GREATER SALT LAKE
Municipal Services District

Mayor Ben McAdams
County Council Chair Aimee Winder Newton
Salt Lake County
2001 South State Street #N-2100 and #N-2200
Salt Lake City, UT 84190

Dear Mayor McAdams and Councilwoman Newton:

Pursuant to Section 2.4 of the Master Interlocal Agreement between the Greater Salt Lake Municipal Services District (the "MSD"), Salt Lake County (the "County"), and the five metro townships in Salt Lake County, dealing with municipal, administrative, and operational services (the "Master Interlocal Agreement"), the MSD is authorized to modify (increase or decrease) the level of any specified Municipal or related Administrative Service if the MSD provides at least ninety (90) days prior written notice to the County of such change and the County approves such change.

After thorough and informed consideration, the Trustees of the MSD has determined that it is its desire, in the best interest of the MSD and the metro townships served by the MSD, for the MSD to take over certain components of the services which, to date, have been provided to the MSD by the County pursuant to the Master Interlocal Agreement. This letter shall serve as the notice required by the above referenced Section 2.4 of the Master Interlocal Agreement.

The MSD intends and desires to fully take over responsibility for finances, as detailed in Section _____ of the Master Interlocal Agreement, beginning January 1, 2019. The MSD intends and desires to fully take over responsibility for Planning and Development, as detailed in Section 1.1.C. and Attachment C of the Master Interlocal Agreement, no later than August 31, 2019. These dates were chosen to allow for the necessary preparation and coordination between the MSD and the County to seamlessly transition these services from the County to the MSD.

We respectfully request that the County consent to these changes in services levels. If you have any questions or concerns, please do not hesitate to reach out to me for further discussion of this matter.

Respectfully,

Bart Barker, General Manager
