## Board of Trustees

### MEETING MINUTES - Draft

669 West 200 South  
Salt Lake City, UT 84101

---

**Wednesday, August 23, 2023**

**9:00 AM**

**FrontLines Headquarters**

---

**Present:**  
Chair Carlton Christensen  
Trustee Beth Holbrook  
Trustee Jeff Acerson

Also attending were UTA staff and interested community members.

**1. Call to Order and Opening Remarks**

Chair Carlton Christensen welcomed attendees and called the meeting to order at 9:00 a.m.

**2. Pledge of Allegiance**

Attendees recited the Pledge of Allegiance.

**3. Safety First Minute**

Viola Miller, UTA Chief Financial Officer, delivered a brief safety message.

**4. Public Comment**

**In Person/Virtual Comment**

No in person or virtual comment was given.

**Online Comment**

No online comment was received.

**5. Consent**

**a. Approval of August 9, 2023 Board Meeting Minutes**

A motion was made by Trustee Holbrook, and seconded by Trustee Acerson, to approve the consent agenda. The motion carried by a unanimous vote.

**6. Reports**

**a. Executive Director's Report**

**Senator Mitt Romney Visit**

Jay Fox, UTA Executive Director, said UTA leadership, along with other local leaders in transportation, met recently with Senator Mitt Romney to discuss future needs along

the Wasatch Front.

#### **Radio Communications Outage**

Mr. Fox was joined by Alisha Garrett, UTA Chief Enterprise Strategy Officer, and Kyle Brimley, UTA IT Director. Mr. Fox and staff reported the agency experienced a major communications system outage resulting from high humidity levels in its local data center. The UTA IT team worked diligently to address the issue quickly and partnered with operations to maintain uninterrupted service during the outage.

Discussion ensued. Questions on remote data center capabilities and lessons learned regarding humidity controls were posed by the board and answered by staff.

#### **Customer Service**

Mr. Fox mentioned customers can dial 1.888.RIDEUTA for trip planning tips using transit.

### **7. Contracts, Disbursements and Grants**

#### **a. Contract: FrontRunner WiFi Support (Boldyn Networks Transit US, LLC)**

Mr. Brimley was joined by Brock Spencer, UTA Radio Communications Supervisor. Mr. Brimley requested the board approve a \$2,081,9876.74 contract with Boldyn Networks Transit US, LLC for the integration of upgraded WiFi technologies on the FrontRunner system.

Discussion ensued. Questions on the procurement process, equipment ownership, and service arrangements were posed by the board and answered by staff.

A motion was made by Trustee Acerson, and seconded by Trustee Holbrook, that this contract be approved. The motion carried by a unanimous vote.

#### **b. Contract: Replacement of HVAC System for Murray Police Building (UAEC, INC. DBA Utah Engineering)**

Guy Miner, UTA Facilities Maintenance Manager, requested the board approve a \$338,152 contract with UAEC, INC dba UTA Engineering to replace the HVAC system at the UTA Police Headquarters in Murray. (Note: The board was informed of the issuance of an emergency notice to proceed on the project during its July 26, 2023, meeting.)

Discussion ensued. Questions on the determination for equipment replacement versus repair, lifespan of the new unit, equipment replacement planning, and long-term viability of the UTA Police Headquarters building were posed by the board and answered by Mr. Miner.

Chair Christensen recommended a more proactive approach to facilities planning.

A motion was made by Trustee Holbrook, and seconded by Trustee Acerson, that this

contract be approved. The motion carried by a unanimous vote.

c. **Contract: Memorandum of Agreement Regarding Joint Participation in Transit Service and Facilities (Park City Municipal Corporation and High Valley Transit)**

Lorin Simpson, UTA Special Project Manager - Fleet, was joined by Hal Johnson, UTA Acting Director of Innovative Mobility Solutions, and Troy Bingham, UTA Comptroller. Mr. Simpson requested the board approve a memorandum of agreement (MOA) with Park City Municipal Corporation and High Valley Transit. The MOA defines the rights and obligations of all parties related to terminating the previously executed 2011 and 2022 interlocal agreements (ILAs), as well as the rights and obligations of all parties associated with any other prior MOAs or memoranda of understanding (MOUs).

