Update on the SRC – Murray Library Feasibility Study

The feasibility study is looking to build where the pavilion and playground are located and moving them over to where the Early Childhood Development Center is currently located. It will probably take eighteen months to build the new facility. We may need to shuttle our seniors from the west parking lot to the Center during the construction phase. The steps of the process are to complete the feasibility study, get

approval from the mayor and City Council, determine the funding, and then employ the architect.

Coffee / Covered Mugs

The purchased mugs should be about eight ounces with a handle and are covered. Omar is bringing back the coffee station in the ceramics room from 9-1. The plan is sell the mugs for \$10.

Collection for Murray Children's Pantry / Spartan Closet

The collection has been very successful. The bridge group got together and donated several items. The bin has been filled three times. Our goal is to collect 50 donated backpacks in July. For those that want to donate money, we will have a donation point of sale and then will use the donated money to purchase backpack in bulk online.

Social Sewing and Quilting

Karen Summerhays met with Debbie at the West Jordan Senior Center. They run their program more like a quilt guild; they make quilts for charity and meet on a weekly basis.

Murray Fun Days – Tuesday, July 4

Cory will drive the Center Bus in the parade and will be accompanied by Marci. Any Seniors that would like to ride in the bus, please meet at the Center on July 4. Cory and Marci are also in charge of 13 rounds of Bingo at Pavilion #5.

Murray Fire and Police Safety Fair – Monday, August 7

We want to support the Fire and Police by having a booth in their Safety Fair. We will have a booth at Murray Park and will have the spin wheel with prizes again. Each spin will cost \$1. Cory will handle the booth.

Building Temperature

Our goal is to keep the temperature between 68-72; the volunteer lead should be the one to communicate to the staff if the temperature needs to be changed.

Pickleball

Richard Clark has a key for the gate so they can come play pickleball at 7:00 am. There isn't much time allowed for new pickleball players to come and play. Would like to have a volunteer for weeknights and weekend play. Discussion was held regarding Monarch system of play, or to play to a certain score or time limit. Cory is working on a Pickleball Tournament with the Salt Lake County Senior Centers.

REPORT(S)
