

Suggested CERT Kit Items

The Community Emergency Response Team (CERT) is all about neighbors helping neighbors and doing the greatest good for the greatest number of people. In addition to training, a CERT member needs to prepare for emergency response by having the necessary tools and equipment. This suggested items list will give you the tools to help keep yourself safe and to effectively serve others in your community. Most items can be found at any hardware or emergency preparedness store, or do an on-line search for "CERT supplies".

Optional items are indicated with an asterisk (*).
