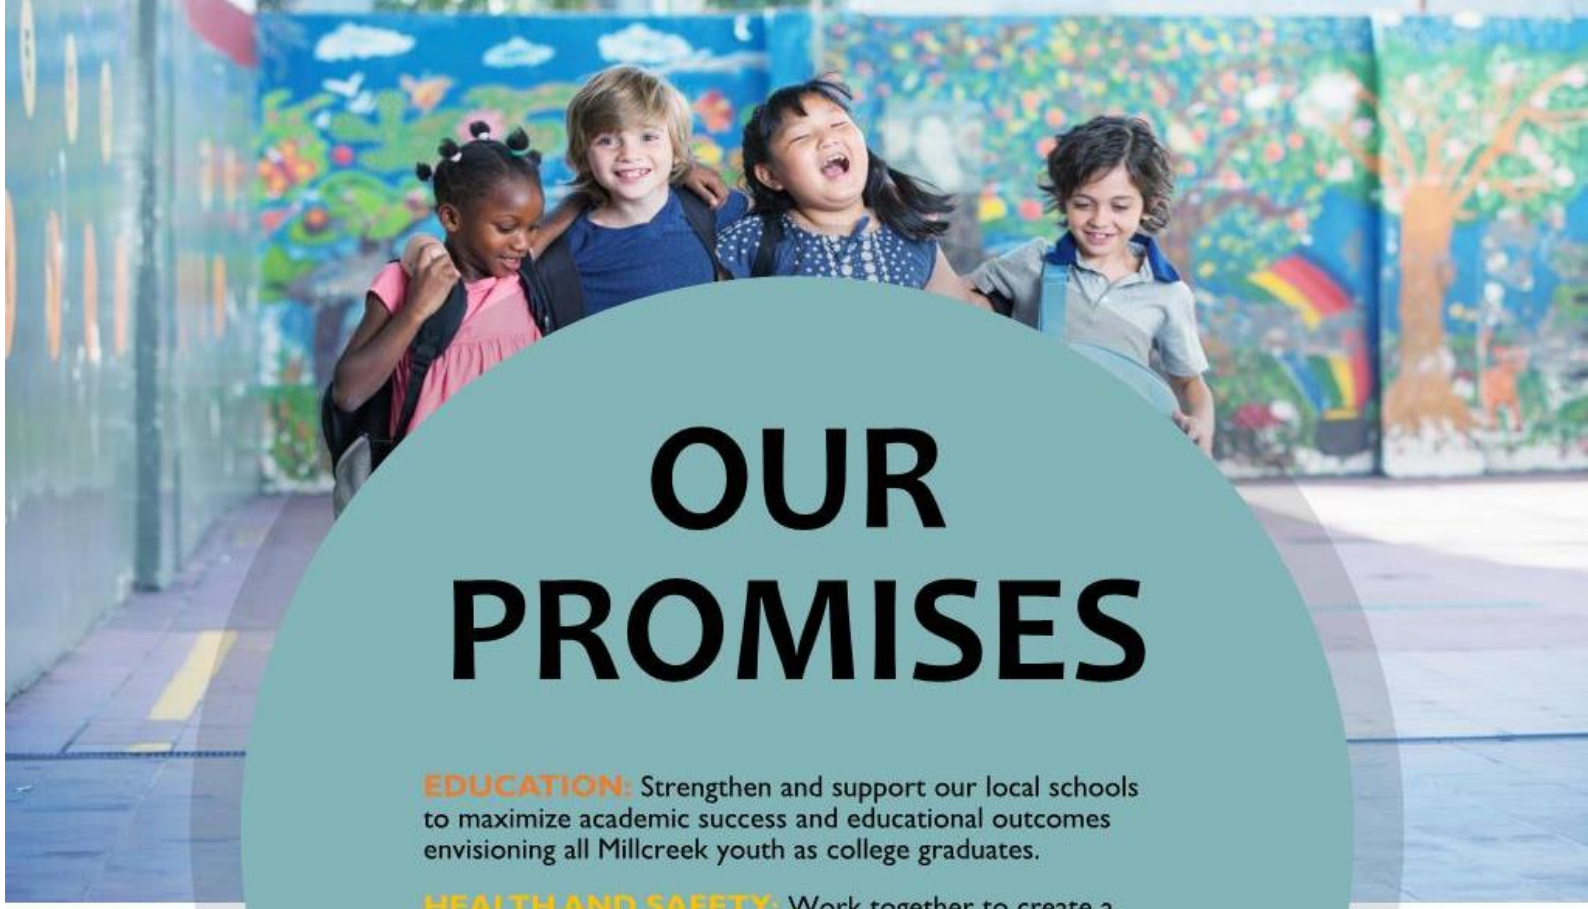
Millcreek Youth Council



OUR PROMISES

EDUCATION: Strengthen and support our local schools to maximize academic success and educational outcomes envisioning all Millcreek youth as college graduates.

