

Beautification Commission Review

The Beautification Commission serves as an essential component in making Orem a great city. We work to help our fellow citizens and business owners understand and do their part in making Orem a more beautiful and appealing place to live. We recognize and support those individuals who strive to do their part.

Goals for 2016

1. Encourage methods and practices that increase civic pride and enhance the beauty of Orem.

- Make recommendations for landscaping in developing areas (i.e. dog park)
- Commission input on the State Street Master Plan
- Orem City Flower Pot Project – Hanging Flower Baskets
- Partnership with UVU (light pole banners)

2. Make recommendations for neglected or unsightly areas of the city.

- Orem City Center - continued upkeep and care for the flower beds.
- City Flower Project – Adopt-a-Pot project in cooperation with local businesses on State street.

3. Encourage residences, businesses and property owners to participate in spring and fall clean-up activities.

- Partner with Neighborhoods in Action groups

4. Encourage Business and Citizen involvement in beautification efforts.

- Arbor Day Participation
- Orem Summerfest Parade Participation
- Bulletin Board with information and recognition at the City Offices
- Commission Facebook page
- Flower project funding (private and business donations)
- Continuing partnership with Cooks Greenhouse

5. Recognize residential and business owners which have made contributions to the beautification of their properties.

- Neighborhood Awards
- Business Awards
- Holiday Decoration Awards

6. Recruit new members to fill future vacancies on the commission.

Thank You
