Didn't see a digital version of the letter last week. Do you have one we can tweak? What's the latest on the discussions with San Juan County? Any info you could provide today would be greatly appreciated.
Thanks!
Brian

Brian,

Sorry for the delay. I attached our form letter I shared with the commission last week.

Michelle McConkie and Chris Fausett had productive conversations with Bruce Adams last week. We are using San Juan county to get our acre for acre trade equalized as much as possible. As of today, we have over 40,000 acres identified to acquire within San Juan county as a result of the exchange. This figure is indicative of our efforts to keep San Juan county as whole as possible, while also pursuing other targets to maximize revenue to the trust. It has been positive.

Again, thank you for any support you may offer regarding the exchange.

Let me know if you have any other questions or concerns.

Best,

Tyson
