

## **FITTS PARK**

The largest city park draws from a wide region, with its natural appeal, numerous pavilions, and focus on passive recreation. This master plan aims to make the City's legacy park a destination and appealing for a wider range of patrons and also improve the park's natural assets.

### GOALS

- Make a welcoming gateway at each of the park's two entries
- Establish Mill Creek Trail
- Create a fitness trail and logical pathways
- Expand playground and offer modern, unique play features
- Expand the park to the west to connect to 300 East
- Add restrooms closer to the west end of the park
- Encourage nature play, fishing, wildlife watching and nature based-recreation
- Enhance and restore the waterways to improve water quality, habitat and enjoyment
- Provide places to get "close up" with the water
- Move the Veterans Memorial to a more visible location
- Expand the large lawn area for events and pick-up recreation
- Maintain access to water well on west end for future use.

## **LINCOLN PARK**

This pocket park is tucked within a neighborhood. This master plan aims to make it more active and welcoming to the general public.

### GOALS

- Add basketball court pad
- Install picnic shelter (covered table)
- Selectively remove trees that are not in ideal locations
- Encourage repair of light fixtures on perimeter of park on private property

## **LIONS PARK**

This is the only park for a large section of the city. This master plan aims to make it more lively and appealing to wide diversity of neighbors.

### GOALS

- Expand the playground area and add "destination" features, targeting younger kids.
- Provide a walking path for old, young and disabled to enjoy
- Improve the sustainability of the dog park with rotating turf areas

## **McCALL PARK**

McCall Park is a neighborhood park and stormwater detention basin. This tucked-away park is an attraction for the neighborhood as a place to walk, play, and meet friends.

### GOALS

- Improve safety and encourage more people to spend time here
- Make the park more inviting, enjoyable and more of a destination
- Attract people from the broader neighborhood
- Provide additional play equipment
- Provide a walking path
- Add shade

## **MILL CREEK TRAILHEAD**

Mill Creek Trailhead is a gateway to the future Mill Creek Trail, and a rest spot along the creek corridor. This open space is protected by Salt Lake County to preserve its natural ecosystem. This park has small features that celebrate nature, improve habitat for creatures both in and out of the water. It also gives an orientation to the Mill Creek Trail, which will run for two miles west from this point.

### GOALS

- Create an interpretive trailhead for the Mill Creek Trail
- Provide ecological restoration of the site and creek
- Create habitat for butterflies as a feature of the restoration
- Demonstrate attractive use of native and drought-tolerant plant materials
- Provide a place for people observe nature
- Provide interpretive signage explaining the trail and the ecology of the creek
- Integrate nature-art into the design
- Fix dangerous pedestrian path that directs people onto the street on 500 East
- Create places to sit and enjoy the open space

