Structures in Roadway

Ordinance Needs: Structures in Street

12.04.020 Incumbering or obstructing street--Permit required.

No person, association, company or corporation shall encumber or obstruct or cause to be encumbered or obstructed, any street, avenue, alley or other public place in the town by placing therein or thereon any building materials, trash, garbage, rubbish, debris, or any article or thing whatsoever, without first having obtained permission in writing from the town council of the town. (Ord. 27 (part), 1967)

12.04.040 Structures in streets--Permit required.

No building or other structure, in whole or in part, shall be erected or placed upon any street, avenue, alley or public place within the town without permission in writing of the town council first had and obtained. (Ord. 27 (part), 1967)

Ordinance Needs: Parking/Camping

10.08.020 Parking prohibited.

G. No person shall camp in, or occupy as, a temporary sleeping area any vehicle or temporary structure, including but not limited to tents, vans, pick-up campers, travel trailers, fifth wheels or motorhomes on any town property, including but not limited to streets and avenues, town parks, improved or unimproved town lots, or town facility parking lots at any time. The town council may waiver this requirement (by majority vote) for organizations with specific pre-planned events beyond the capability of local campgrounds, and set costs for this waiver at a level they consider to be appropriate.

C. *Camping Prohibited.* It is unlawful to park any motor vehicle, commercial vehicle, or recreational vehicle on a public road, street, alley, or private property, for purposes of human habitation or overnight camping. Any vehicle parked or left standing in violation of this subsection for a period exceeding four consecutive hours may be impounded or removed by a peace officer or other designated official, and the owner may be fined as provided in this chapter.
