## Important Information

This statement is provided to customers of Wells Fargo Securities, LLC ("WFS"), or customers of affiliated broker-dealers whose accounts are introduced to and carried by WFS. Statements are provided monthly for accounts with transactions and/or security positions. The account statement contains a list of securities held in custody by WFS as of the statement date and provides details of purchase and sale transactions, the receipt and disbursement of cash and securities, and other activities relating to the account during the statement period.

For WFS customers who choose to maintain a safekeeping account at Wells Fargo Bank, N.A. ("Bank"), this statement is accompanied by a separate Bank safekeeping statement. The Bank safekeeping statement, if applicable, contains a list of securities held in safekeeping by the Bank as of the statement date.

**Pricing:** Security and other asset prices shown on the statement are obtained from independent vendors or internal pricing models. While we believe the prices are reliable, we cannot guarantee their accuracy. The prices indicated herein are as of the stated valuation date, which may not be the date of this statement, and are subject to change without notice. For exchange-listed securities, the price provided is the closing price at month end. For unlisted securities, it is the "bid" price at month end. The prices of CDs that mature in one year or less are shown at last price traded. The prices of CDs that mature in greater than one year and of other instruments that trade infrequently are estimated using similar securities for which prices are available. Prices on the statement may not necessarily be obtained when the asset is sold.

**Brokered CD Pricing:** Like bonds, brokered CDs are subject to price fluctuation and the value of a CD, if sold prior to maturity, may be less than at the time of its purchase. Significant loss of principal could result. While WFS generally makes a market in CDs it underwrites, the secondary market for CDs that it does not underwrite may be very limited. In those cases, WFS will use its best efforts to help investors find a buyer.

**SIPC:** WFS is a member of the Securities Investor Protection Corporation ("SIPC"). In the event of insolvency or liquidation of WFS, securities held in safekeeping at WFS are covered by SIPC against the loss, but not investment risk, up to a maximum of \$500,000 per customer, which includes a \$250,000 limit on claims for cash held in the account. SIPC protection does not provide any protection whatsoever against investment risk, including the loss of principal on an investment. This coverage does not apply to securities held in safekeeping by the Bank. Additional information about SIPC, including a SIPC brochure, may be obtained by visiting [www.sipc.org](http://www.sipc.org) or by calling SIPC at 1-202-371-8300.

**FINRA BrokerCheck Program:** WFS is a member of the Financial Industry Regulatory Authority (FINRA). Under its BrokerCheck program, FINRA provides certain information regarding the disciplinary history of broker/dealers and their associated persons. Information can be obtained from the FINRA BrokerCheck program hotline number (1-800-289-9999) or the FINRA website ([www.finra.org](http://www.finra.org)). A brochure describing the FINRA BrokerCheck program will be furnished upon written request.

**Free Credit Balances:** Any customer free credit balances may be used in the business of WFS subject to limitations imposed by Rule 15c3-3 under the Securities Exchange Act of 1934. On demand, a customer has the right to receive delivery of the following: any free credit balances to which he or she is entitled, any fully paid securities to which he or she is entitled, and any securities purchased on margin upon full payment of indebtedness to WFS.

**Equity Order Routing:** WFS customers may request additional order routing information with respect to SEC Rule 606 by contacting their WFS sales representative. There are two reports available to WFS customers under amended Rule 606: (i) the 606(b)(1) held on-demand customer report and (ii) the 606(b)(3) not held on-demand customer report in the six months prior to the request. These reports can be found at <https://www.wellsfargo.com/com/securities/regulatory>

**Equity Extended Hours Trading:** See important information relating to equities trading before and after regular trading hours at: [www.wellsfargo.com/com/securities/regulatory](http://www.wellsfargo.com/com/securities/regulatory).

**Equity Open Orders:** Open orders will remain in effect until executed or canceled by you. Failure to cancel an open order may result in the transaction being executed for your account. WFS has no responsibility to cancel an open order at its own initiative.

**Dividend Reinvestment:** In any dividend reinvestment transaction, WFS acted as agent. Additional information regarding transactions of this nature will be furnished to a customer upon written request.

**Account Transfers:** A fee will be charged to customers transferring their existing WFS account to another broker/dealer or any other financial institution.

**Non-deposit investment products recommended, offered or sold by WFS, including mutual funds, are not federally insured or guaranteed by or obligations of the Federal Deposit Insurance Corporation ("FDIC"), the Federal Reserve System or any other agency; are not bank deposits; are not obligations of, or endorsed or guaranteed in any way by any bank or WFS; and are subject to risk, including the possible loss of principal, that may cause the value of the investment and investment return to fluctuate.**

**When the investment is sold, the value may be higher or lower than the amount originally invested. WFS is a subsidiary of Wells Fargo & Company, is not a bank or thrift, and is separate from any other affiliated bank or thrift. WFS is a registered broker-dealer and member of FINRA. No affiliate of WFS is responsible for the securities sold by WFS.**

**Trade Confirmations:** Investment purchases and sales are subject to the terms and conditions stated on the trade confirmation relating to that transaction. In the event of a conflict between the trade confirmation and this statement, the trade confirmation will govern.

**Listed Options:** Commissions and other charges related to the execution of listed option transactions have been included in confirmations of such transactions that have been previously furnished and are available upon request. Promptly advise your WFS sales representative of any material change in your investment objectives or financial situation.

**Financial Statements:** WFS financial statements are available upon request.

**Customer Complaints and Reporting Discrepancies:** Customer complaints, statement reporting inaccuracies or discrepancies should be promptly reported in writing to:

In the event your account is introduced to WFS by an affiliated broker-dealer as indicated on page 1 of your statement, you should also send a copy of your written correspondence to that introducing broker-dealer at the address appearing on that page.

Customers may also report complaints, inaccuracies or discrepancies by calling 1-800-645-3751 option 5. To further protect their rights, including rights under the Securities Investor Protection Act, customers should also re-confirm in writing to the above address any oral communications with WFS relating to the inaccuracies or discrepancies.

**Mutual Funds:** Institutional Prime and Institutional Tax Exempt money market mutual funds are required to price and transact at a net asset value ("NAV") per share that fluctuates based upon the pricing of the underlying portfolio of securities and this requirement may impact the value of those fund shares. Additionally, Institutional Prime and Institutional Tax-Exempt funds may be subject to redemption fees and/or gates that can affect the availability of funds invested.

Mutual funds are sold by prospectus, which includes more complete information on risks, charges, expenses and other matters of interest. Investors should read the prospectus carefully before investing.

**Muni Substitute Interest:** With respect to transactions involving your purchase of a municipal security having interest that is exempt from federal and/or state income taxes, if you do not receive good delivery of such securities on settlement date (i.e., all requirements for transferring title from the seller to the buyer have occurred), the interest that you accrue from the settlement date of the transaction until you receive good delivery may be considered by the Internal Revenue Service ("IRS") to be taxable ("substitute") interest. If you sell such securities before receiving good delivery, the IRS may consider all of the interest that you accrue to be taxable. You should consult with your tax advisors regarding the tax implication of any such fail to receive scenario.
