5:33 PM – INTRODUCTORY ITEMS

- Welcome & Roll Call – Mary Johnston
  - Board Mission – Art Hansen
  - School Mission – Rene Dreiling

There was no PUBLIC COMMENT.

REPORTS

- **Eide Bailly**
  - *Present FY25 Financial Audit* – Ken Jeppessen reviewed the standard letter regarding government standard, reiterates their independence, and that there were no significant findings. He will be reviewing four opinions today. The first opinion was an unmodified or clean opinion. This report is the financials (numbers). The audit revealed that unrestricted assets increased from $1.7 million to $7.8 million. Ken reported that they increased their revenue by $1.33 million while revenue exceeded expenses by $1.6 million. He also reviewed the five of the six notes

including cash and investments, capital assets, long-term liabilities, concentrations and benefit plan. He mentioned that the Schools original budget and final budget were followed very close and there wasn't a large variance between the two. Ken moved on to the second audit which tests internal controls over financial report and on compliance and other matters based on Government Auditioning Standards which reported strong internal controls. The third audit tests internal controls over compliance as required by the state. This year the following was tested: budgetary compliance, fraud risk assessment, internal control systems and public education programs. This was another unmodified/clean report. The fourth and final audit was the single audit which tested special education and COVID stabilization programs, with no findings reported. Ken thanked AW, School Admin and staff, and the board for their cooperation with the audit. *Ken Jeppesen was excused at 5:46 p.m.*

- **Board of Directors**

  Update on School Bonding – Brad Taylor reported on updates regarding building finance and bond ratings. He explained that S&P meetings would occur in March to discuss ratings and new bonds, with David, Kellie and Mary needing to prepare presentations and possibly one other board member which will be Neil. Other items going on behind the scenes were discussed. Brad also discussed soil sampling for Phase 1 environmental assessments, which was already underway at some campuses. Mary Johnston informed the board that something came up at the preboard meeting with the replacing the gym flooring and changing rooms so we brought in OneWest in to see if we can take out some classrooms in the annex building to add a gym without changing the bonding cost then we can put some classrooms in the current gym. We will hope that to have more information by March. Brad added that the board needs to review final construction agreements before the S&P meeting in March to ensure bond compliance.

  - *Financial Update* – Jon McQueary presented the new financial summary for the board which will be included in the board packet moving forward with information and then if there are any questions, he can answer those. Jon reviewed financial updates, noting that operating cash was down by $1.2 million year-over-year due to a transfer to cover school costs, though some funds may be returned with bonds. Current liabilities increased but were explained by new expenses like South Campus lease payments. The P&L report showed total revenue at 49.3% and total expenditures at 49.4%, with property and liability insurance costs significantly higher than budget. Jon explained that supplies and materials spending was 75.7% of the year's budget due to the South Campus opening, and travel costs were over budget due to coding errors that would be fixed in next month's financials. The board agreed to receive financial reports days in advance for better review. *Jon McQueary was excused at 6:26 p.m.*

- **Administration**
  - *State of the School* – Kellie Mudrow
    - Update on Costco Construction – Kellie shared updates on traffic rerouting plans due to a new Costco development, including the discovery of an unexpected median near the school. She explained that construction is

scheduled to begin in March or April, with temporary measures in place to ensure student safety, such as a crossing guard and a temporary pickup spot with an asphalt walkway. Kellie also mentioned that the Costco VP prioritized student safety during the development, and the project's timeline is dependent on weather conditions.

