The State Entity and the Contractor may terminate this Contract, in whole or in part, at any time, by mutual agreement in writing.

On termination of this Contract, all accounts and payments will be processed according to the financial arrangements set forth herein for approved and conforming Procurement Items ordered prior to date of termination. In no event shall the State Entity be liable to the Contractor for compensation for any Good neither requested nor accepted by the State Entity. In no event shall the State Entity's exercise of its right to terminate this Contract for convenience relieve the Contractor of any liability to the State Entity for any damages or claims arising under this Contract.

15. **NONAPPROPRIATION OF FUNDS, REDUCTION OF FUNDS, OR CHANGES IN LAW:** Upon thirty (30) days written notice delivered to the Contractor, this Contract may be terminated in whole or in part at the sole discretion of the State Entity, if the State Entity reasonably determines that: (i) a change in Federal or State legislation or applicable laws materially affects the ability of either party to perform under the terms of this Contract; or (ii) that a change in available funds affects the State Entity's ability to pay under this Contract. Scope of Work

1. Introduction

The Utah Schools for the Deaf and the Blind (USDB) needs help in our educator recruitment process for the Utah School for the Blind. This contract will be used on an as-needed basis and the use of this contract will not be guaranteed.

1.1 Background

The Utah School for the Blind offers services for blind/visually impaired and deafblind children and students throughout the state of Utah. All of our services incorporate a strong emphasis on the Expanded Core Curriculum (ECC). Our teachers provide instruction in the nine areas of the ECC for students who are blind/visually impaired and deafblind. This specialized instruction is provided throughout the school day. Our teachers of the visually impaired (TVI) and teachers of the deafblind (TDB) are experts in the field. They all have special education licenses, most with Masters Degrees which include an endorsement in either blind/visually impaired or deafblind. Utah is the only state in the nation who employs endorsed TDBs at this time. Our TVIs must pass a Braille Competency Exam or the Braille Praxis Proficiency Exam. These positions cover early childhood education, preschool, and/or school aged children.

We have worked within our professional means to recruit and attract qualified candidates for our positions, and find we require assistance in locating these individuals.
