#### **Third Grade**

October has been a great month in 3<sup>rd</sup> grade! We are enjoying our continued work on our Cultural Museum projects. We also had great success in our coin drive. Thank you to everyone who participated! Look at the exciting events happening in the next month:

- Halloween Parties on October 29<sup>th</sup> in the classrooms
- November 5- Cultural Museum- Parents are invited to attend and see the students hard work displayed.
- November 22-BYU Field Trip- be sure to have your background check and PALS II training completed!
- We are continuing our study on the Earth, Moon, and Sun. Please remember that we have extension boxes available for check out!
- We will be starting to discuss heat, light, and friction. Discuss with your child examples of each.
- Culture mini-classes will start in November. We are excited to hear about different countries from our parents!
  - Thank you to our great parents and students at Lakeview who make our time at school so enjoyable!

#### **Fourth Grade**

The 4<sup>th</sup> grade has been busy as usual this month. We have:

- -studied weather, comparing the climates in different parts of Utah
- -learned about different kinds of clouds and made a cloud book using cotton balls!
- -learned about our state flag and what it represents
- -made dinosaurs with toilet paper rolls

- -made Indian pots out of clay
- -learned how to weave (the earliest Indians in Utah, the Anasazi, were known as basket weavers and pottery makers)
- -talked about the importance of working together to achieve our goals
- -started on Utah county reports in preparation for our "Utah County Fair" in January We believe that it's fun to learn!

#### Fifth Grade

The Fifth Grade has been very busy this last month. Here a few of the highlights:

- The Constitution Convention was a success as each student participated in a program teaching them about and celebrating the Constitution. The gym was full of parents who were in attendance for the program.
- The fifth grade held a yard sale a couple of weeks ago to raise money for camp. Many parent volunteers were involved. They earned over \$400 at the yard sale.
- The students have been preparing for 5<sup>th</sup> grade camp. They leave this Wednesday!
- On Tuesday The Discovery Gateway put on a program for the 5<sup>th</sup> graders. They brought
  a lot of visual and hands on experiments to help the students learn more about chemical
  and physical change.

#### Sixth Grade

- \*Solar oven competition on 10-22
- \*Re-Told Story Festival 10-29 -10:30AM
- \*Completing Mesopotamia—notebooks due week of 10-18
- \*Halloween door decorating contest
- \*Halloween party treats 10-29
- \*Halloween parade

#### Music

Our Elementary music classes are preparing two special numbers for the veterans Day Assembly November 11<sup>th</sup>. In addition the lower grades have been exploring beat, rhythm, tempo and dynamics with fun songs that illustrate different uses of each music principle. Third grade is learning songs by classical composers, fourth and sixth are working on music theory and 5<sup>th</sup> grade is getting ready for the Hope of America concert next May. The next two weeks we will all be doing some Halloween music songs and activities, and then it's on to preparation for our Christmas Concert on December 17<sup>th</sup>.

The middle school drama class will be completing their monologue unit next week with a final performance of the monologue pieces they have been preparing. We have a lot of really talented actors and it is so fun to see how creative they are!

The middle school choir is also preparing two pieces for the Veterans Day Assembly and getting ready for their December 16<sup>th</sup> Concert. Our group is small this year but have a great sound and it is just enjoyable to work with them!

#### **Spanish**

The Spanish Program at Lakeview-Academy is making major improvements on every grade level. Every classroom has a list of words in Spanish with their curriculum for this year. Grades 3rd-6th are doing well memorizing a welcome greeting in Spanish. Ask your children to greet you in Spanish so they can practice. We would like to remind the students, as well as the parents, that each student needs to bring index cards to write and memorize new vocabulary words (grades Kindergarten through second don't need to bring index cards).

The Spanish Club is going full blast. We meet from 2:45-3:30 in Room 2290, grades 1-3 come on Tuesdays and grades 4-6th on Thursdays. Parent volunteers are needed for the Spanish club and also to prepare materials that need to be used during Spanish instruction. Please contact Mrs. Lambson either at 801-331-6788 ext. 2290 or send an email: <a href="mailto:elambson@lakeview-academy.com">elambson@lakeview-academy.com</a>. Thank you for your support.

