

# UTAH STATE BOARD OF EDUCATION

**Subject:**

INFORMATION: Meaningful Inclusion of Students with Disabilities

**Agenda item type:**

Information Item

**Recommended Action:**

N/A

**Background:**

In June of 2021, after reviewing a recommendation from the Utah Special Education Advisory Panel (USEAP), the USBE made a motion to direct staff to:

establish a micro-credential and training on inclusionary practices; establish administrator inclusionary practices training, materials, and Utah Educational Leader competencies; and prepare a Board rule provision for Committee review that would require an LEA to include inclusionary practices into the LEA's local policies.

This information item is a report on the actions completed and actions in progress to address the requirements in the motion.