In effect, the MOA addressed in today's board meeting authorizes the following:

- UTA disbursement to Park City Municipal Corporation: \$942,989
- UTA disbursement to High Valley Transit: \$524,130
- UTA receipt of disbursement from Park City Municipal Corporation: \$835,607
- UTA receipt of disbursement from High Valley Transit: \$131,795.24

Discussion ensued. Questions on the timeline for the battery electric bus work, UTA responsibility for charger construction, and net impact to UTA cash flow were posed by the board and answered by staff.

Chair Christensen recommended implementing a system to better track obligations in government-to-government contracts.

A motion was made by Trustee Acerson, and seconded by Trustee Holbrook, that this contract be approved. The motion carried by a unanimous vote.

d. **Change Order: Amendment 1 to Addendum 31 to the Master Collaborative Planning Agreement for a Transit Economic Impact Study (WFRC, MAG, UDOT)**

Nichol Bourdeaux, UTA Chief Planning & Engagement Officer, was joined by Russ Fox, UTA Director of Planning. Mr. R. Fox requested the board approve a \$275,000 amendment to the master collaborative planning agreement with the Wasatch Front Regional Council (WFRC), Mountainland Association of Governments (MAG), and the Utah Department of Transportation (UDOT) for a transit economic impact study. The current scope of the agreement assesses the economic impact of Utah's Unified Transportation Plan, and the amendment would expand the scope to include an assessment of the economic impact of transit in the local community.

A motion was made by Trustee Holbrook, and seconded by Trustee Acerson, that this change order be approved. The motion carried by a unanimous vote.

**e. Pre-Procurements**

- **FrontRunner Wayfinding Signage**
- **UTA Sustainability Audit**
- **Mid-Valley BRT Construction**

Todd Mills, UTA Director of Supply Chain, was joined by G.J. LaBonty, UTA Manager of Customer Experience, and David Hancock, UTA Director of Capital Development. Mr. Mills indicated the agency intends to procure the goods and/or services outlined on the meeting agenda.

Discussion ensued. Questions on the scope of the wayfinding signage procurement, wayfinding standards, sustainability audit in relation to the UTA Strategic Plan, and Mid-Valley procurement timeline were posed by the board and answered by staff.

Trustee Acerson suggested partnering with UDOT on travel times to encourage transit ridership. Trustee Holbrook recommended sharing procurement investment information with stakeholders.

**8. Discussion Items****a. UTA Bus Speed and Reliability Program (BSRP)**

Mr. R. Fox was joined by Alex Beim, UTA Manager of Long-Range Strategic Planning, and Matthew Gray, UTA Strategic Planner II, and Andres Colman, UTA Regional General Manager - Salt Lake Business Unit. Mr. Beim provided a summary of the BSRP program, then spoke about the importance of bus service and benefits of improved speed and reliability. He went on to describe initial study routes, tools used to increase bus speed and reliability, and funding required for implementation. He concluded by discussing work that has been done to date and potential next steps.

Discussion ensued. Questions on operator impacts, traffic signal prioritization challenges, community progress on implementing infrastructure, Transit Transportation Investment Fund (TTIF) utilization, operator input, and avenues for obtaining local feedback were posed by the board and answered by staff.

Trustee Acerson suggested working with school systems to train drivers to merge to an inside lane when buses are stopped in traffic, Chair Christensen recommended finding ways to better leverage service on Redwood Road in Salt Lake County, and Trustee Holbrook suggested accounting for high-growth housing areas for transit propensity.

Chair Christensen mentioned the board would like to participate in ride-alongs on the pilot routes.

**b. December 2023 Change Day Update**

Ms. Bourdeaux was joined by Mr. R. Fox, Mr. Colman, and Eric Callison, UTA Manager of Service Planning. Staff reviewed intended system adjustments to be made on the

December 2023 change day, specifically addressing ski service and the work that has been done with stakeholders (i.e., ski resorts, Salt Lake County, Visit Salt Lake, the Town of Alta, and UDOT) to prepare for the 2023-2024 ski season.

