APPEL Statement of Assurances_Program Director.docx; RESC or Consortium APPEL Statement of Assurances.docx;

Dear **Wasatch Front Consortium**,

Congratulations! Your application to become a Board-approved Alternate Pathway to Professional Licensure (APPEL) program has been approved.

To complete the approval process, **please read and sign the attached Statement of Assurances and return it to APPEL@schools.utah.gov**. The program approval will be official once we receive these signed documents.

As the Program Director, Deborah Swensen will sign the Program Statement of Assurances document and provide contact information for the program that we can share on our website. We will also need a representative from each school (preferably each school's director) to sign the LEA Statement of Assurances.

If you develop a webpage about your APPEL program and would like to include that with the contact information, please share it with us and we can add it to that list.

We are here to support you in your new educator preparation program; please don't hesitate to reach out with questions or requests for help.

Lisa McLachlan

Educator Preparation Program & Licensing Specialist
