Ms. Pat Smith, Library Director
San Juan County Library

Dear Ms. Smith,

I would like to express my interest in filling a vacant board position within the San Juan County library board, where I can use my skills and passion to help the board reach its goals and objectives.

Throughout my career I have had intensive experience with inventory management, P&L reports, marketing and business growth over several locations in a designated territory.

I am married and have a three-year-old daughter. I am currently a full-time student at Utah State University Eastern Campus and taking the classes at the Monticello learning center location. I am currently working towards a major in English with an emphasis on teaching and I have a minor in criminal justice. I am one semester away from my associate degree with an accumulative GPA of 3.95.

I have lived in San Juan County since February of 2014 and decided that since I live here and love my community, I would like to be more involved in the community. I have always had a genuine interest in politics and positions that can have an actual influence on the community.

I am very goal oriented and committed to my passions. I work very well with others in a group setting and enjoy learning from others. I have a logical point of view with a very proactive personality.

I think I will be a great addition as a member of the board for the San Juan County Library and look forward to taking and working with the board.

Sincerely,

Ryan Stuart
