WFWRD Annual Garbage Person Day Celebration

According to OSHA, the Waste and Recycling industry is ranked among the top six most dangerous jobs in the United States.

WFWRD goes the extra mile to recognize our dedicated team members for their exceptional work.

Customer Satisfaction & Appreciation

On Thursday, May 25th staff and Board Vice Chair, Anna Barbieri from Taylorsville visited Eric Hutchinson at Bennion Junior High School to present him with a Certificate of Appreciation.

Eric is a huge help on our driver's Jr. Vigil and Gage Dekorte's routes. Eric helps pick up fallen cans and works to keep waste and recycling from flying out of cans prior to them being dumped.

We greatly appreciate Eric's dedication and passion for quality waste and recycling collection services, and we hope he will join our team in the future.
