WORK MEETING WITH THE PLANNING COMMISSION: TRAINING ON AND DISCUSSION OF LAND USE AND ZONING ORDINANCE CHANGES

Commissioner Jarrett states the purpose of this meeting is to talk about general things that we need to keep in mind as planning and zoning decisions are made. This is driven by a petition that is before the planning commission requesting that a new zone be added to allow airports. She turns the time over to County Attorney Ross Blackham to explain the process that needs to be followed if the zoning ordinance is changed thereby adding new zones. Discussion is held and questions are addressed.

The meeting is adjourned at 7:01 P.M.
