In some instances fees may be waived. GRAMA encourages waiving the fee when the request benefits the public rather than a specific individual.

GRAMA also encourages the waiver of fees if the requestor is the individual who is the subject of the record - or the guardian or legal

Because GRAMA provides for waivers, a government entity cannot simply state that it will never grant fee waivers. If a person is denied a fee

A person who believes that there has been an unreasonable denial of a fee waiver may appeal the denial in the same manner as a person appeals when

If a requestor has not properly paid for previously received materials, Weber Fire District will hold the current request until the outstanding payment is full for the
