

Christine Lee is the Leadership Competency Specialist for Wheeler Machinery Co., with more than 15 years of experience in the corporate training and development initiatives. Christine currently specializes in programs that train leaders how to achieve lasting results through others and teach coaching skills to management. She holds a Bachelor of Science Degree in Psychology from the University of Phoenix, with an emphasis in industrial/organization psychology. In her spare time she enjoys spending time with her three children, hiking, paddle-boarding, and boating.
