ATTACHMENT A: STATE OF UTAH STANDARD TERMS AND CONDITIONS FOR DATA SHARING

1. **DEFINITIONS:** The following terms shall have the meanings set forth below:
   1.1. "**Authorized Persons**" means Agency's employees, officers, partners, Subcontractors or other agents of Agency who require access to Data and who have a legitimate educational interest in the education records to enable the Agency to perform its responsibilities under this Agreement.
   1.2. "**Agreement Signature Page(s)**" means the State of Utah cover page(s) that the USBE and Agency signed.
   1.3. "**Data**" includes Student Personally Identifiable Information and Educator Data, and may also include Confidential Information.
   1.4. "**Data Steward**" means the entity responsible for combining two Data sets from different sources, and managing the resultant Data set. If a USBE Data system is being used, then USBE is the Data Steward. If another entity is doing the calculations or derivations, then that entity becomes the Data Steward.
   1.5. "**Destroy**" means to remove Data such that it is not maintained in retrievable form and cannot be retrieved in the normal course of business.
   1.6. "**Educator Data**" includes, but is not limited to, the educator's name; any unique identifier, including social security number; and other information that, alone or in combination, is linked or linkable to a specific educator.
   1.7. "**Incident**" means the potentially unauthorized access to Data that Agency believes could reasonably result in the use, disclosure or theft of Data within the possession or control of Agency or Agency's Subcontractors.
   1.8. "**Metadata**" includes all information created manually or automatically to provide meaning or context to other data.
   1.9. "**State of Utah**" means the State of Utah, in its entirety, including its institutions, agencies, departments, divisions, authorities, instrumentalities, boards, commissions, elected or appointed officers, employees, agents, and authorized volunteers.
   1.10. "**Student Personally Identifiable Information**" or "**PII**" has the same meaning as that found in U.C.A § 53E-9-301, and includes both direct identifiers (such as a student's or other family member's name, address, student number, or biometric number) and indirect identifiers (such as a student's date of birth, place of birth, or mother's maiden name). Indirect identifiers that constitute PII also include metadata or other information that, alone or in combination, is linked or linkable to a specific student that would allow a reasonable person in the school community, who does not have personal knowledge of the relevant circumstances, to identify the student with reasonable certainty.
   1.11. "**Subcontractors**" means any person or entity that will receive Student Personally Identifiable Information shared as part of this agreement.
   1.12. "**Targeted Advertising**" means advertising to a student or student's parent by Agency if the advertisement is based on information or Data Agency collected or received under this Agreement.

Agency agrees to allow, at no additional cost, the State of Utah, federal auditors, USBE staff, or their designees, access to all such records during normal business hours and to allow interviews of any employees or others who might reasonably have information related to such records. 5. **INDEPENDENT CONTRACTOR:** Agency and Subcontractors, in the performance of this Agreement, shall act in an independent capacity and not as officers or employees or agents of the USBE or the State of Utah.
6. **NON-FINANCIAL UNDERSTANDING:**
   6.1. This Agreement is a non-financial understanding between USBE and Agency. No financial obligation by or on behalf of either of the Parties is implied by a Party's signature at the end of this Agreement.
   6.2. The terms of any financial liability that arises from data processing activities carried out in support of the responsibilities covered herein must be negotiated separately and to the mutual satisfaction of the Parties.

Each Party will be responsible for its own actions or negligence and will defend against any claims or lawsuits brought against it. There are no indemnity obligations between these Parties.
10. **EMPLOYMENT PRACTICES:** Agency agrees to abide by any other laws, regulations, or orders that prohibit the discrimination of any kind by any of Agency's employees.
11. **AMENDMENTS:** This Agency may only be amended by the mutual written agreement of the Parties, which amendment will be attached to this Agreement. Automatic renewals will not apply to this Agreement, even if identified elsewhere in this Agreement.
12. **TERMINATION:** This Agreement may be terminated, with cause by either Party, in advance of the specified expiration date, upon written notice given by the other Party. The party in violation will be given ten (10) days after written notification to correct and cease the violations, after which this Agreement may be terminated for cause immediately and subject to the remedies below. This

Agreement may also be terminated without cause (for convenience), in advance of the specified expiration date, by the USBE, upon thirty (30) days written termination notice being given to the Agency. The USBE and the Agency may terminate this Agreement, in whole or in part, at any time, by mutual agreement in writing.

    12.1. Should USBE not request a complete download, Contractor shall Destroy the Data immediately after thirty (30) days post termination of the Contract. The Contractor shall notify USBE in writing of the date upon which all of the Data is destroyed.

13. CHANGES IN LAW: Upon thirty (30) days written notice delivered to the Agency, this Agreement may be terminated in whole or in part at the sole discretion of the USBE, if the USBE reasonably determines that a change in Federal or State legislation or applicable laws materially affects the ability of either Party to perform under the terms of this Agreement.