- Current Enrollment – Kellie reviewed current enrollment and enrollment for next year. Additionally, she noted that enrollment for the lottery is looking positive, with the junior high's incoming class already at 176. The board reviewed enrollment projections, which showed steady growth with approximately 50 new junior high students annually, potentially reaching 600 students in three years.
- School LAND Trust FY25 Final Reports – The FY25 SLT final reports are included in the packet. Kellie confirmed that the funds were used in accordance with the approved plan. She also reminded the board that these reports apply only to the Antelope and North campuses, as the South campus did not yet exist and the Antelope campus had not yet been divided into elementary and junior high.
- Celebrations! – Kellie shared several teacher achievements and celebrations, including Amanda Hansen being named one of Utah's most valuable educators (she was recognized at a Jazz Game) and Chelsa King receiving Educator of the Month recognition for Skill Struck. Heidi Stone has been selected to present at the International Gaming Summit. Wendy Long was on ABC news highlighting our students' digital production class with Terry Thoren, CEO of Wonder Media, LLC. Kellie ended her celebrations stating that, "The greatest thing we can ask for is that our teachers are getting recognized for the amazing things that they are doing because that means they are making an impact on students and for our students are getting recognized for the wonderful work that they are doing." There was a brief discussion on the monthly calendar invites for the board members.

BOARD TRAINING

- *School LAND Trust Training Assurances* – Mary Johnston asked each individual board member if they have competed their SLT training. Every member present at the meeting has completed the training. Dawn texted Nate to see if he had completed the training and he replied back that he did.
- *Annual Open and Public Meetings Act Training* – Platte Nielson led a training session on the Open and Public Meetings Act, covering key requirements for board meetings including public notice, meeting documentation, and recording protocols. He clarified that while board members' names must be included in meeting minutes, attendees' names are only required for those who make public comments. Platte also explained that electronic board meetings are now permissible without a physical anchor location, though a physical location must be provided if requested by the public within 12 hours of the meeting. The session concluded with a discussion of Zoom meeting protocols, noting that participants must speak audibly during voting to ensure their vote is counted.

CONSENT ITEMS

- *December 18, 2025, Board Meeting Minutes* – There was no further discussion.
- *2026-2027 Amended School Calendar (Kindergartener Schedule Only*) – There was no further discussion. **Neil Garner made a motion to approve the consent items. Art Hansen seconded the motion. The votes were as follows:**

  Mary Johnstson – Aye
  Neil Garner – Aye
  Rene Dreiling – Aye
  Art Hansen – Aye

  Motion passed unanimously.

VOTING ITEMS

- *Antelope Campus Flooring Replacement* – Kellie Mudrow presented the need for flooring replacement for the Antelope elementary entry way and gymnasium due to significant deterioration and safety concerns for students, staff, and visitors. She is requesting a total cost not to exceed $60k.
- *Helpside Professional Employer Agreement* – Platte Nielson presented the Helpside professional employer agreement, noting that under Utah procurement code, contract terms are generally limited to five years with few exceptions. He explained that Helpside provides a comprehensive suite of services, including payroll administration, 401(k) management, FMLA administration, unemployment support, and workers' compensation coverage. Platte clarified that the agreement is typically structured as a one-year contract with the option to renew annually for up to four additional years. However, for a school of this size, a formal RFP would be required to extend the contract beyond a single year without annual board approval. The board also discussed the possibility of exploring other providers as the school continues to grow, while noting that Helpside's affiliation with AW's network of schools currently offers a significant cost advantage.
- *Amend Student Conduct & Discipline Policy* – Platte Nielson presented the amended Student Conduct & Discipline Policy which were triggered by the 2025 legislative session and included rules related to physical restraint and seclusion. Other updates and clarifications have also been added to the policy to increase its compliance with new and existing laws and updates to USBE rules, including those related to due process for student disciplinary actions, reinstatement of students after suspension, reintegration plans, administrative student conduct and discipline plans, corporal punishment, and state reporting requirements for suspensions and expulsions.

  Neil Garner made a motion to approve the following items:

  - **Approve the Antelope Campus Flooring Project not to exceed $60,000;**
  - **Approve the Professional Employer Agreement with Helpside and authorize the Board President to execute the agreement on behalf of the school; and**
  - **Approve the Amended Student Conduct & Discipline Policy.**

  Rene Dreiling seconded the motion. The votes were as follows:

  Mary Johnstson – Aye
  Neil Garner – Aye

NOTE: Times on this agenda are estimated as a courtesy only. Actual times may vary.