#### <u>Art</u>

• In the elementary art studio the students are producing art works that will become tiles installed permanently in the school. Each student is anxious to see their art emblazoned on tiles, t-shirts, key chains and mouse pads. The third and fourth graders will begin making plaster masks as soon as the art for the fund raiser is complete. The rest of the students will be introduced to the art of Toulouse Lautrec (1864-1901).

#### Middle School

#### Art Studio

October Enhancement Days

- Oct 1-After having a blast making marble runs with the Leo on Wheels the art students
  researched kinetic art. They soon learned that there are local artists (Andrew Smith) and
  others who make marble- runs the sole subject of their art works.
- Oct 21-The art students continued to learn about documenting their art work (and assessments) and complete a digital portfolio.
- Oct 7 and 24-All of the Middle School students are creating art work for the tile fund raiser.

#### **Art General News**

In the middle school art studio we are working on a self-portrait unit. The students have
collected interesting media images to create a layered mixed media collage. We read
Carl Sandburg's poem Fog and talked about metaphor and how both words and images
can be used to create a metaphor, making a connection between visual art and writing.
The students have also created a personal plaster mask and will be painting them next

week. All of the Middle School students have also been creating art work for the tile fund raiser.

#### **Math and Science**

• The science and math classes are combining the two, interrelated disciplines, for a fun and exciting enhancement activity. We will be using our scientific knowledge and mathematical background to help us build and design CO2 cars! This will give our young scientists and mathematicians a hands-on, active learning experience which is a real life application of both science and math. When the CO2 cars a built, we will race the cars and determine which students made CO2 cars that best put into action their background knowledge!

#### **Drama and Choir**

- Middle School Choir We use our enhancement days to work with our choir accompanist, Kelli Boren.
- Theatre We use our enhancement days to sharpen theatre skills. In November we will be viewing and critiquing successful monologues.

#### <u>Technology</u>

#### **Business Manager's Report**

Hi there here is the financial report for us.

There are a couple of area's that you should know about they are as follows:

Background Checks it is my belief that the reason it is so high already is because of the availability of the training

online.

Trust Lands: Our number increased this year.

Security Expense: The reason it is high is because of the failure of one of our panels and the repair of it.

Property Repairs: This one will continue to rise, we made the payment in October to pay for the Air

Conditioners and it was 15K

Small Equipment: Smart Board. We will also need to raise this again for the science smart board.

Library Books: The BookFair expense is in this line item, but the revenue sits elsewhere. There was a

positive of 1400 bucks from the book fair.

FACILITIES MANAGEMENT REPORT

10/19/2010

Director: Bud Stone

Manager: Bryan Ettinger

I have installed parking lot sings to help direct the traffic flow around and through the parking lot. I have several fire lane singes that will be installed on each gate in the south playground. This will help keep the fire lane clear through the playground. On occasion we have People Park in this area.

I have installed are new bike racks on the left side of the front doors; we had more students riding their bikes to school the next day, I am glad to see them being used so quickly. I have been repairing the uneven concrete joints a section at a time. The worst joints seem to be along the car pool lane, in front of the school. We have purchased a new snow blower for the walk ways around the building. With the heavy snow storms we get, having this equipment will save on the rental fees and transport time. We now have the new asphalt cover on the north road that has been rescheduled several times. We have had the conduit connection made for the fiber optic line that will be run to the school. I have assembled desks, music stands and book cases. The typical plumbing electrical and mechanical repairs along with yard maintenance

continue to take the bulk of my time. There was a risk management meeting. I spoke briefly to the instructor later that day. He commented on how clean and organized are building is, he also commented on are need for more storage space and some possible solutions. I have had a temporary janitor working the night shift. Carl has been out for three weeks with leg problems he is recovering well and will be back to Work shortly. The building continues to be in a clean, safe and well maintained condition.

#### President's Report for November

I recently went to a showing of the movie "Waiting for Superman". Here is a brief description of the movie: "Waiting for Superman, directed by Oscar® winner Davis Guggenheim, and distributed by Paramount Pictures examines the crisis of public education in the United States through multiple interlocking stories. Designed to start a national conversation, the movie aims to inspire everyone to create innovative and long-term solutions to help change the course of our kids' lives for the better."