18. REMEDIES: Any of the following events will constitute cause for the USBE to declare Agency in default of this Agreement: (i) Agency's non-performance of its contractual requirements and obligations under this Agreement; or (ii) Agency's material breach of any term or condition of this Agreement. The USBE may issue a written notice of default providing a ten (10) day period in which Agency will have an opportunity to cure. 21. WAIVER: A waiver of any right, power, or privilege shall not be construed as a waiver of any subsequent right, power, or privilege.

22. SUSPENSION OF WORK: Should circumstances arise which would cause the USBE to suspend Agency's responsibilities under this Agreement, but not terminate this Agreement, this will be done by formal written notice pursuant to the terms of this Agreement. Agency's responsibilities may be reinstated upon advance formal written notice from the USBE.

23. CHANGES IN SCOPE: Any changes in the scope of the services to be performed under this Agreement shall be in the form of a written amendment to this Agreement, mutually agreed to and signed by both Parties, specifying any such changes, fee adjustments, any adjustment in time of performance, or any other significant factors arising from the changes in the scope of services.

The USBE, after consultation with Agency, may appoint an expert or panel of experts to assist in the resolution of a dispute. If the USBE appoints such an expert or panel, USBE and Agency agree to cooperate in good faith in providing information and documents to the expert or panel in an effort to resolve the dispute.

25. ORDER OF PRECEDENCE: In the event of any conflict in the terms and conditions in this Agreement, the order of precedence shall be: (i) this Attachment A; (ii) Attachment B; (iii) Agreement Signature Page(s); (iv) the State of Utah's additional terms and conditions, if any; (v) any other attachment listed on the Agreement Signature Page(s); and (vi) Agency's terms and conditions that are attached to this Agreement, if any. Any provision attempting to limit the liability of Agency or limit the rights of the USBE or the State of Utah must be in writing and attached to this Agreement or it is rendered null and void.

26. SURVIVAL OF TERMS: Any terms that by their nature would survive the expiration of, completion, or termination of this Agreement shall survive.

27. SEVERABILITY: The invalidity or unenforceability of any provision, term, or condition of this Agreement shall not affect the validity or enforceability of any other provision, term, or condition of this Agreement, which shall remain in full force and effect.

Any aggregate data that is publicly released without being redacted using the methods in this section shall be considered an Incident. The following methods shall be used on any aggregated reports:

33.3.1. Aggregate data shall be reported publicly only if there is a sufficient number of individuals represented in any demographic or subgroup so that an individual cannot be identified.

33.3.2. Aggregated reports shall redacted using complementary suppression methods that remove the risk of Data being identifiable using simple mathematics or formulas.

33.3.3. Aggregated reports shall be redacted to remove identifiability risks caused other prior releases of aggregate data by Agency.

33.4. Agency shall not use Data for the purposes of Targeted Advertising.

34. DATA LINKAGE:

34.1. If Agency will link USBE's Data with Data from another source, the result could be a new data set with potentially unique regulations and conditions governing its use. Prior to linking the Data, Agency will provide detailed information to USBE outlining the Data being linked and the other sources for Data.

34.2. The Data Steward will classify the linked data based on security or privacy risks. This could include evaluating the method of release, on the likelihood of identifying individuals from the linked Data, if linking the Data will violate any laws or regulations, or if the new data set meets the original request.

34.3. Based on the results of the risk assessment, USBE may refuse to provide Agency with some or all of the requested Data in its sole discretion in order to mitigate any risks identified.

34.4. Should USBE consent to the Data being linked, the Data Steward shall apply additional constraints as necessary to the usage of the new data set.

34.5. Detailed information on the Data being linked, the other sources of Data, and any additional constraints shall be documented in the Attachments.

Agency shall certify to USBE in writing that the data has been destroyed.

36. INCIDENTS:

36.1. If Agency becomes aware of an Incident involving Data by either Agency or any of Agency's Subcontractors, Agency shall notify USBE within one (1) calendar day and cooperate with USBE regarding recovery, remediation, and the necessity to involve law enforcement, if any.

36.2. Agency shall produce a written remediation plan that includes information about the cause and extent of the Incident and the actions Agency will take to remediate the Incident and to reduce the risk of incurring a similar type of Incident in the future. Agency shall present its analysis and remediation plan to USBE within ten (10) calendar days of notifying USBE of an Incident. USBE reserves the right to adjust this plan, in its sole discretion. If Agency cannot produce its analysis and plan within the allotted time, USBE, in its sole discretion, may perform such analysis and produce a remediation plan, and Agency shall reimburse USBE for the reasonable costs thereof.

36.3. In the event of an Incident, Agency shall provide USBE or its designated representatives with access seven (7) days a week, twenty-four (24) hours a day, for the purpose of evaluating, mitigating, or resolving the Incident.

36.4. Unless Agency can establish that Agency or any of its Subcontractors is not the cause or source of the Incident, Agency shall be responsible for the cost of notifying each person whose personal information may have been compromised by the Incident.
