BOARD REPORT(S)

STAFF REPORT(S)

1. Amphitheater Update, Lori

Lori announced that the musical, Cinderella is underway right now and it is going really well. We had a full house last night, July 10, and we were almost full on July 8, and 9.

2. Fun Days Update

No update at this time.

3. Theater Update, Lori

The construction of the theater is moving forward. The rough work is now complete, and the marquee will be coming down to be replaced with a new one that will look like the original.

BUSINESS ITEM(S)

Centennial Celebration

1. T-Shirt, Logo

It would be really fun if we could involve the citizens of Murray in helping us create the design of our 100-year Centennial shirts with all entries to be placed somewhere on display prior to or during the celebration.

2. Games

We would like to turn the games over to our recreation department. We would like to have old-fashioned games such as horseshoes, cornhole, tug of war, or even baseball games.

3. Car Show

It is suggested that we allow only historic 100-year-old cars into the show with the option to have props or costumes and take photos in front of the old cars.

4. Pie & Ice Cream

With the help of the Rotary Club, we will be having soft-serve ice cream and pie as well as a pie-eating contest

5. Mayor Speech

This will be held at Pavilion 5 with the board requesting this be decorated to look like an old-fashioned soapbox.

6. Entertainment

With the help of the art board, we will be hosting a variety of different activities hopefully including a Barber Shop Quartet, a live band, a fireman squirt, a flower show in the arboretum, flower crowns, storytellers, jugglers, and a children's art yard with either fireworks or a drone show.

If the Murray Theater is open in time, we will be showing a 1924 film that was shot here in Murray which highlights our volunteer fire department and the smelters. It is a really cute love story, approximately 20 minutes long with subtitles. This will be on a rotation being shown approximately every 30 minutes.

7. Other

Options offered for additional events include booth-style settings around the park, a quilt show, and people dressed up wandering the park along with help from our local Student Government Group.

Lori still is needing to put a budget together and is requesting anyone with suggestions on our event name, to please email her their ideas.

ADJOURNMENT

Peter made a motion to adjourn the meeting at 6:56, and Matt seconded. All voted in favor.
