Dear Community Council:

For the 23-24 school year, we had allocated a large majority of the Trust-Lands budget to Teacher Salaries. Because of shortages in the workforce and a lack of suitable applicants to fill some of these part-time positions, we have been left with a surplus of funds. We would like to reallocate \$30,000 for purchases from our Technology Account. We will be purchasing Chromebooks and Projectors for classrooms to help in our goal of raising ACT and end-of-level test scores.

Sincerely,

Warren Brooks
