

Statement of Fees- FY2024

Based on advice of counsel, it is UCA's policy and practice to obtain an agreement/contract/MOU with any agency/entity to whom UCA leases space or provides services. Even though each and every contract can be individualized, UCA does have general rates for such services, as shown below.

Radio Service for federal/private radios	\$29/month
Radio Programming	\$10/radio
Connecting non-PSAP Console to System	\$4,750/console
Rack Space	Negotiated based on market and
Tower Space	Negotiated based on market and
Technician Services (business hours)	\$110/hour
Technician Services (after hours)	\$155/hour
Microwave Circuits	Negotiated based on market and
Other Services	Negotiated based on market and