I was deeply touched by this film and hope that this movie does indeed spark a dialog not only about how we look at our current system of education in this country but create opportunities to discuss real and lasting solutions that will put the focus on helping each student receive the quality education they deserve.

I would like to invite all Lakeview students, parents, teachers and staff members to see this emotional film. You can still see "Waiting for Superman" during the next couple of weeks. Please take time to check the <u>Salt Lake Film Society</u> website for movie times

In light of this movie, and to help further encourage the much needed dialog; the Utah Charter Association would like to supply the local media with stories of success from Utah's charter schools. They would like stories and examples of how charter schools are giving families more choice and opportunities. I strongly encourage Lakeview parents, students, teachers, staff members and fellow board members to respond with your success stories. We have an incredible school with wonderful things that happen every day and we should be proud to share our successes with others.

I continue to attend the Utah Charter School Association monthly meetings. This past month we as a member school voted to pass the association's bi-laws and participated in electing four new board members to the association. It was an interesting process and one that I feel will bring positive results to the movement of charter schools in Utah.

As I fulfill the weekly financial and contractual responsibilities associated with the school I am happy to report that we are financially stable and the board and the director work diligently to make sure funds and resources are allocated effectively.

I was thrilled to hear that our school's enrollment as of October 1<sup>st</sup>, was 711 students. That is our highest enrollment to date! What an accomplishment! I want to express sincere gratitude to our dedicated teachers and our incredible staff for making that milestone happen. I look forward to seeing our numbers continue grow.

I am still working on completing the board training for the new members of the board and hope to have that completed by the first of the new year.

As a board we have been focusing heavily the last several months on strategic development for the school. Our first two projects have been:

1) Streamline the evaluations of key staff members

2) More clearly define the roles and responsibilities of governing board members and create a system of accountability for the board of trustees.

This has been a good process for the director and the board of trustees. We are confident that the outcomes of our discussions will yield great results.

#### October Board Report

I have enjoyed assisting in many activities at the school this month:

- 5<sup>th</sup> grade camp It was a huge success. Parents and students are raving about this activity. I know it will be a legacy for this school in the coming years
- Kindergarten field trip-I enjoyed my time with our youngest students at the pumpkin patch. I love they excitement and joy for life. I almost got stuck in the slide, but made it out.
- I attended the premiere of the new movie "Waiting for Superman" There is legislation trying to put charter schools under school districts. I think this movie is a must see for teachers, administrators, parents, and students. Our students' education and the history of education in our city, community, and country need our best effort. We all need to help and become involved.
- Complied the staff birthday cards for the month of October.
- Attended board meeting.

I had a baby girl this month so I took the month off. However I did put the board packet together and attend the faculty pot luck on October  $20^{\rm th}$ .

#### Alan Daniels

Since the last board meeting I have spent a bit more time looking into different surveys, with little feedback to report. I will have attended the "Waiting for Superman" film between the submittal of this report and the November board meeting. So as of this time, I have nothing to report regarding the film, although I do hope it is enjoyable and thought provoking. I have reread the dress code policy, looking to clarify a question that was raised to me.

I attended the monthly teacher pot luck on 10/20 and was introduced by Mr Stone as the newest Board member. In asking the teachers what they taught I had the chance to introduce myself as the father of "many" students. I had a great time visiting with them and the food was great! Who ever made the chile did an excellant job. The teachers were having a good time, the Board was welcomed back every month, and I enjoyed the experience.

# Lakeview Academy Board of Trustees Meeting October 7, 2010 minutes

#### I. Roll Call

Alan Daniels, Cory Thorson, Joylin Lincoln, April Thomson

#### II. Executive Session

#### 1. Educational Coordinator Report

The board was very positive about the great things we are seeing at Lakeview Academy. The general consensus is this is the best year yet. Mrs. Stone is in the process of putting together an enhancement calendar. She is working hard with the teachers on this and demanding the elementary teachers make sure there are curriculum ties this year. The teachers will turn in both a portfolio and enhancement plan in the next few weeks. The common core is changes that are going to occur to the state core that will align us better with the rest of the nation. It was first thought that we would have a few years to implement the new core but it appears that the state will have each school start to implement it next year. This will be slightly difficult because the core is not expected to be complete until during the summer of 2011.