HEALTH AND SAFETY: Work together to create a safer, healthier community through resident engagement, support of local law enforcement, fitness & nutrition programs, and health provider partnerships.

ECONOMIC WELL-BEING: Enhance the economic well-being of Millcreek residents who are unemployed, underemployed or that have been denied access to education or vocational training that would result in their being able to better provide for themselves and their families.

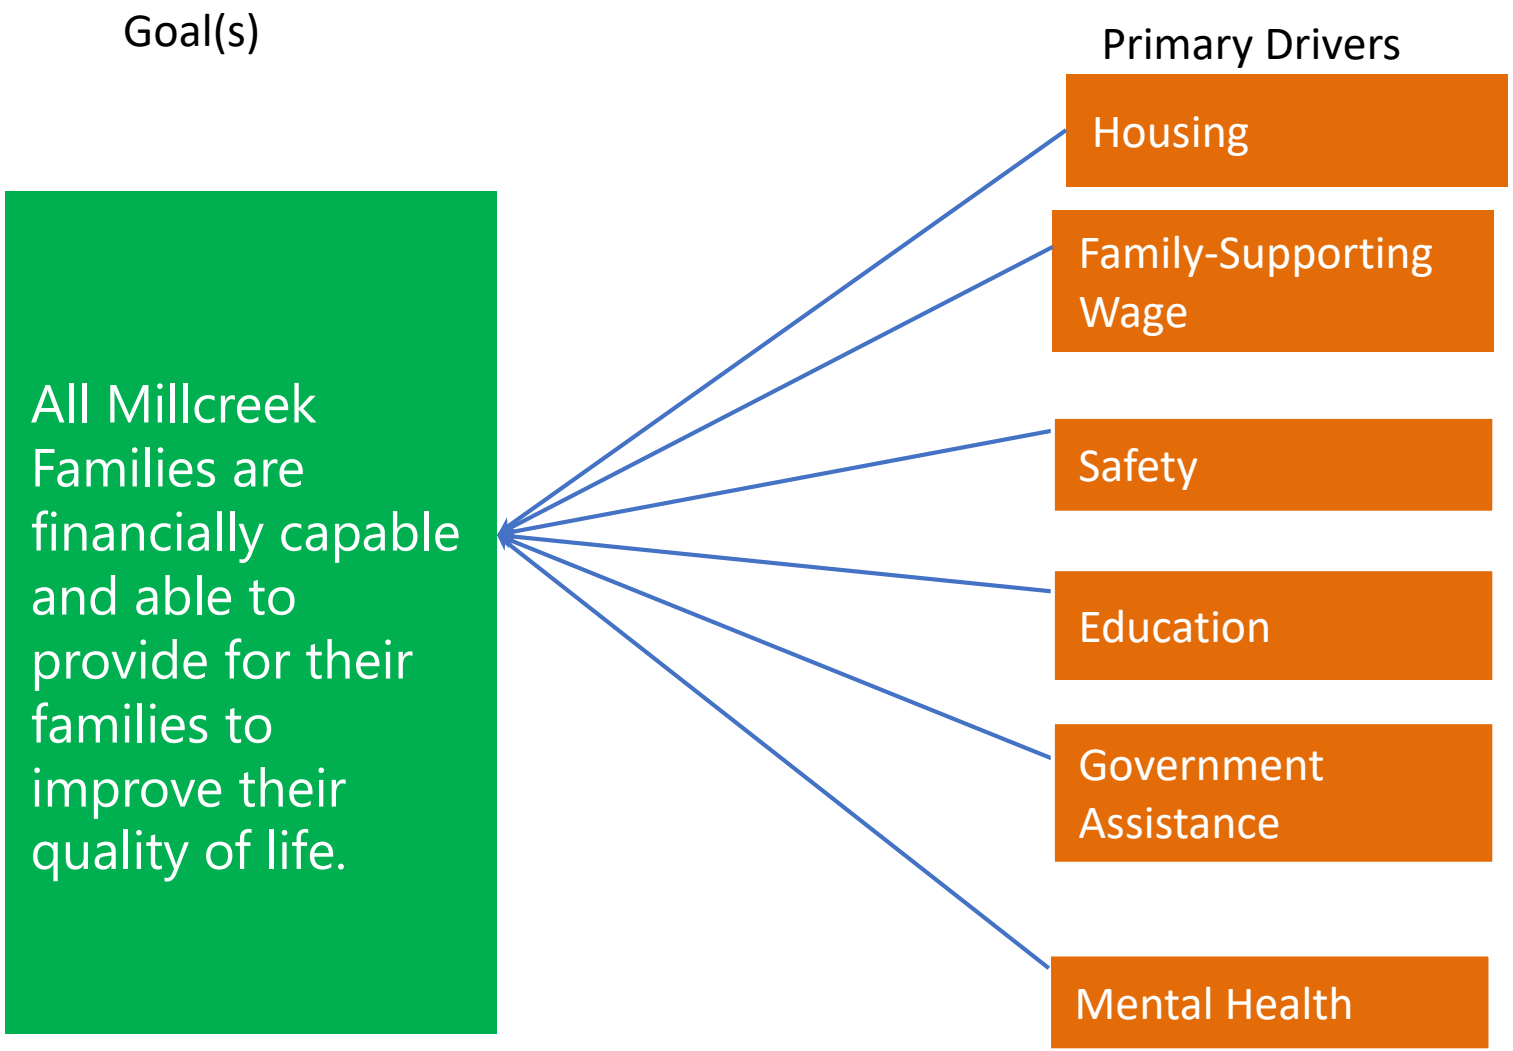
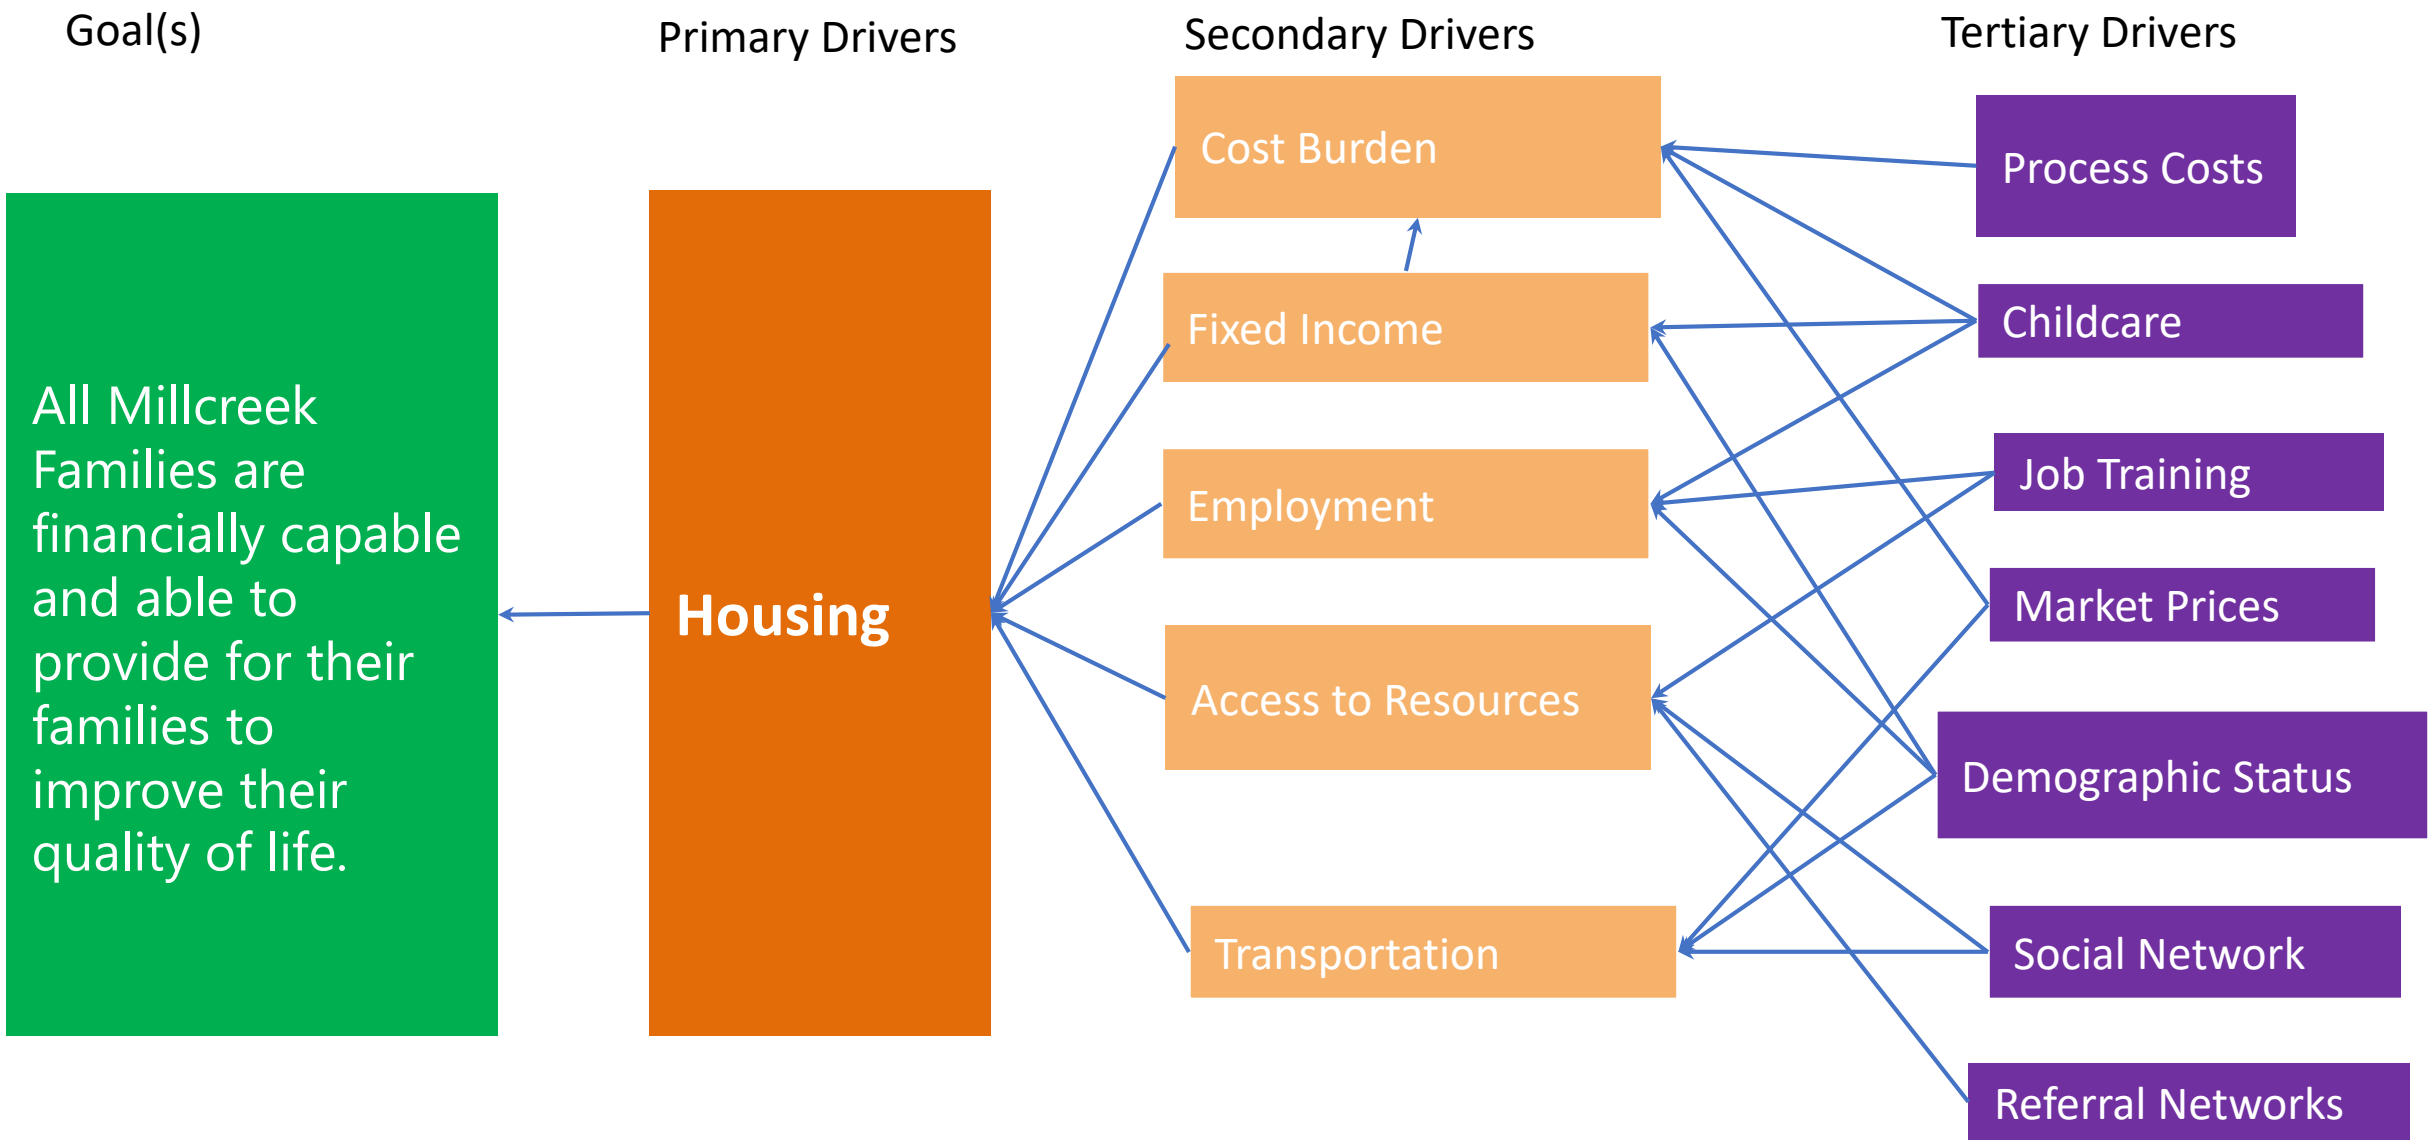
LEADERSHIP COMMITTEE & BEYOND!

