Minersville: Lehman's Cave Trip -Minersville 5th/6th Grades

Belknap:

1. Mrs. Kris and one teacher takes a small group of students to BYU bookstore every year to purchase library books. They are seeking board approval for this trip to Provo. The trip will happen the day after board meeting, February 21st, if approved.

2. Mr. Hawkins and one teacher from each grade level will be attending an Engagement conference on March 1st in Salt Lake. We will be leaving the day before directly after school and spending the night in Salt Lake. This is being paid out of Trustlands. We are seeking board approval for this overnight trip.

elknap Elementary: Dr. Suess night on Monday, March 5th at Belknap Elementary. This event will start at 6:00, and it is family oriented.

Beaver High School: HOSA request, 150 mile trips.

Milford High School:

I would like to use a portion of the NESS resources MHS has been provided to use between now and June 30th to take all MHS teachers, counselor, and administration to the National Schools 2 Watch Mid-Level Conference in Washington D.C. We would like to follow an itinerary similar to the one we did last year. I plan to leave June 26 and return June 30. Last year the total cost per attendee averaged $1,300.

The Mid Level conference has a reputation of being the best conference to attend to get ideas for improving academics and supporting middle school students. The information we were able to gather last year has given us great insight as we have explored many different strategies options this year. One of the most valuable aspects of this conference is that the presenters are schools and teachers who have found success with the strategies they are sharing.

In addition to the conference the MHS PD Plan (https://docs.google.com/document/d/1hc029mh3qn1lpQy1kafZACcBuSpj_a-kiZPWWDhjf0U/edit) provides opportunities for teachers to receive follow-up training on the strategies we have already implemented and time for teachers to implement new strategies that will be taught. I am also hoping to find a way to provide tow additional days for us to come together as a staff in July to debrief what we learned at the conference and make plans to implement what we learned.

Will you please forward this request to the board for their approval? If you have any questions let me know.

Board Members:

I am requesting an exception to the ordinance that prohibits school activities/the use of school facilities on Mondays after 6:00 PM.

Attempting to find a night to hold our Beaver U Orientation/Concurrent Enrollment Night has been a challenge. We have attempted to find a night that would be accommodating to our students and their parents, and as usual the spring extra-curricular schedule is very demanding. I am requesting that we be given permission to hold this orientation on Monday March 26, 2018 at 6:00 PM. The orientation would be held at Beaver High School.

Thank you for your consideration in this matter
