

REQUEST FOR COUNCIL ACTION

Subject: Resolution authorizing and approving the execution and delivery of a master lease agreement by and between the City and the Municipal Building Authority of the City of West Jordan, Utah and a ground lease agreement, authorizing the issuance and sale by the authority of its lease revenue bonds, series 2016, in the aggregate principal amount of not more than \$25,000,000.

Discussion: The resolution, prepared by Ballard Spahr LLP, authorizing and approving of a master lease agreement by and between the City and the Municipal Building Authority of the City of West Jordan, Utah will give the Building Authority the right to go ahead and issue bonds for the construction of the public works building and enter into a lease agreement with the City for the payment of the bonds. This lease with the City will provide the funds to pay the debt service for the bonds. The aggregate principal amount of not more than \$25,000,000. These bonds are being issued so that the City can finance the costs of a new City Public Works facility and any related improvements, fund any necessary debt service reserve funds, and pay costs of issuance with respect to the Series 2016 Bonds. The City Council along with staff, discussed the possibility of issuing these bonds earlier this year.

It is now time to pass the resolution for the master lease agreement. The resolution needs to be passed so that we can begin the process to issue Municipal Building Authority Revenue Bonds. Over the next several weeks, the City along with our Bond Counsel (Ballard Spahr LLP) and Financial Advisor (George K Baum & Company), will be working to get all of the required paperwork complete, notices sent to the paper, decide on the structure of the bonds, and finally City Council will hold a public hearing to receive input from the public with respect to the issuance of the Series 2016 Bonds and the potential economic impact that the improvement will have on the private sector. The public hearing is scheduled for September 21, 2016.

Fiscal and/or Asset Impact: The City will sell approximately \$25,000,000 worth of Municipal Building Authority bonds. The bonds will be paid back with proceeds from the master lease over the next 20 years.
