**Utah School to Work Interagency Transition Initiative**

**Presenter – Tricia Jones-Parkin**

DSPD won a grant to build capacity to provide competitive employment for youth and young adults. The Division, Workforce Services, Vocational Rehabilitation, Special Education, ASPIRE project, DD Council, Parent Center joined in an agreement and received the grant.

A program level position has been posted, time limited, to improve these efforts. Outcome measurement system is being developed for data share across states. Tricia met with Special Education directors and we've heard great outcomes for discovery.

Q: Is this also aimed at kids with Supported Living Services?  
 We have some latitude to bring in curriculum.

**1.3 Directive Review:**

**Presenter – Joey Hanna**

The Division updated the ICD9 to ICD10 (ICD=International Statistical Classification of Diseases and Related Health Problems) reference, Comprehensive Brain Injury Assessment (CBIA) 2.0 to 3.0, and a reference to the annual State Eligibility Committee directive (not completed yet).

Ryan will send out the directive and will take feedback.

### **Analysis of One-Time Respite**
