The Murray City Museum's purpose is to document, preserve, study, and interpret the history of Murray, including early settlement, community growth, industrial prominence, and modern expansion through exhibits, collections, public programs and research. To fulfill its mission, museum leadership envisions a visible and easily accessible location with space of 7,000+ sq feet to host changing exhibits and interactive experiences that enhance our permanent exhibits and promotes best practices in public access and storage; increase community events and programming within the museum to increase visitation; outreach programming that educates the community and meets educational standards for school instruction; and increased professional staffing who can support enhanced programming and longer museum hours.

V. Next Meeting: June 28, 2016

NOTICE: The Parks and Recreation Office will use its best efforts to accommodate the disabled. Special accommodations for the hearing or visually impaired will be made upon request directed to the Parks and Recreation office 264-2614 at least three working days prior to the meeting.
