

San Juan County Commissioners

Three applications have been submitted for approval to fill the Mexican Hat Special Service District Board which has been governed by the county commissioners for several years.

Julie Sword (Chairman) and Travis Sumner (Treasurer) ask to be added to the October 2nd Commissioner Meeting Agenda to complete the approval process and to discuss the needs of the future MHSSD Board to create a permanent office/meeting space in Mexican Hat at the Mexican Hat Fire Station which was designed for this purpose and to deal with any other issues that need attention.

Joy Howell (Secretary and current Advisor) will not be present at this meeting.

Re: Application for Chairman of the Board of the

Mexican Hat Special Service District of

Mexican Hat, UT 84531

Dear members of the San Juan County Commission,

I would hereby formally like to apply for the position of Chairman of the Board of the Mexican Hat Special Service District, Mexican Hat, San Juan County UT.

I, Julie Sword, have been in business in Mexican Hat, Utah since 1978, operating the San Juan Inn and Trading Post, inc. In my years here I have done the administrative duties for the Mexican Hat water and sewer district before the county took it over. We also collectively ran the electric company back in the day! I sat on the Board of the San Juan County economic development council for 8 years. I have been involved heavily in the district workings in the past and would like to put my renewed energies back into our town for the future.

Being a fulltime resident and major employer in Mexican Hat I feel I am uniquely qualified to help steer this town in a fiscally responsible way. I know our problems personally as I live with them.

Thank you for your consideration,

Julie Sword,
