

REQUEST FOR COUNCIL ACTION

SUBJECT: Declaring items from various Departments that are no longer of any value or use as surplus property, and authorize the disposition

SUMMARY: From time to time, City Departments may have a need to have unusable, obsolete, irreparable or no longer of any value to the City declared surplus by the City Council. If determined unusable by the City, items may be turned over to propertyroom.com, with which the City has a contract. Per that contract, propertyroom.com would log and track all items turned over to them and the items would then be sold to the public. The City would receive funds in return, with the amount to receive being undetermined at this time.

FISCAL AND/OR ASSET

IMPACT: The items declared surplus may be sold or discarded with proceeds, if any, deposited in the General Fund.

MOTION RECOMMENDED:

“I move to approve Resolution 16- ~~81~~ , declaring items from various Departments that are no longer of any value or use as surplus property, and authorize the disposition.”

BACKGROUND DISCUSSION:

Section 3-1-14 of the City of West Jordan Municipal Code outlines the procedures for declaring surplus process:

3-1-14: SURPLUS PROPERTY:

- A. **Declaration Of Surplus Required:** No city owned property, except such items as are consumed in their use for official city business and as described in subsection E of this section, shall be disposed of or released to ownership, unless such property has been declared surplus by the city council.
- B. **Notification Requirements:** Whenever city property is surplus, unused, obsolete, unsuitable or otherwise no longer needed, the department head having control of such property shall notify the city manager. The city manager shall notify other city departments of the availability of such property. The city manager shall supervise the transfer of such property to the department requesting the property. If the property is obsolete or unsuitable for public use, the property shall be disposed of in accordance with this section.
- C. **Sale Of Property Permitted:** When necessary, the city manager or his designee shall prepare and present a listing to the city council of all city owned property which is obsolete, unsuitable for use and which should be declared surplus. After the city council has declared the property to be surplus, the property may be sold at an auction to the highest bidder. Such sale may be, in the discretion of the city manager, at public auction or by sealed bid.
- D. **Notice Requirements For Auction Or Bid Opening:** Notice of such public auction or invitation for sealed bids shall be published at least once in a newspaper of general circulation in the city at least ten (10) days but not earlier than thirty (30) days prior to such auction or opening of bids. The notice shall describe the property to be sold, the terms of sale and the place and time of such auction or bid opening. The city manager or his designee shall be responsible for conducting such public auction or bid opening. The city manager shall have the right to reject all bids.
- E. **Unsold Property:** If the surplus item is subjected to sale to the highest bidder at public auction and remains unsold, the city manager may sell the surplus item to any person for such price as the city manager deems appropriate or may dispose of as the city manager shall direct.

Subject: Surplus Chair

Hi Melanie,

I have a surplus chair in my area that I would like added to the list, if you'd be so kind.

It's a black leather executive style chair that's falling apart and located in the cubicle next to Cindy Nielsen on the second floor, south side of city hall.

Thanks!

Melanie,

We have two bookcases you can add to the surplus list. There are shelves that go with the bookcases. Also, the other picture shows part of the large wreaths we have to surplus. These are the large wreaths that were hung on the street poles around City Hall for many years.
