Commission Member Alan Johnson and Commission Member Wes Duncan being absent.