Rene Dreiling – Aye
Art Hansen – Aye
Motion passed unanimously.

DISCUSSION ITEMS

- *Calendaring Items* – ALL
  - Next Pre-Board Meeting on March 12th
  - Next Board Meeting on March 26th
  - NCSC26 New Orleans, LA June 24-26 (Wed-Fri) – Art would like to attend the conference this year. Neil stated that due to a conflict with this year's dates, he would like to attend next year.

7:16 PM – Neil Garner made a motion to enter a CLOSED SESSION to discuss the character, professional competence, or physical or mental health of an individual and/or to discuss deployment of security personnel, devices, or systems pursuant to Utah Code 52-4-205(1)(a) & (f) in the North Campus Library. Art Hansen seconded the motion. The votes were as follows:

Mary Johnstson – Aye
Neil Garner – Aye
Rene Dreiling – Aye
Art Hansen – Aye
Motion passed unanimously.

7:40 PM – Art Hansen made a motion to exit the CLOSED SESSION and ADJOURN. Rene Dreiling seconded the motion. The votes were as follows:

Mary Johnstson – Aye
Neil Garner – Aye
Rene Dreiling – Aye
Art Hansen – Aye
Motion passed unanimously.

Syracuse Arts Academy
Board of Directors
Closed Session Statement
Thursday, February 5, 2026

Location: North Campus, 357 S 1550 W, Syracuse, UT 84075

CLOSED SESSION SWORN STATEMENT:

At a duly noticed public meeting held on the date listed above, the board of directors for ***SYRACUSE ARTS ACADEMY*** *entered int a closed session for the sole purpose of discussing the character, professional competence, or physical or mental health of an individual and/or to discuss deployment of security personnel, devices, or systems pursuant to Utah Code 52-4-205(1)(a) & (f)*

I declare under criminal penalty under the law of Utah that the foregoing is true and correct.

Signed on the 5th day of Feb, 2026, at Syracuse, Utah.

Mary Johnston
Board Chair

NOTE: Times on this agenda are estimated as a courtesy only. Actual times may vary.

In compliance with the Americans with Disabilities Act, persons needing accommodations for this meeting should call (801) 444-9378 to make appropriate arrangements.

Back to Agenda

SAA Board of Director's Meeting
Friday, February 27, 2026

Action Item: *Amplify CKLA/ELA Curriculum Purchase*

Issue:

In accordance with the School's purchasing policy, all invoices that exceed $25,000 must be approved by the Syracuse Academy Board of Directors. This includes all purchases from a single vendor in a 30-day period.

Background:

Last year, the South Campus purchased a comprehensive five-year license for the Core Knowledge Language Arts (CKLA) curriculum for grades K–5, along with the Core Knowledge ELA package for grade 6. CKLA/ELA is one of the five curricula formally approved by the Utah State Board of Education (USBE), ensuring full alignment with state academic standards and maintaining compliance.

The North and Antelope Campuses are currently using Wonders 2020 for language arts instruction, which is not among the USBE-approved curricula. To bring all campuses into compliance and ensure consistency in instructional materials, we propose purchasing CKLA/ELA for the North and Antelope Campuses on a four-year license, so their renewal cycle aligns with the South Campus. Additionally, due to anticipated enrollment growth, we recommend increasing the South Campus subscription by 100 users. This coordinated approach will support curricular coherence and strengthen instructional continuity across all elementary campuses.

Total Cost: $289,546.71

This comprehensive package includes:

- Digital platform licenses for both students and teachers
- Consumable student materials and full classroom kits (grades K–5)
- Decodable readers for grades 1–5 to develop fluency and comprehension
- A blended ELA solution (digital and print) for grade 6 students and teachers

Consumables will need to be purchased each year

NOTE: Times on this agenda are estimated as a courtesy only. Actual times may vary.

In compliance with the Americans with Disabilities Act, persons needing accommodations for this meeting should call (801) 444-9378 to make appropriate arrangements.

