SOUTH SALT LAKE CITY ATTORNEY'S OFFICE MEMORANDUM

TO: Mayor and City Council
FROM: Brianne Brass, Deputy City Attorney
DATE: 04/24/2024
RE: A RESOLUTION OF THE SOUTH SALT LAKE CITY COUNCIL AUTHORIZING THE SOUTH SALT LAKE CITY POLICE DEPARTMENT TO DISPOSE OF UNCLAIMED OR CONFISCATED FIREARMS IN THE SOUTH SALT LAKE POLICE DEPARTMENT POSSESSION.

Attached is a proposed Resolution allowing the South Salt Lake City Police Department ("PD") to dispose of firearms, firearm parts and accessories and ammunition ("Firearms") held in its possession by way of transfer to the Utah State Forensic Lab for testing purposes or through a private dealer for destruction, pursuant to U.C.A. § 77-11d-105, U.C.A. §. 77-11a-402, and U.C.A. §. 77-11a-403.

There are two lists attached to the Resolution. The first list in Exhibit A is a list of the Firearms the PD is requesting the approval of Council to transfer to the Bureau of Forensic Services. The second list, in Exhibit B, the PD is requesting Council approval to send to a federally licensed firearm dealer to be destroyed.

Police agencies have three options, pursuant to U.C.A. §. 77-11a-403 to dispose of confiscated or unclaimed firearms. The PD may sell or destroy the confiscated or unclaimed firearm to a federally licensed dealer and apply the proceeds to be put toward a public use. The PD may give the confiscated or unclaimed firearm to the state-approved dealer to sell or destroy in accordance with the terms of the agreement between the state-approved dealer and the state. Or lastly, the PD may transfer the confiscated or unclaimed firearm, after obtaining approval from the agency's legislative body to the Bureau of Forensic Services or another public forensic laboratory for testing.

First, before disposing of the firearms, the PD must determine if the firearms may be returned to the owners. Most of the Firearms listed on the spreadsheet have come into the possession of the PD as evidence of a crime. Because these Firearms were at one point seized as evidence of a crime, the PD is required to obtain the consent from the prosecuting agency that has jurisdiction over the matter for the disposition of the evidence. The PD has taken those requisite steps and gained the consent of the necessary agencies to dispose of those Firearms or the Firearms have been forfeited by court order or cannot be returned due to the owner's inability to possess the Firearm.

The other Firearms, not possessed as evidence, have come into the possession of the PD as lost, unclaimed or volunteered Firearms for safekeeping. The PD is allowed to dispose of Firearms that come into their possession as lost or unclaimed property if the PD goes through the following proper noticing steps in U.C.A. § 77-11d-105:

- Publish notice of its intent to dispose of the unclaimed Firearms on the Utah's Public Legal Notice Website; on the City's public website; and on a designated public place for the PD.
- Include within the notice: the general description of the item(s) and the date of intended disposition.
- Wait at least eight days after the date of publication and posting before disposing of the Firearms.

The PD has taken the necessary steps to determine if the Firearms are no longer needed as evidence from the appropriate prosecuting agencies, have determined whether the Firearms are able to be returned, provided notice where the owners are known and published notice pursuant to the state requirements of the anticipated disposition, giving time to possible owners to reach out and claim the Firearms and waited the requisite timeframes before moving forward with disposition. The Firearms listed are those remaining that have been unclaimed or deemed unfit for resale.

The PD is proposing and requesting Council approval by Resolution to transfer the Firearms listed in Exhibit A to the Bureau of Forensic Services and the Firearms listed in Exhibit B to a federally licensed dealer to destroy the Firearms. Approval of the accompanying resolution is necessary prior to the sale or destruction of all firearms or ammunition. If you have any questions, please feel free to contact me.
