John
In reviewing our records it appears that your term for the Planning and Zoning Commission has expired. We thank you for your service and would like to encourage you to continue to serve for another term. If you would like to continue in this position, please send me an email letting me know, so I can get this in front of the County Commissioners for their approval. If for some reason you are not able to continue please let me know, so we can make other arrangements. I look forward to hearing from you and thank you again for all you do on Planning and Zoning.
Brian
