

**SALT LAKE CITY CORPORATION
SALT LAKE CITY COUNCIL
NOTICE OF CONTINUED HEARING**

NOTICE IS HEREBY GIVEN THAT ON Tuesday, October 15, 2013 at 7:00 p.m., a public hearing will be continued in Room 315, Council Chambers, City County Building, 451 South State Street, Salt Lake City, Utah, before the Salt Lake City Council to accept public comment and consider adopting an ordinance adopting the Circulation and Streetscape amenities Plan for the Sugar House Business District. The plan proposes ways to improve transportation in the Sugar House Business District by making use of public transit, managing automobile parking, and increasing walkability and opportunities to bicycle on streets. Proposed ideas include closing the right turn lane south of the Monument Plaza, realigning Sugarmont Drive, and Wilmington Avenue, increasing safety on Highland Drive between 2100 South and the I-80 overpass by changing to two traffic lanes with a center turn lane and adding bike lanes, dividing large blocks, adding bicycle lanes on parts of 2100 South, and connecting Parley's Trail between the Fairmont Aquatic Center and Hidden Hollow. If adopted, the plan would be an addendum to the Sugar House Master Plan. All persons interested and present will be given an opportunity to be heard in this matter. Assisted listening devices or interpreting services are available for all public meetings. Salt Lake City Corporation complies with the American Disabilities Act (ADA). For further information, contact the TDD number 535-6021. By order of the Salt Lake City Council this 1st day of October, 2013.