Discussion ensued. Questions on operator staffing and continued service reductions were posed by the board and answered by staff.

Trustee Holbrook requested the board be updated on change day efforts earlier on in the process.

**c. Proposed 2023-2027 Capital Plan Amendment and 2023 Capital Budget Amendment for the TRAX Daybreak Station Project**

David Hancock, UTA Director of Capital Development, outlined proposed amendments to the UTA 2023-2027 Capital Plan and the UTA 2023 Capital Budget to include a project on TRAX in Daybreak. The new project, which adds \$6.5 million to the capital plan, will be funded through external sources, and will serve the area where the new minor league baseball field is being constructed. Mr. Hancock noted the 2023 capital budget may need to be increased by \$500,000 to fund a portion of the design work on the project.

Discussion ensued. A question on external funding sources was posed by the board and answered by Mr. Hancock.

**9. Other Business**

a. Next Meeting: Wednesday, September 13, 2023 at 9:00 a.m.

**10. Closed Session**

a. **Strategy Session to Discuss Pending or Reasonably Imminent Litigation**

Chair Christensen indicated there were matters to be discussed in closed session relative to pending or reasonably imminent litigation. A motion was made by Trustee Acerson, and seconded by Trustee Holbrook, for a closed session. The motion carried by a unanimous vote and the meeting convened in closed session at 11:03 a.m.

**11. Open Session**

A motion was made by Trustee Holbrook, and seconded by Trustee Acerson, to return to open session. The motion carried by a unanimous vote.

Trustee Holbrook left the meeting at the conclusion of closed session at 11:27 a.m.

The meeting reconvened in open session at 11:27 a.m.

**12. Adjourn**

A motion was made by Trustee Acerson, and seconded by Chair Christensen, to adjourn the meeting. The motion carried by a majority vote and the meeting adjourned at 11:28 a.m.

## MEETING MEMO

---

**Board of Trustees**

**Date:** 9/13/2023

---

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Cherryl Beveridge, Chief Operating Officer  
**PRESENTER(S):** Ben Adams, Manager of Commuter Rail Vehicle Maintenance  
Marco Gamonal, Manager of Light Rail Vehicle Maintenance  
William Patterson, Assistant Manager of Commuter Rail Vehicle Maintenance

**TITLE:**

---

**Contract: Light Rail and Commuter Rail Car Cleaning (MasterCorp Inc.)**

---

**AGENDA ITEM TYPE:**

Procurement Contract/Change Order

---

**RECOMMENDATION:**

Approve contract number and authorize the Executive Director to execute the base contract of 3 years and associated disbursements for MasterCorp Inc. in the amount of \$4,695,121.41 to provide Light Rail and Commuter Rail Car cleaning services. Future board approval will be requested when exercising the option years.

---

**BACKGROUND:**

UTA's contract for Revenue Vehicle Cleaning expired on June 30, 2023 (the previous contract has been extended to cover the gap between contract effective dates). A new request for proposal (RFP) was sent out for competitive bid. MasterCorp Inc. proposed the best value for the requested services over the course of the next 3 years with an option to continue services for an additional 2 years. This includes nightly cleaning of Rail Vehicles at the maintenance facilities and daily porter cleaning services at the end of lines.

---

**DISCUSSION:**

UTA Staff is requesting approval of Contract #22-03712JD to award UTAs three-year Janitorial Contract to MasterCorp Inc. in the amount of \$4,695,121.41. The contract also contains two additional one-year options to be exercised at UTA's sole discretion in the amounts of \$1,632,406.17 and \$1,685,464.39 respectively. These option years will only be executed after future board approval (as required according to contract value

---

thresholds). MasterCorp Inc. has been in business for more than 40 years. MasterCorp Inc. has held a UTA contract for cleaning UTA Rail Vehicles for the last five years and has delivered excellent service at an excellent price. The size of the company, favorable service history and lowest bid of three contenders demonstrates best value for Rail Vehicle cleaning services. UTA Staff is confident that MasterCorp Inc. will continue to provide UTA with the best service at the best price. This contract has been identified as Contract #22-03712JD and is funded in the 2023 - 2026 Rail Vehicle Maintenance Operating Budgets.

