

"Expand your Horizons"

Working with the Youth made Easy

By: Collin Devino

"The people were told that by building out Layton will see approximately 30,000 more people."

- Joyce Brown

"Land use is always one of the primary purposes of local government. It is also one of the challenging things a city has to deal with."

- Tom Day

In 1962, while attending Yale, he wrote a paper for an economics class, outlining overnight delivery service in a computer information age

Fred Smith

Today, the shipping juggernaut transports as many as 17 million packages each day!

We have a voice..

- ▶ Northridge High School: 1,810 students
