COMMISSION CHAIR'S ELECTRONIC MEETING DETERMINATION
PURSUANT TO UTAH CODE ANN. §52-4-207(4)

I, John T. Nielsen, Chairman of the Utah Alcoholic Control Commission, have determined that the May 25, 2021 meeting of the Utah Alcoholic Beverage Control Commission will be held electronically without an anchor location.

This determination is based on the following facts:

1. Utah is currently dealing with COVID-19, which has been determined to be a pandemic. COVID-19 is extremely contagious and can be deadly to those who contract it, especially those of advanced age and underlying health conditions.

2. The DABC offices are in Salt Lake County which is currently in the State's moderate transmission category. This level requires physical distancing for large groups.

3. The Commission chamber within the DABC office is insufficient to allow social distancing and reasonably safe accommodation of the Commission and the public.

4. The Commission uses an electronic platform which allows interested parties to view the meeting, hear discussions and provide written comment.

Dated 05/18/2021.