---

#### **CONTRACT SUMMARY:**

<b>Contractor Name:</b>	MasterCorp Inc.
<b>Contract Number:</b>	UTA Contract #22-03712JD
<b>Base Contract Effective Dates:</b>	September 13, 2023 through June 30, 2026
<b>Extended Contract Dates:</b>	Option 1: July 1, 2026 - June 30, 2027 (future approval) Option 2: July 1, 2027 - June 30, 2028 (future approval)
<b>Existing Contract Value:</b>	N/A
<b>Amendment Amount:</b>	N/A
<b>New/Total Contract Value:</b>	\$4,695,121.41
<b>Procurement Method:</b>	RFP
<b>Budget Authority:</b>	Local/ Rail Vehicle Maintenance Operating Budgets

---

#### **ALTERNATIVES:**

There are no fiscally feasible alternatives. The alternative is to perform the work with UTA bargaining unit employees which would cost significantly more than the proposed contract.

---

#### **FISCAL IMPACT:**

Funds are budgeted locally in the Maintenance Budgets.

---

#### **ATTACHMENTS:**

- 1) Contract

## **PROFESSIONAL SERVICES AGREEMENT**

### **UTA CONTRACT #22-03712JD** **Light and Commuter Rail Car Cleaning**

This Professional Services Agreement is entered into and made effective as of the date of last signature below (the “Effective Date”) by and between UTAH TRANSIT AUTHORITY, a public transit district organized under the laws of the State of Utah (“UTA”), and Master Corp Inc. (“Contractor”).

#### **RECITALS**

WHEREAS, UTA desires to hire professional services for Light and Commuter Rail Car Cleaning.

WHEREAS, On April 20, 2023, UTA issued Request for Proposal Package Number 22-03712JD (“RFP”) encouraging interested parties to submit proposals to perform the services described in the RFP.

WHEREAS, Upon evaluation of the proposals submitted in response to the RFP, UTA selected Contractor as the preferred entity with whom to negotiate a contract to perform the Work.

WHEREAS, Contractor is qualified and willing to perform the Work as set forth in the Scope of Services.

#### **AGREEMENT**

NOW, THEREFORE, in accordance with the foregoing Recitals, which are incorporated herein by reference, and for and in consideration of the mutual covenants and agreements hereafter set forth, the mutual benefits to the parties to be derived here from, and for other valuable consideration, the receipt and sufficiency of which the parties acknowledge, it is hereby agreed as follows:

#### **1. SERVICES TO BE PROVIDED**

- a. Contractor shall perform all Work as set forth in the Scope of Services (Exhibit A). Except for items (if any) which this Contract specifically states will be UTA-provided, Contractor shall furnish all the labor, material and incidentals necessary for the Work.
- b. Contractor shall perform all Work under this Contract in a professional manner, using at least that standard of care, skill and judgment which can reasonably be expected from similarly situated professionals.
- c. All Work shall conform to generally accepted standards in the transit industry. Contractor shall perform all Work in compliance with applicable laws, regulations, rules, ordinances, permit constraints and other legal requirements including, without limitation, those related to safety and environmental protection.
- d. Contractor shall furnish only qualified personnel and materials necessary for the performance of the Work.

- e. When performing Work on UTA property, Contractor shall comply with all UTA work site rules including, without limitation, those related to safety and environmental protection.

## 2. **MANAGEMENT OF WORK**

- a. Contractor's Project Manager will be the day-to-day contact person for Contractor and will be responsible for all Work, as well as the coordination of such Work with UTA.
- b. UTA's Project Manager will be the day-to-day contact person for UTA, and shall act as the liaison between UTA and Contractor with respect to the Work. UTA's Project Manager shall also coordinate any design reviews, approvals or other direction required from UTA with respect to the Work.

