Introduction:

This analysis intends to provide Millcreek, a Utah Municipality, and the Millcreek City Council with the information required by the Utah Code Section 10-8-2. Appropriations -- Acquisition and disposal of property -- Corporate purpose -- Procedure.

Reason for the Study:

Utah Code § 10-8-2 and case law require a more rigorous review and approval process before the City can provide grants to nonprofit organizations. The process requires that the City complete a Study before awarding the grants.

Critical Elements of the Study:

The Study shall consider the following factors:

- 1
1. Completion of a study that addresses the following:
 - a. The benefit the City will receive—tangible or intangible—in return for appropriated funds.
 - b. An analysis of how the appropriation will be used to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of Millcreek residents.
 - c. Whether the appropriation is necessary and appropriate to accomplish goals and objectives of the City, such as:
 - i. Removing blight or underdeveloped properties;
 - ii. Increasing the City's tax base;
 - iii. Creating jobs;
 - iv. Retaining jobs, and
 - v. Any other identified public purpose the appropriation might serve.
 - d. Completing a financial analysis showing projected financial returns to the City, if any, and the period over which the City will recoup the appropriation amount.
 2. A finding by the Council that the development will promote safety, health, prosperity, moral well-being, peace, order, comfort, or the convenience of the Millcreek residents shall be adopted by Resolution citing the Study as evidence to support that finding.
 3. The processes outlined in Utah Code Ann. § 10-8-2h will complete the final appropriation:

- a. If the appropriation is made as an amendment to the current year's fiscal budget, then the appropriation shall be approved according to the process outlined in Utah Code Ann. § 10-8-2(3)(d).
- b. If the appropriation is made as part of a future fiscal year budget, then the appropriation shall be approved during the regular annual budget process.

Millcreek Agreement – Millcreek proposes to make the following monetary appropriation for the Fiscal Year 2023/2024:

“Human Service Fare Program” Proposal:

- UTA and Millcreek City desire to establish a program whereby Millcreek City is authorized to purchase discounted transit passes for use by low-income individuals within the transit district, as well as a discount. Millcreek City shall be authorized to purchase from UTA Standard Passes at a discounted rate equal to seventy-five percent (75%) of the standard face value fare charged by the Authority. It shall be authorized to purchase UTA Premium Passes at a discounted rate equal to fifty percent (50%) of the standard face value the Authority charges. UTA reserves the right to determine the type of fare products eligible for the Discount under this Agreement.
- Millcreek City shall be authorized to qualify Low-Income Individuals for the “Millcreek City Human Service Fare Program” as defined by the U.S. Department of Health and Human Services with the Poverty Guidelines attached as Exhibit A.
- Issuance of Passes. Millcreek City will be responsible for the issuance of Passes. It will complete the following upon issuance: (a) confirm the eligibility of the recipient, (b) print the recipient's name on the card in permanent ink, and (c) record the recipient's name and the card number issued to them.

- B. Millcreek City is seeking to create a short-term pilot where discount transit passes may be available to qualified low-income individuals in Millcreek.

CONCLUSION AND REQUIRED FINDING:

The municipality of Millcreek's purpose for the above-listed appropriation to Millcreek Promise is to seek to achieve the following Community Objectives:

The municipality of Millcreek's purpose for the appropriation is to establish a contract with the Utah Transit Authority (UTA) to Increase access to qualified low-income people in Millcreek, Utah, by accomplishing the following public purposes and thereby supporting Millcreek City's efforts to enhance the safety, health, prosperity, moral well-being, peace, order, comfort, or convenience of the inhabitants of the municipality:
