Members of the South Salt Lake City Council
220 East Morris Avenue
South Salt Lake City, UT 84115

Dear Council Members,

I'm writing in support of the proposed general obligation bond for the preservation of open space within the City of South Salt Lake.

I believe that the preservation of open space in a community like South Salt Lake is important for the quality of life of its residents. This city has a very small proportion of open space in relation to almost all our surrounding communities. I fully support adding parks for our families to play, exercise and relax in and believe the funds from this bond will go a long way towards preserving open space for those purposes throughout South Salt Lake City.

I urge you to support holding a special bond election on November 3rd, 2015 for the general obligation bond to support open space in South Salt Lake City.

Sincerely,
