BOARD OF EQUALIZATION
EXEMPT PROPERTY HEARING
APRIL 29, 2014

The Salt Lake County Council convened and met as a Board of Equalization on April 29, 2014. Present were: Councilman Max Burdick: Councilman Randy Horiuchi; Councilman Jim Bradley; Councilman Michael Jensen, Council Chair; Councilman Sam Granato; Councilman Arlyn Bradshaw; Councilman Steve DeBry; Councilman Richard Snelgrove; Councilwoman Aimee Winder Newton; Kelly Wright, District Attorney's Office; JodiAnn Martin, Stuart Tsai, Pauline Wilson, and Terrie Sherbon, Auditor's Office; and Liz Fehrmann, Tax Administration.

Councilman Jensen called the meeting to order and called for citizen input, if any. Steve Van Maren, 11039 Lexington Circle, Sandy, Utah questions when the Board of Equalization Rules would be posted. Liz Fehrmann stated that the date had not been determined at that time but would be posted on the Auditor's Office website when available.

Mr. Tsai stated this is the date scheduled for the annual exempt property hearing to approve continuation of exemptions, accept new applications, and act on charity care plans and other exempt issues. He gave a brief overview of the exempt process and explained the categories.

Ms. Fehrmann stated item 3 is a brief report from the Charity Plan Review Committee. The Committee consisting of Councilmen Bradley, Newton and Snelgrove met and reviewed the three charity plans submitted by IHC, Rocky Mountain Care and Mission Health Services, along with applications. The recommendation by the committee is to grant the exemptions as requested. IHC was asked to include an inflationary adjustment to the jail emergency service contract that we currently have with them. Item 5B contains a list of 20 IHC parcels that will be covered later in the agenda that will affect some percentage changes. Councilman Bradley moved for approval of the three charity plans. The motion was seconded by Councilman Burdick and passed on Rocky Mountain Care, Mission Health and IHC. Councilman Horiuchi abstained from the IHC portion.

Item 4: Mr. Tsai stated that there are 2,108 parcels of real property that filed an Annual Statement Requesting Continued Exemption and there have been no change in use from the prior year. There are 132 personal property accounts with no change also and 6 motor vehicles. Councilman Burdick moved for approval of Item 4. Councilman Granato seconded and the motion passed.

Item 5A: Mr. Tsai stated that these are properties where there was a change in use from the prior year with the DA's recommendation. There were 16 real property parcels where changes were recommended and 3 personal property accounts. Of the real property 8 were sold, 4 were percentage changes, 2 were recommended that the exemption be removed and 2 were parcel number changes. The 3 personal property accounts were recommended that the exemption be removed because the offices had closed. Kelly Wright indicated that he wished to have the IHC (5B) be included with the vote of 5A. Councilman Burdick moved for approval of Items 5A and 5B. Councilwoman Newton seconded and the motion passed. Councilman Jensen questioned whether Utah Magna Mining Museum was included with Item 5A. Mr. Tsai stated that they were invited to apply but they have not replied yet.
