 Proposed Ordinance Amendments to Code Section 10-21-6

REPORT BY:

Ken Young, Community Development Director

Royce Davies, City Planner

BACKGROUND

On December 11, 2014 Marja Reynolds was approved for a conditional use permit that would allow her to occupy a major home occupation music lessons business located at 864 West 1650 North. The conditional use permit was approved with a specification that the business could accommodate the maximum number of patrons allowed by code. The current code allows for up to 6 customers or patrons per hour to visit a major home occupation business. The applicant has requested that this be increased to 8.

Item #: 9A

The ordinance amendment proposed by the applicant would allow up to 8 customers or patrons per hour to visit a home occupation business. This ordinance has been reviewed by the City Planner.

ANALYSIS

The text amendment will allow up to 8 customers or patrons per hour to visit a home occupation business and still requires that all other aspects of the City Code concerning major home occupation businesses be met. These requirements include providing adequate off-street parking and ensuring that the business does not adversely affect the neighborhood.

It has been determined that increasing the maximum number of patrons from 6 to 8 per hour for major home occupation businesses is in accordance with the proposed ordinance amendment is in harmony with the goals and intentions of the General Plan of Pleasant Grove City.

- A. The number of patrons or customers coming to the home may range up to six (6) eight (8) per hour, provided sufficient off street parking is provided and the use does not adversely affect the neighborhood. Daycare, preschools, and nurseries, as defined in sections 10-6-2 and 10-15-27 of this title, are to be exempt from this subsection. Children that are associated with any type of daycare, as defined in this code, are not to be considered as patrons or customers.

CITY COUNCIL STAFF REPORT

Item #: 9B

City Code Text Amendments to Code Section 10-11-D-2: Permitted, Conditional, and Accessory Uses.

Public Hearing

APPLICANT:

Julie Smith

ATTACHMENTS:

 Proposed Ordinance Amendments to Code Section 10-11-D-2

BACKGROUND

In December, 2014 Extra Space Storage approached the City desiring to construct a storage facility in the CS-2 (Commercial Sales-2) Zone. As this use is not currently permitted in the zone, the applicant has requested that it be added as a conditional use.

The ordinance amendment proposed by the applicant would allow general warehousing and storage, and unidentified storage in the CS-2 Zone. This ordinance has been reviewed by the City Planner.

ANALYSIS

The uses included in use number 6376 "general warehousing and storage, and unidentified storage" would allow the applicant to construct a storage facility as they have done in other cities. The applicant has provided a page from their website showing multi-level storage facilities located in Las Vegas, Nevada. The appearance of these facilities is similar to the types of development currently permitted in the CS-2 Zone.

The CS-2 Zone is intended to focus on retail sales. Because a storage facility is not retail, it is recommended that storage facilities be permitted as a conditional use to ensure that their appearance and operation are in accordance with the intent of the CS-2 Chapter of the City Code.

It has been determined that permitting use number 6376 general warehousing and storage, and unidentified storage as a conditional use in the CS-2 Zone is in accordance with the proposed ordinance amendment is in harmony with the goals and intentions of the General Plan for Pleasant Grove Commercial Districts Standards.