Factor Analysis - Example



Factor Analysis - Example



Process for Developing Action Plans

Validate Drivers

See if we need to invite additional members

Identify Major Drivers

Determine the main causes of the current situation

Narrow and Prioritize Drivers

Use a 2x2 to compare impact vs. effectiveness of validated drivers

Identify interventions based on drivers

Review list of drivers that will have high impact and the group has high influence

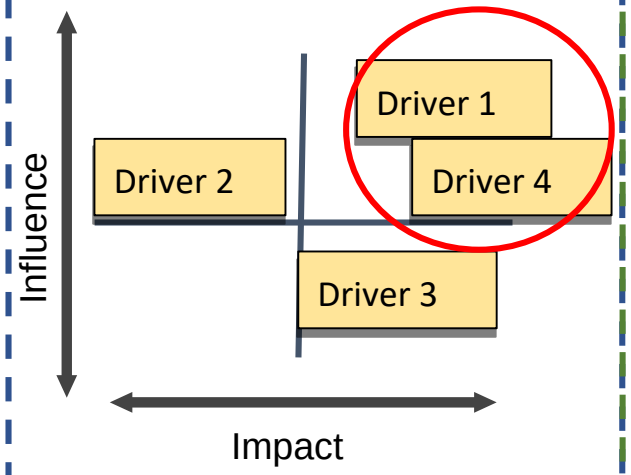
Narrow and prioritize interventions

Develop a 2x2 to compare Time to Action & Impact of intervention

What this looks like:

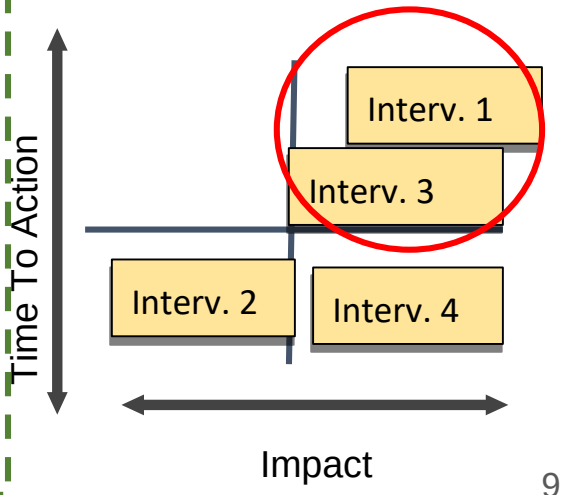
List of Drivers:

1) Driver 1
2) Driver 2
3) Driver 3
4) Driver 4



List of Interventions:

1) Intervention 1
2) Intervention 2
3) Intervention 3
4) Intervention 4



25 MORE VOLUNTEERS NEEDED!

TWO DESIGNS WERE PRESENTED 4 TIMES

ENGLISH. ARABIC. SPANISH. FRENCH.

How often do you or your family visit Sunnyvale Park?

What do you like about the park?

What do you not like about the park?

What sport would you like to play at Sunnyvale Park?
Do you know what Futsol is?

If you could change on thing about the park tomorrow, what would it be?

LEGEND
