Which position are you applying for?

A PSAP from a county of the 1st class

Why do you want to serve as a member of one of UCA's Advisory Committees?

I feel this would be an opportunity to be more involved going forward with up and coming changes that impact the county and opportunity to learn and appreciate a deeper understanding of the PSAP's here in Utah and how we are inevitably connected. I feel strongly that it is important to serve and to be a voice and I would be honored to be afforded such an opportunity. I enjoy working collaboratively and this would absolutely foster that connection with our fellow PSAP's.

Please explain how you meet the criteria to serve in your selected position and give a brief summary of your relevant knowledge and experience.

I have been the Deputy Director of Salt Lake City 911 since March of 2022. I am currently the Interim Executive Director of Salt Lake City 911. I have been in Interim for several months and will remain as such for an extended period of time. Prior to coming to Utah my public safety career has been ongoing since 2008. I have worked with a multitude of diverse dispatch centers over there years. I began with Sandoval County Emergency Communications Center which dispatched for multiple cities, the county itself and the pueblos there in. I later moved onto to NM State Police before being recruited to help open Sandia Pueblo Police departments independent dispatch center after they separated from their county dispatch. It has allowed me to have a well rounded view of the various types of centers before coming here to Utah where I intend to stay.
