

# UTAH STATE BOARD OF EDUCATION

**Subject:**

ACTION: Science of Reading Curriculum Checklist

**Agenda item type:**

Action Item

**Recommended Action:**

**MOTION FOR THE BOARD:** That the Board approves the Science of Reading Curriculum Checklist document incorporated by reference to Board rule R277-406.

**Background:**

During the February Board meeting, members asked to revisit the rule during the March study session. During the March study session, the Board motioned to postpone the rule until the April board meeting.

Staff will be available to answer questions regarding the science of reading checklist that is used to review tier 1 or core elementary ELA instructional materials that are submitted through the Recommended Instructional Materials (RIMs) process to ensure materials are evidence-informed and align with the science of reading.

This checklist is available for LEAs to use to review their curriculum.