## 3. **PROGRESS OF WORK**

- a. Contractor shall prosecute the Work in a diligent and continuous manner and in accordance with all applicable notice to proceed, critical path schedule and guaranteed completion date requirements set forth in (or developed and agreed by the parties in accordance with) the Scope of Services.
- b. Contractor shall conduct regular meetings to update UTA's Project Manager regarding the progress of the Work including, but not limited to, any unusual conditions or critical path schedule items that could affect or delay the Work. Such meetings shall be held at intervals mutually agreed to between the parties.
- c. Contractor shall deliver monthly progress reports and provide all Contract submittals and other deliverables as specified in the Scope of Services.
- d. Any drawing or other submittal reviews to be performed by UTA in accordance with the Scope of Services are for the sole benefit of UTA, and shall not relieve Contractor of its responsibility to comply with the Contract requirements.
- e. UTA will have the right to inspect, monitor and review any Work performed by Contractor hereunder as deemed necessary by UTA to verify that such Work conforms to the Contract requirements. Any such inspection, monitoring and review performed by UTA is for the sole benefit of UTA, and shall not relieve Contractor of its responsibility to comply with the Contract requirements.
- f. UTA shall have the right to reject Work which fails to conform to the requirements of this Contract. Upon receipt of notice of rejection from UTA, Contractor shall (at its sole expense and without entitlement to equitable schedule relief) promptly re-perform, replace or re-execute the Work so as to conform to the Contract requirements.
- g. If Contractor fails to promptly remedy rejected Work as provided in Section 4.6, UTA may (without limiting or waiving any rights or remedies it may have) perform necessary corrective action using other Contractor's or UTA's own forces. Any costs reasonably incurred by UTA in such corrective action shall be chargeable to Contractor.

#### **4. PERIOD OF PERFORMANCE**

This Contract shall commence as of the Effective Date. This Contract shall remain in full force and effect for an initial Three (3) - year period expiring June 30, 2026. UTA may, at its sole election and in its sole discretion, extend the initial term for up to Two (2) additional one-year option periods, for a total Contract period not to exceed five (5) years. Extension options may be exercised by UTA upon providing Contractor with notice of such election at least thirty (30) days prior to the expiration of the initial term or then-expiring option period (as applicable). This Contract may be further extended if the Contractor and UTA mutually agree to an extension evidenced in writing. The rights and obligations of UTA and Contractor under this Contract shall always be subject to and conditioned upon the provisions of this Contract.

#### **5. COMPENSATION**

- a. For the performance of the Work, UTA shall pay Contractor in accordance with the payments provisions described in Exhibit B. Payments shall be made in accordance with the milestones or other payment provisions detailed in Exhibit B. If Exhibit B does not specify any milestones or other payment provisions, then payment shall be made upon completion of all Work and final acceptance thereof by UTA.
- b. To the extent that Exhibit B or another provision of this Contract calls for any portion of the consideration to be paid on a cost-reimbursement basis, such costs shall only be reimbursable to the extent allowed under 2 CFR Part 200 Subpart E. Compliance with federal cost principles shall apply regardless of funding source for this Contract.
- c. To the extent that Exhibit B or another provision of this Contract calls for any portion of the consideration to be paid on a time and materials or labor hour basis, then Contractor must refer to the not-to-exceed amount, maximum Contract amount, Contract budget amount or similar designation (any of these generically referred to as the "Not to Exceed Amount") specified in Exhibit B (as applicable). Unless and until UTA has notified Contractor by written instrument designated or indicated to be a Change Order that the Not to Exceed Amount has been increased (which notice shall specify a revised Not to Exceed Amount): (i) Contractor shall not be obligated to perform services or incur costs which would cause its total compensation under this Contract to exceed the Not to Exceed Amount; and (ii) UTA shall not be obligated to make payments which would cause the total compensation paid to Contractor to exceed the Not to Exceed Amount.
- d. UTA may withhold and/or offset from payment any amounts reasonably reflecting: (i) items of Work that have been rejected by UTA in accordance with this Contract; (ii) invoiced items that are not payable under this Contract; or (iii) amounts Contractor owes to UTA under this Contract.