Tina Smith arrived at the meeting.

#### 2. Director Coordinating Session

The board was very positive about the great things we are seeing at Lakeview Academy. The general consensus is this is the best year yet. Board members had heard great things about the 5th grade overnight trip. The board reviewed the accreditation timeline with Mr. Stone. He was able to answer the questions regarding the committees, the school wide culture, and how the plan will build on the charter. It was decided that the board of trustees, would handle the employee appreciation dinner. This will be in February and Tina Smith will put together a proposal for the November board meeting. The board and Mr. Stone went through the calendar for items that are due in November and the state report schedule. The status of 9th grade was discussed. Several different points of view were shared including waiting to decide until after 2013 when Alpine School district moves the 9th grade over to Vista Heights and the to be built middle school in Eagle Mountain, making 9th grade very appealing by taking a class trip, marketing the middle school more efficiently. The bulling and Hazing policy was addressed and Mr. Stone needs to turn in administrative procedures that are in compliance with the policy and state law. The board was updated tile fundraiser. Tina Smith informed Mr. Stone that all forms that parents sign need to go through Risk Management for review before they are used to that the school is covered.

Justin Turner arrived at the meeting.

Questions about the agenda
 There were no questions about the agenda.

4. Board Picture Taken

The board picture was postponed until November 4th because Kim Wright has been excused from this meeting.

#### ACCEPTANCE

Lakeview Academy does hereby accept the Utah Charter Schools Interlocal Risk Pool Trust Self-funded Employee Medical Benefit Plans (Care Plus – Plans 1 and 2) and agrees to make the same available to all eligible employees of Lakeview Academy, and their eligible Dependents as of September 1, 2010. Dependents of the Employee eligible for coverage include unmarried Dependent children from birth to the 26<sup>th</sup> birthday and the Employee's Spouse.

If the Employee enrolls within 31 days of his employment, the Employee's coverage (and the coverage of his eligible Dependents, if such Dependents were also enrolled during such 31-day period) becomes effective the first same day of the month if the Employee is working by the 10<sup>th</sup> of the month.

The Utah Charter Schools Interlocal Risk Pool Trust Self-funded Employee Medical Benefit Plans are effective for the 12-month period beginning each September 1, and ending on the following August 31.

Under the requirements of the Consolidated Omnibus Budget Reconciliation Act of 1986 (COBRA), a Covered Person who could otherwise lose coverage as a result of a "qualifying event" is entitled to elect to purchase medical continuation under the Plan. Educators Mutual is the COBRA Administrator for Lakeview Academy.

Lakeview Academy further represents and warrants that it has thoroughly reviewed and understands the Administrative Services Agreement entered into by and between Utah Charter Schools Interlocal Risk Pool Trust and Educators Mutual Insurance Association of Utah and the Specific Medical Excess Reimbursement Stoploss Agreement entered into by and between Utah Charter Schools Interlocal Risk Pool Trust and Educators Health Care, Inc., and agrees to be bound by the terms of those Agreements.

Lakeview Academy agrees to pay the following billed rates on a monthly basis, at least two business days before the end of the month in which they are billed, as outlined in the Administrative Services Agreement:

CARE PLUS PLAN #1	Employee	Employee + One	Family
BILLED RATES PER EMPLOYEE PER MONTH	\$352.33	\$778.06	\$1101.00
Administrative Costs Claims & Stoploss Costs (Refer to Specific Medical Excess Reimbursement Stoploss Agreement)	\$ 58.00 \$294.33	\$128.06 \$650.00	\$ 181.22 \$ 919.78

#### Copier Proposal

**Proposal Title:** New Copier For Lakeview Academy

**Submitted by:** James Fillmore

**Sponsoring Administrator:** The Entire Administrative Team

**Proposal Abstract/details:** Lakeview Academy has two copiers currently, one is located in the middle school the other is located in the Copy room. The copy room unit was purchased two years ago, and is a fairly nice machine. The copier in the Middle School however, is much older. It was purchased in our first year of operation, as a result, not only to its age, but to its use, the copier has done well over a million copies. That is an average of almost 20,000.00 per month. However since it has been moved it has been used a great deal less. It is a shame that the unit is not going to last much longer, but the unit is basically falling apart. The copies and prints that it makes are all grey, from the repeated toner dumps, and broken parts.

