- The Board acts to direct staff to develop legislative funding proposals on specific topics of interest
- The Board may ask staff for input on future K-12 funding needs

The Board provides
final direction to staff
to develop legislative
funding proposals on
specific topics of
interest.

• - This may include acting on staff input as requested.

- Finance Committee reviews the draft legislative funding proposals and provides feedback on options/ideas.

- The full Board may review the draft legislative funding proposals in a study session. - The full Board selects
U legislative funding
proposals for "Board
support".

- Individual Board
members can prioritize
the Board supported
funding requests in an
individual survey
completed midSeptember

- The full Board

very reviews, potentially
revises, and approves
the final Board priority
list for submission to
the Governor's Office
as per the Budgetary
Procedures Act.
