I	<p>Opening & Welcome - Heidi Prokop</p> <ul style="list-style-type: none"> • Board Roll Call - <i>Emilie Starr</i> Board members shared what they have been doing this summer or upcoming events of interest during roll call. We have a quorum for both boards. • Chairs Report Comments <i>Heidi Prokop and Sharon Johnson</i> No comments were made by Heidi • Sharon: It has been a great busy summer. It is great to see everyone again.
II	<p>Approval of <u>Minutes - June 15, 2023</u> - Sharon Johnson</p> <ul style="list-style-type: none"> • Utah Arts Advisory Board Minutes from June 15, 2023 - <i>Heidi Prokop</i> Heidi Prokop moved to approve the minutes, Jeni Wilson seconded the motion which was unanimously approved. • Utah Museums Advisory Board Minutes from June 15, 2023 - <i>Sharon Johnson</i> Nichol Bourdeaux moved to approve the minutes, Laura St. Onge seconded the motion which was unanimously approved.
III	<p>Investment/Grant Approvals - Heidi Prokop</p> <ol style="list-style-type: none"> 1. Action: Folk Arts Apprenticeship Grants, \$20,000 (arts board) - see attached. Sudha shared that the division had enough budget available to fund the top four Folk Arts Apprenticeship applicants. Jurors scored the applications. Laurel reminded the board that the National Endowment for the (NEA) earmarks \$20,000 of their funding for the folk arts program and we use this for the apprenticeships. The Folk Arts team worked diligently communicating the opportunity to the states folk artists resulting in a high number of applications received. <ul style="list-style-type: none"> • This is an Arts Board Only Vote. Jeni Wilson moved to approve the first four apprenticeship grants listed in the recommendation document for \$20,000. Folk Arts Apprenticeship Grants, Lisa Arnett seconded. All present board members voted in the affirmative and the motion passed unanimously. <p>Laurel presented the board with the opportunity to provisionally approve funding for additional Folk Art Apprenticeship Grants if the division identifies additional funds once the FY24 budget is confirmed. Funds would go out based on juror scores and by funding availability. The primary reason for this request is that the division would like the recipients to be able to begin working on their projects as soon as possible.</p>

Vicki mentioned that with additional information we can finalize the division budget. We basically know the numbers, but want to be cautious and need time to reconcile the budget with our finance team.

This is an Arts Board Only Vote.

Lisa Arnett moved to approve the additional Folk Art Apprenticeship Grants up to \$30,000 pending available funding, Juan Carlos Claudio seconded the motion. All present board members voted in the affirmative and the motion passed unanimously.

2. Action: Small museum mentorship grants (museums board) - see attached.

Laurel shared that the division is excited that there were more applicants for the small museum mentorship grant this year than in the last few previous years. Many small museums are coming back from the pandemic and they need extra support. One of the applicants, who did not fit the small museum format, was referred to the division's sponsorship program.

Jansen Bennett, with State Historic Preservation Office (SHPO), provided Provo Sons of Utah Pioneers with specific recommendations, and their funding will be awarded with the understanding that they must follow Jansen's recommendations.

- This is a Museums Board Only Vote:

Robb Alexander moved to approve the Small Museum Mentorship Grants, Jessica Kinsey seconded the motion. All present board members voted in the affirmative and the motion passed unanimously.

3. Action: OnStage grants (arts board) - see attached.

Laurel gave a special thanks to Jessica for overseeing the process for this grant even though she is not on the arts board.

Jessica shared that sitting on the review process as a board member was a great experience and the review panel was thorough and thoughtful in scoring the applications.

- This is an Arts Board Only Vote:

Larry Cesspooch moved to approve the OnStage grants, Natalie Young seconded the motion. All present board members voted in the affirmative and the motion passed unanimously

Laurel is looking for two board members to volunteer for a review committee for two upcoming grants. Interested board members should contact her.

4. Informational - General Operating Support Grants:

Vicki shared that the division is still determining how best to move forward with the General Operating Support Grant (GOS). She noted that some corrective funding may need to take place once the Governor's Office of Economic Opportunity (GOEO) finishes their awards. The division is both moving forward and in a holding pattern with GOS grant awards as we

	<p>wait to see what happens during the legislative process this year. The division may hold back a small amount of grant awards until after the session to make sure that no organization's funding falls through the cracks. Last year there were some unexpected moves during the session and the division is trying to mitigate unintentional outcomes, if possible. Robb thanked staff for working with these last minute changes during last fiscal year's legislative session.</p> <p>Heidi asked how the legislature transferred the division's knowledge to GOEO. Vicki explained how the division coordinated with GOEO so organizations did not have to submit two applications. She also mentioned that GOEO has some different ideas about what makes a grantee worth funding and that they primarily look at an organization's economic impact. This focus is different than for Arts & Museums who looks at cultural impact. The division will continue to be mindful that the work we do reaches out to the entire state and wants to provide more opportunities throughout the state for arts and museum opportunities.</p>
IV	<p>Division Updates - Sharon Johnson</p> <ul style="list-style-type: none"> • Strategic Planning Update, Natalie Petersen <p>Natalie updated and thanked the board for their participation in the division's ongoing strategic planning. She told them that the process is a wonderful opportunity to reassess what constituents need and where the division is as an organization. Last spring the division held our assessment, worked on strategy creation in June, and are now working on strategy integration. In this phase the breadth and depth of our organization is being reviewed. Six initiative teams are working on goals and objectives that will be presented in October (see slides attached).</p> • Visual Arts Coordinator Hired <p>Vicki introduced Peter Hay to the board. Peter was hired as a consultant for our Statewide Annual exhibit. We were happy that he applied for our open Visual Arts Coordinator Position, and has been working full time since July.</p> <p>Peter thanked the board for their time and service making an impact on the state's citizens. Peter shared a bit about his experience with the board and mentioned that he would love to chat and learn from the board's experience.</p> • Interested in the 125th Anniversary Committee? <p>Vicki told the board that 2024 is the agency's 125 years anniversary. Vicki shared the new logo and that an official announcement surrounding the new logo and celebration will be made at this year's Utah Museums Association Conference. Vicki asked if any board members were interested in joining a celebration committee, Krista, Sharon, Heidi, and Robb volunteered. The division wants to use the 125 anniversary to share our story and our constituent stories.</p>
V	<p>Next Board Meeting - Sharon Johnson</p>

	<p>Board Meeting: Virtual September 15th noon - 1:15 (changed to September 13th after the meeting ended)</p> <p>We will do the open meeting training - we may be changing the next meeting to Wednesday of that week. We will let you know this afternoon.</p> <p><u>Schedule for FY24 Board Meetings</u></p>
