FY23 Reporting

- All grantees are required to report on ESSER funds received under the Coronavirus Aid, Relief, and Economic Security (CARES) Act; the Coronavirus Response and Relief Supplemental Appropriations (CRRSA) Act; and the American Rescue Plan (ARP) Act. Grantees must submit an annual report describing how the State and subrecipients used the awarded funds during the performance period.
- USBE staff created a survey to collect the required information. We sent that survey out to our LEAs on February 20th 2024.
- The surveys are due back from the LEAs on April 5th 2024 at 5:00pm
- At that time USBE staff will compile that data and start importing it into the reporting tool.