It is the belief of the people here at Lakeveiw, that the copier is in dire needs of being replaced. I have done a great deal of research into different units available, as well as different ways to purchase the unit. In my research I have learned that we need to be able to not only use the unit as a copier, but to also use the unit as a scanner so that our teachers can better take advantage of digital technology to record their students "analog" work.

The copier that I have decided to recommend is a Sharp MX 2600 digital workstation. I have also worked with the people at Les Olsen company to find the best options for our school. Those options are:

- MX-31 Stand this will simply put the unit at the right height for people to use the
  unit comfortably. I was going to put papertrays here so that there would be less
  loading of paper, but as you will see from the next item, I decided to go with the less
  expensive stand.
- 2. MX-LCX1 Large capacity Drawer 3500 sheets. This unit holds 3500 pieces of paper, that is 7 reams of paper at one time. There is also a 500 sheet tray, and a 300 sheet tray in the copier. This will allow for less frequent filling. The unit sits on the side of the copier.
- 3. MX-SN9 Staple Finisher this allows us to create stapled documents for presentations and for board packets and the like.

The copier is also a color copier, which does have a slightly higher per print cost, however the unit comes with a great deal of backend software that will integrate directly with our existing active directory, allowing people to use the same login they already use for their computers to access the copier, but it will also allow us to set monthly limits on the number of color copies used. This unit also comes with a lower per print cost than does our other copiers.

Since the unit is on a state contract, we are not required to have additional quotes for copiers; however I had already done the research on other copiers, so I have attached them as well. Because of the state contract we can also get a very inexpensive service agreement with Les Olson company. The rate is \$0.00975 per black and white copy, and \$0.0525 per color copy.

I believe that this unit will allow all of us to be more productive and create better materials for our students, creating more confident, capable and contributing students.

- 3) Are funds being requested? If so how much and from what budget category? Yes funds are being requested. The unit totals \$6207.00 with all of the additional options on the copier. The place I would recommend that we use the funds from is the \$52,000.00 surplus that we built into our original budget. We left that money set aside in case we needed something that we didn't anticipate, this copier certainly falls under that category.
- 4) Does this replace a current program or policy? If so, please attach a redline version of requested changes. Nope

Policy Type: Required Policy Policy Title: Extracurricular

Policy

The Board of Trustees recognizes the importance of offering a comprehensive, balanced school program to all <a href="Lakeview Academy"><u>Lakeview Academy</u></a> students. Extracurricular activities which are designed to enhance the total development of the student - mental, physical, social, and emotional - shall be available. Reasonable rules and regulations which govern the eligibility of students are established to ensure that participation in extracurricular activities does not interfere with the academic achievement of participating <a href="Lakeview Academy"><u>Lakeview Academy</u></a> students.

#### A. Generally

Student activities are extracurricular and supplement the regular school curriculum. Student activities are voluntary and do not carry credit toward graduation. They take the form of special interest groups, honor societies, athletic teams and other extensions of classroom work. All extracurricular activities are designed to develop capable, confident, and contributing members of society. Extracurricular activities and the eligibility requirements shall be approved by the Board of Trustees. All student organizations and activities shall be under the direct supervision of the school director(s) or a designee, and shall supplement the regular program of the school. They should be evaluated periodically to ensure that interruption of the instructional programs are avoided. Lakeview sStudents should not be permitted to engage in such organizations and activities to the detriment of their classroom work.