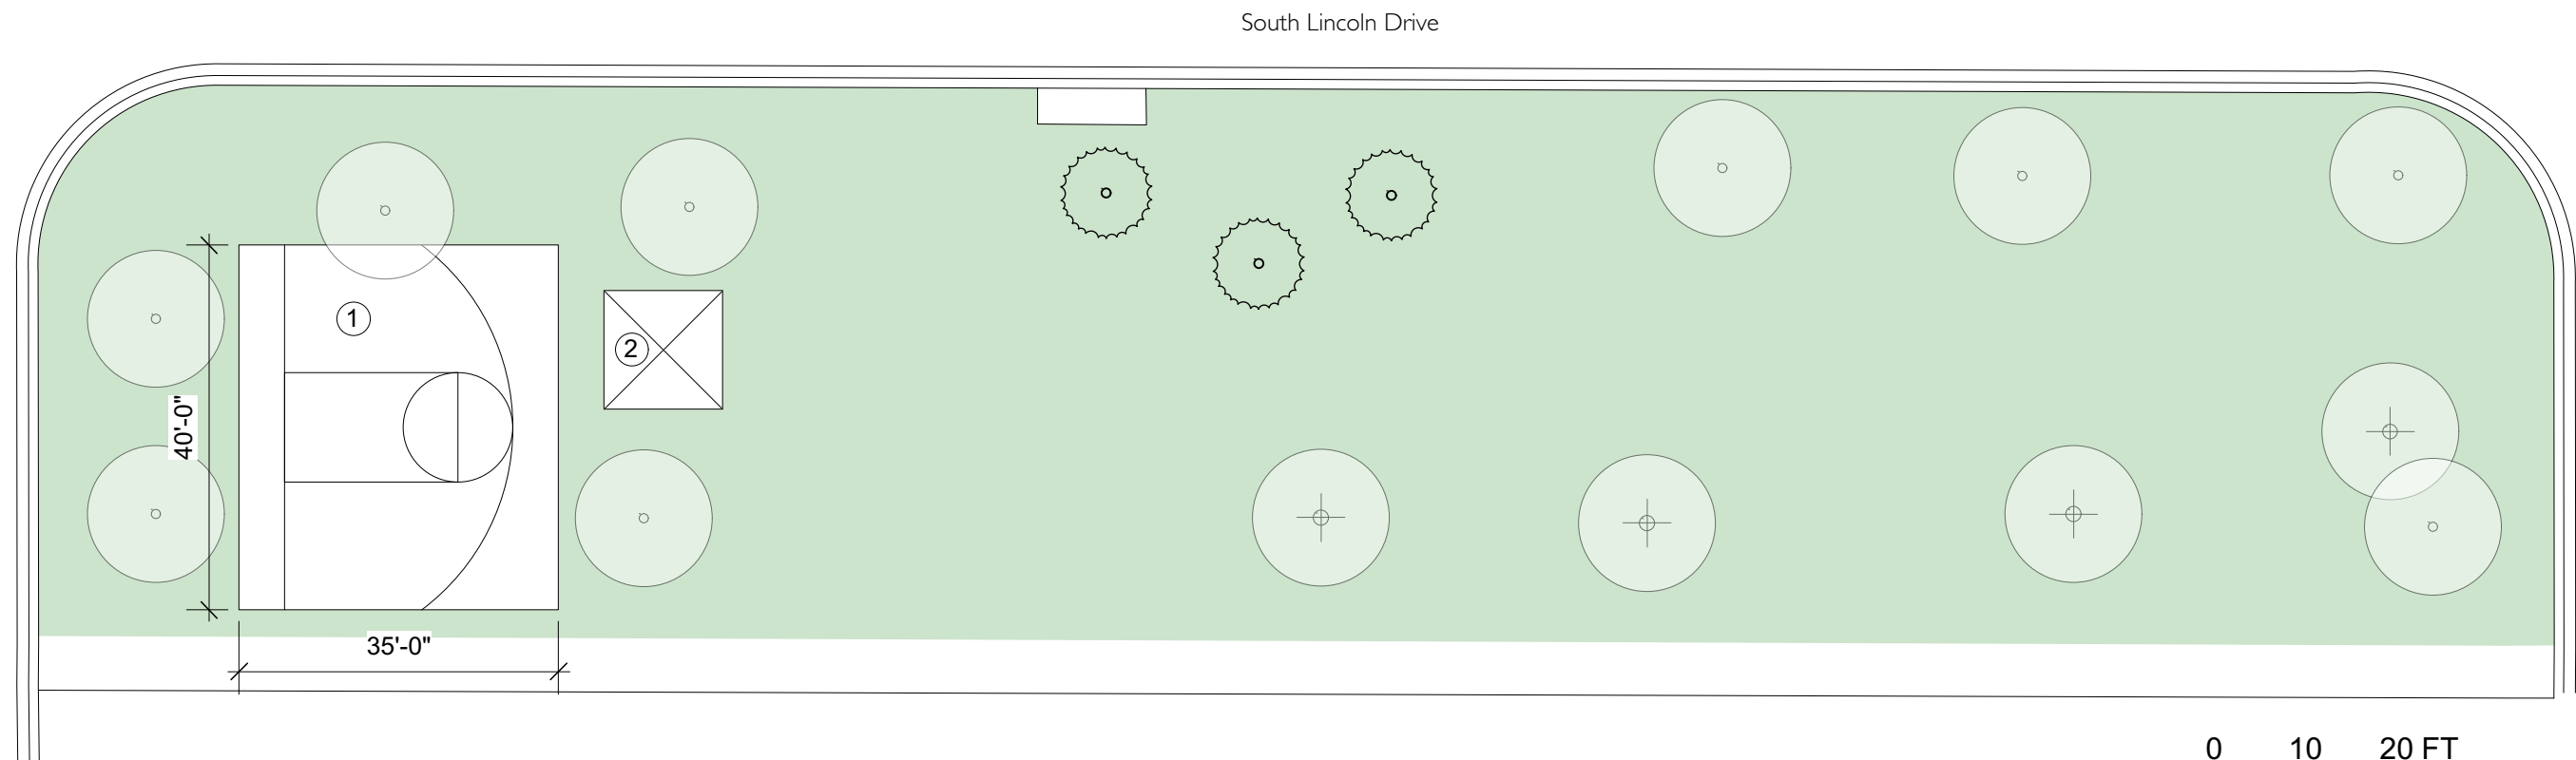

## **GATEWAY GARDEN**

Gateway Garden is a small pocket park along the S-Line Streetcar and Parley's Trail. Its style reflects the S-Line design standards to match the furniture, lighting and paving for a harmonious design. Users often come here as they travel on the trail or train, making it a resting spot or waiting area. It also serves neighborhood needs as this is the only park in the city north of I-80. Small recreation attractions are included to make this a park people come back to over and over.

### GOALS

- Make a welcoming gateway to South Salt Lake on the streetcar and Parley's Trail
- Provide an interesting space for S-Line users to rest along their transit/trail journey.
- Provide open space for the neighborhood, which has limited recreational options nearby
- Create a space that is unique and that also blends into the design of the overall S-Line greenway
- Offer recreation and fitness equipment targeted for older youth and adults.

- KEY NOTES**
1. Half Court Basketball Pad
  2. Picnic Pavillion

#### LEGEND

#### KEY NOTES

1. Pavilion (existing)
2. Swingset (existing)
3. Relocate existing pavilion
4. Dog water fountain
5. Dog park area 1
6. Dog park area 2
7. Dog agility area
8. New chainlink fence sections
9. Walking loop
10. Kompan Sand Desk (NRO510)
11. Supernova or Icarus spinner
12. Corodord large octanet w/ sky cabin and tunnel slide (1032: Package 13/4)

AUGUST 24, 2016

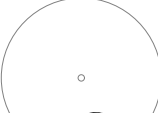

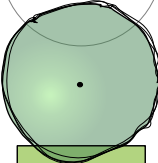

## LIONS PARK MASTER PLAN

#### KEY NOTES

1. Existing playground
2. Existing picnic table
3. Existing detention basin
4. Walking trail
5. Swings
6. Picnic shelter
7. Kompan double swing (KSW91059-0809)

#### LEGEND

-  Existing tree
-  Proposed tree
-  Lawn
-  Playground surfacing (wood chips)
