### **BOARD REPORTS**

- **Committee Updates**  
There were no board reports.

### **STAFF REPORTS**

- **Mansion and Theater Updates:**
  - **The Mansion:** Lori told the board that all of the wallpaper had been removed from the home and the original colors for each room have been found. She said that we had met with the electrical engineers, and Murray City's Power Department to discuss the upgraded electrical needs for the home. Lori said things seem to be moving in the right direction and should be close to a building permit.
  - **The Theater:** Lori told the board that the store front has been put in place at the theater and showed the board the updated pictures of the "candy cane" on the marquee. She stated that she, Katie Lindquist, and Kim Sorensen will be visiting the fabrication shop to give the OK on the color.
- **Centennial updates:** Lori reported that the planning is going well for the celebration. Rowan had provided the board with excerpts from the publication for the board to read to get a glimpse of how the book is being written.
- **Museum updates:** Rowan updated the board on the Cemetery Tours she has scheduled. She said she was still short a few volunteers to be story tellers. Wendy volunteered as did Dana and Bryce to help. Rowan was able to fill all of the slots.

## **BUSINESS**

- **Accessions:** The follow accessions were introduced to the board:
  - Wooden Crib and hats from Shirley Milne
  - Utah County Fair Program from Janet Wells