#### B Categories

Extracurricular activities are divided into four general categories:

- 1. Interscholastic and intramural athletics.
- 2. Activities stemming directly from classroom studies. Examples are student government, musical productions, <u>band</u>, dramatics, debate, the school newspaper and literary publications.
- 3. Activities designed to promote interest in academic achievement and/or specific subject areas. Examples are the National Honor Society and subject matter organizations.
- 4. Activities which promote general educational goals and are school-oriented. Examples are service and special interest clubs.

#### C. Access to Extracurricular Activities

Access to and participation in extracurricular activities shall be open to all <u>Lakeview Academy</u> students as provided in state and federal regulations, and school board policy.

#### D. Supervision

The administration shall appoint qualified members of the faculty, or in the absence of qualified faculty members, may appoint qualified community members who are PALS II certified as sponsors for each activity. The sponsor shall be responsible for the guidance and general supervision of the activity and shall ensure that all actions conform to school policies and regulations and state law. The supervisor will ensure that all students have been properly picked up before leaving the school grounds. School policy and fees regarding late pick up will apply for all extracurricular activities.

#### E. Team Practice/Club Rules

Coaches and sponsors will establish and submit team/club rules and regulations using the extracurricular activities form to the Director(s) for approval. The extracurricular activities form will need to be filled out each year and will be kept on file in the office.

Formatted: Font: Bold

#### F. Permission by School Director

The actions and activities of each organization must be approved by the school director by submitting the proper activities form.

#### G. Financial Support

The school sponsored extracurricular activities named in Section B-1 and B-2 may receive partial financial support. Transportation may be provided, or the cost of transportation may be paid from appropriated funds.

An estimate of funds required for each activity shall be submitted to the school director for approval prior to February 1st of the previous school year. This estimate shall be submitted by the sponsor of the activity for inclusion in the individual school budget.

The school sponsored extracurricular activities covered in Sections B-3 and B-4 should be financially self-supporting. School transportation for these activities, however, may be requested. If it cannot be provided, then vehicle transportation may be by commercial means, or by private car under regulations established for such use.

#### G. Parental Permission

In each instance when an organization schedules an activity after school or away from school parents will be notified and written permission obtained.

#### H. Fraternities and/or Sororities

Fraternities, sororities or any clandestine organization shall not be permitted in the school division. The director shall inform students that activities associated with such organizations shall be prohibited at school.

#### I. Lakeview Academy Student Participation

Lakeview Academy students involved in extracurricular activities at Lakeview Academy should recognize that their selection and/or participation is a **privilege not a right**. As with all privileges, there are responsibilities a student accepts when he/she agrees to become a member of an athletic team and/or club. The athletic staff, faculty and sponsors are extremely proud of their students and their accomplishments. These students represent the level of excellence that has become synonymous with Lakeview Academy. Specific guidelines for Lakeview students assist them in maintaining exemplary behavior both on and off the field and in and out of school. Participation in extracurricular activities is dependent upon compliance with all applicable rules and regulations. A minimum requirement for all students for participation is good citizenship. Students are expected to abide by all school, team and club rules, policies and regulations, and to comply with all state laws.

#### A. Grade Requirements

A student must have a 2.0 GPA and not be failing any class. A student who has failed to meet the minimum requirements set forth shall be ineligible for participation in games, concerts, club meetings, etc. until grades meet the requirements. Attendance at practice is not prohibited. The administration will set up a written procedure for checking grades so that they are checked consistently through all extracurricular programs. This procedure will be distributed to parents

#### **B. Class Attendance**

1. Students must attend all scheduled classes on the day of a competition/activity to be eligible to participate in extracurricular activities that day. Exceptions must be cleared through the director **AND** your coach/sponsor notified.

- 2. Classroom behavior is expected to be good. Poor behavior, class disruptions and/or teacher referrals may result in exclusion from an activity at the discretion of the director, coach, sponsor, or teacher.
- 3. A student who is suspended from school may not attend practice/club meeting or participate in any school-sponsored activity for the duration of the suspension and may forfeit the opportunity to play for the remainder of the season depending on the severity of the offense. This includes in-school suspension.