NOTE: We will be not adding professional development for the curriculum. After meeting with our administration team, we have some experts in house that can do the training. The one thing that is not in this quote is the consumables for 26-27 for the South campus which we are estimating about $50,000. Michele is currently working on that bid.

Recommendation:

It is recommended that the Board approve the Amplify CKLA/ELA curriculum purchase not to exceed $350,000.

Amplify.

Scope and Duration

Payment Terms:

- This Price Quote (including all pricing and other terms) is valid through Quote Expiration Date stated above.
- Payment terms: net 30 days.
- Prices do not include sales tax, if applicable.
- Pricing terms in the Price Quote are based on the scope of purchase and other terms herein.
- The Federal Tax ID # for Amplify Education, Inc. is 13-4125483. A copy of Amplify's W-9 can be found at: http://www.amplify.com/w-9.pdf

License and Services Term:

- Licenses: 07/01/2026 until 06/30/2030.
- Professional Development (PD) Services:
  - For purchases made on or before 12/31/25, unless otherwise stated above, PD Services expire 18 months from the order date. Any unused PD Services after 18 months will be forfeited.
  - For purchases on or after 1/1/26, please visit http://amplify.com/pd-expirationterms for information about the term for PD Services and when they expire, unless otherwise outlined herein.
- All other services: 18 months from order date. Unless otherwise stated above, all other services purchased must be scheduled and delivered within such term or will be forfeited.

Special Terms:

- FOR SHIPPED MATERIALS:
  - Print materials and kits are non-returnable and non-refundable, except in the case of defective or missing materials reported by Customer within 60 days of receipt.
- FOR SERVICES:
  - Training and professional development sessions cancelled with less than one week notice will be deemed delivered.

Quote Special Terms

Multi Year Discount Applied
Please note that the pricing above includes multi year discounts for an upfront purchase. List prices on a single year purchase may reflect a different pricing structure. For additional information on the multi year pricing structure, please contact your Account Executive.

SAA Board of Director's Meeting
Friday, February 27, 2026

Action Item: *Technology Purchase*

Issue:

In accordance with the School's purchasing policy, all invoices that exceed $25,000 must be approved by the Syracuse Academy Board of Directors. This includes all purchases from a single vendor in a 30-day period.

Background:

To maintain our three-year replacement cycle for student devices, we are requesting approval to purchase new Chromebooks ahead of the upcoming school year. The 2023 devices currently in use are scheduled for retirement at the end of this year, and timely replacement is essential to ensure uninterrupted access to reliable technology across all campuses.

For our 1st and 2nd grade students at the Antelope and North campuses, we recommend purchasing 430 touchscreen 2-in-1 Chromebooks ($189,630). These devices provide the touch functionality that supports emerging literacy and motor-skills development while still offering a keyboard and trackpad for foundational typing instruction. For incoming 7th-grade students, we propose acquiring 220 non-touch Chromebooks ($82,720) to support their transition into junior high coursework. All devices require a Google Chrome Education license, and we are requesting 650 licenses totaling $22,750. This purchase will keep our technology program aligned with instructional needs, ensure consistent device availability, and uphold our established replacement schedule.

We are bringing this Chromebook purchase forward earlier than usual because the technology market is experiencing unusually rapid cost increases driven by a global shortage of hard-drive and storage components. Hard-drive prices are rising quickly because major cloud and AI companies have purchased nearly all available high-capacity HDD production through 2026, creating a severe supply shortage. This surge in demand means prices are expected to continue rising with no near-term relief. Securing Chromebooks now allows us to avoid further escalation, protect our budget, and ensure students have the devices they need before supply pressures intensify.

Recommendation:

It is recommended that the Board approve the Technology purchase not to exceed $300,000.

NOTE: Times on this agenda are estimated as a courtesy only. Actual times may vary.

In compliance with the Americans with Disabilities Act, persons needing accommodations for this meeting should call (801) 444-9378 to make appropriate arrangements.
