Hello Daggett County Commissioners,

I am contacting you on behalf of Cody Stewart, our Director of Strategic Engagement. He would like to schedule some time to meet with you and update you on what the Colorado River Authority is doing and how your County can get involved.

We would like to schedule a visit in April. I spoke with someone in your office earlier this week about April 18th, but we need to shift things one more day to the 19th. Cody will be meeting with Uintah County at 9:00 AM, is there a time around 11 or noon that would work for you?

We look forward to hearing from you!