#### C. Court Disciplinary Action

School officials may suspend a student from participation in extracurricular activities who has been charged with a misdemeanor or felony involving violence, weapons, alcohol and/or substance abuse until disposition of the charges. The student must report the incident to the coach/sponsor. The coach/sponsor will present the facts as known to the school director whom will determine eligibility for participation. School officials may deny participation in all extracurricular activities to any student convicted or found "not innocent" of a misdemeanor involving violence, weapons, alcohol, and/or substance abuse or any felony charge. The student may appeal for reinstatement the following semester.

#### D. Hazing

Students are expected to follow both the discipline policy and the hazing policy. Any violation of either of these policies regardless of the severity the director and parent will be informed of the instance immediately. The director will then inform the Board of Trustees and the Police will be notified if needed.

#### (delete next section)

Students may not engage in hazing or other mistreatment to another student. Hazing demeaning or assaultive behavior, whether consensual or not, including behavior involving physical violence, restraint, improper touching, or inappropriate exposure of body parts not normally exposed in public setting, forced ingestion of any substance, or any act which would constitute a crime against a person or public order under Utah Law. Based on the severity persistence and effect on the victim the following may occur: warning, detention, in school suspension, 1-10 day out of school suspension, and possible referral for explosion. Regardless of the severity of the Hazing the director and parent will be informed of the instance immediately. The director will then inform the Board of Trustees and Police will be notified.

#### E. Substance Abuse:

The staff at Lakeview Academy believes that all participants in extracurricular activities should commit to a healthy lifestyle. This lifestyle includes not using alcohol, tobacco or any illegal drugs. Prior to making a determination that a student may be subject to any exclusionary consequence as a result of substance abuse, the coach or school authorities shall give the student the right to explain his or her conduct. The student with his or her parents' permission may voluntarily submit to an appropriate drug test (if applicable) to attempt to establish that he or she has not violated the drug policy. The result of any such testing shall be kept confidential, but shall be communicated to the student and his or her parent/guardian and appropriate school authorities.

#### 1. On School Grounds

The Lakeview Academy Regulation will be strictly adhered to in instances while on school grounds or while participating in school-sponsored activities.

#### 2. Off School Grounds:

<u>In cases where there is evidence of a student in violation of the policy Lakeview administration will look into the matter and take appropriate action.</u>

\*Please Note: In the case that a student is found in possession of tobacco, alcohol, and/or any other illegal substance, that student will face the same consequences (listed above) as one who has actually abused the above substances

#### F. Appeals process

Students and their parents/guardians may appeal decisions related to the Extracurricular Participation Policy. The appeal process works in the following manner:

First Appeal......Coach/Sponsor

Second Appeal......Director

Third Appeal.....Board of Trustees

#### **Employee Appreciation Dinner Proposal**

**Proposal Title:** Employee Appreciation Dinner

Submitted by: Tina Smith

**Proposal Abstract/details:** In an effort to meet the Parent and Staff Ends policy, I would like to propose a dinner in February of 2011 for all staff members and a guest. The goal of this event would be to provide an opportunity for the board to communicate to the entire staff our appreciation of their daily efforts and let them know we value them as vital resources.

#### Please provide information to the following questions:

8) Proposal supports the charter by..?(Please site reference page)

On page 8 of the charter it states:

"The teachers at Lakeview will be considered a vital resource...."

I would extend the definition of "teachers" to include all staff at Lakeview. The success of Lakeivew doesn't depend on just one individual, but a collective effort of many dedicated individuals working towards a common goal – helping kids become confident, capable and contributing members of society.

- 9) Are funds being requested? If so how much and from what budget category?
  - a) Yes funds are being requested I would like to propose a \$5,000 increase to the Employee Motivation budget line item.
  - b) Since the board has delegated oversight of that line item to the director I propose that a board member(s) work with the director in coordinating the specifics and financial expenditures of the event.
- 10) Does this replace a current program or policy? If so, please attach a red-line version of requested changes.  $N\!/\!A$
- 11) If a new program/policy, please attach the policy or program proposal. N/A
- 12) Please attach any other options that may be considered.
  - a) I am open to other possible budget line items from which to take the funds.
- 13) Please attach any relevant information.
  - a) My general thoughts are that we would provide a nice sit down dinner, entertainment and potentially a gift card.
