

Utah K-12 Comprehensive School Counseling Program Components Document (referred to as school counseling program) R277-462-3

- **Each Student:** All program elements are to recognize and address the needs of each student. ~~[Access,]~~ Opportunity, achievement, attendance, and behavior data for academic and non-academic student needs are used to guide the Comprehensive K-12 School Counseling Program. This component provides the foundation for the school counseling program to ~~reach~~ assist each student in meeting their academic goals while also adhering to all applicable federal and state law including those pertaining to student privacy or parental rights. ~~[as an individual. Modification to program implementation based on identified gaps from this component should be reflected in the remaining components.]~~
- **Data Effectiveness and Program Improvement:** Systemic program management and implementation are driven by the collection and analyses of current school data, including a formal student, parent, and teacher systemic assessment. Data projects are developed and implemented based on the data results to increase student achievement, daily attendance, increase protective factors, ~~[close achievement and behavior gaps]~~ and evaluate program effectiveness. Modification to program implementation based on identified gaps from this component should be reflected in the remaining components.
- **Plan for College and Career Ready Process:** Programs shall establish Plans for College and Career Readiness, both as a process and a product, consistent with local board policy, Utah Code 53E-2-304, and Utah State Board of Education Board Rule R277-462. Each student, along with their parents, is an active participant in creating this Plan.
- **Career Literacy:** Career literacy provides students with the capacity to make informed decisions regarding their college and career readiness plan. Through career development assistance for all students— which includes career awareness and exploration, job applications, interview skills, and understanding of Career and Technical Education (CTE) Pathways and 1, 2, 4, or more years of postsecondary educational opportunities—students will complete high school with the ~~[social capital]~~ skills outlined in USBE’s vision statement ~~[necessary to participate fully in their community.]~~
- **Collaborative Classroom Instruction:** The program delivers a developmental school counseling curriculum. The curriculum is prioritized according to the results of the systemic assessments, and other data analyses to improve student outcomes.
- **Dropout Prevention ~~[with Social Emotional Learning]~~ and Responsive Services and Supports:** In coordination with family, the program provides a systemic approach to
