BENEFITS AND OPINIONS

BENEFITS TO THE UTILITY

- Significantly lower printing and mailing costs
- Great looking bill statements
- Keep your current print provider
- No extra work for utility staff
- Final approval of all discount coupons
- SureCheck (a statement validator that looks for errors in the amounts field. We have found errors in billing systems that had been in place for years)
- Online bill statements
- Have money to hire an extra employee or ...
- Reduce high bill complaints (with weather-adjusted consumption history)
- Waived bill design fees for pilot customers
- Waived setup fees for pilot customers

BENEFITS TO CONSUMERS

- Bill statements that are very easy to read
- Saves consumer money
- Provides consumption pattern feedback
- Promotes local companies
- Boosts local economy
- Local companies have a cost effective way to promote themselves
- Online bill statements

SURVEY RESULTS

Q. Tell me what you think of this statement?

I hate the ads

Q. What if I told you it would save \$6 per year on your utility statement?

I love them put them on my statement

I really like this bill. I like the graph that shows me my usage for the year so I can see when I use the most energy.

I like color bills. It makes it easier to read

I like it, it's easy to find the amount due

I have never seen coupons on a bill. That's a great idea.

Q. What do you think of the discount coupons?

I like that they are doing what they can to lower my utility bill

I like them I would use some of those

I would keep this somewhere so I could use the coupons

I like that they are trying to lower my costs but I personally wouldn't use the coupons. I do think it is a good idea though because lots of people would use them

I assume this is for local businesses and would help support them

I like this, it feels like the utility is giving me something back

Q. Do you want your utility to use the new bill design?

Everyone said yes. On a 1-5 scale yes was a 4

Q. Do you want your utility to use the new bill design if it would save the utility thousands of dollars a year?

Everyone changed their response to Absolutely yes or a 5