#### **6. INCORPORATED DOCUMENTS**

- a. The following documents hereinafter listed in chronological order, with most recent document taking precedence over any conflicting provisions contained in prior documents (where applicable), are hereby incorporated into the Contract by reference and made a part hereof:

1. The terms and conditions of this Professional Services Supply Agreement (including any exhibits and attachments hereto).
2. UTA's RFP including, without limitation, all attached or incorporated terms, conditions, federal clauses (as applicable), drawings, plans, specifications and standards and other descriptions of the Professional Services;
3. Contractor 's Proposal including, without limitation, all federal certifications (as applicable);

b. The above-referenced documents are made as fully a part of the Contract as if hereto

## 7. **ORDER OF PRECEDENCE**

The Order of Precedence for this contract is as follows:

1. UTA Contract including all attachments
2. UTA Terms and Conditions
3. UTA Solicitation Terms
4. Contractor 's Bid or Proposal including proposed terms or conditions

Any Contractor /contractor proposed term or condition which is in conflict with a UTA contract or solicitation term or condition will be deemed null and void.

## 8. **CHANGES**

- a. UTA's Project Manager or designee may, at any time, by written order designated or indicated to be a Change Order, direct changes in the Work including, but not limited to, changes:
  1. In the Scope of Services;
  2. In the method or manner of performance of the Work; or
  3. In the schedule or completion dates applicable to the Work.

To the extent that any change in Work directed by UTA causes an actual and demonstrable impact to: (i) Contractor 's cost of performing the work; or (ii) the time required for the Work, then (in either case) the Change Order shall include an equitable adjustment to this Contract to make Contractor whole with respect to the impacts of such change.

- b. A change in the Work may only be directed by UTA through a written Change Order or (alternatively) UTA's expressed, written authorization directing Contractor to proceed pending negotiation of a Change Order. Any changes to this Contract undertaken by Contractor without such written authority shall be at Contractor 's sole risk. Contractor shall not be entitled to rely on any other manner or method of direction.
- c. Contractor shall also be entitled to an equitable adjustment to address the actual and demonstrable impacts of "constructive" changes in the Work if: (i) subsequent to the Effective Date of this Contract, there is a material change with respect to any requirement

set forth in this Contract; or (ii) other conditions exist or actions are taken by UTA which materially modify the magnitude, character or complexity of the Work from what should have been reasonably assumed by Contractor based on the information included in (or referenced by) this Contract. In order to be eligible for equitable relief for “constructive” changes in Work, Contractor must give UTA’s Project Manager or designee written notice stating:

- A. The date, circumstances, and source of the change; and
- B. That Contractor regards the identified item as a change in Work giving rise to an adjustment in this Contract.

Contractor must provide notice of a “constructive” change and assert its right to an equitable adjustment under this Section within ten (10) days after Contractor becomes aware (or reasonably should have become aware) of the facts and circumstances giving rise to the “constructive” change. Contractor’s failure to provide timely written notice as provided above shall constitute a waiver of Contractor’s rights with respect to such claim.

- d. As soon as practicable, but in no event longer than 30 days after providing notice, Contractor must provide UTA with information and documentation reasonably demonstrating the actual cost and schedule impacts associated with any change in Work. Equitable adjustments will be made via Change Order. Any dispute regarding the Contractor’s entitlement to an equitable adjustment (or the extent of any such equitable adjustment) shall be resolved in accordance with Article 21 of this Contract.

## 9. **INVOICING PROCEDURES**

- a. Contractor shall invoice UTA after achievement of contractual milestones or delivery of all Goods and satisfactory performance of all Services or in accordance with an approved progress or periodic billing schedule. Contractor shall submit invoices to [ap@rideuta.com](mailto:ap@rideuta.com) for processing and payment. In order to timely process invoices, Contractor shall include the following information on each invoice:
  - i. Contractor Name
  - ii. Unique Invoice Number
  - iii. PO Number
  - iv. Invoice Date
  - v. Detailed Description of Charges
  - vi. Total Dollar Amount Due
- b. UTA shall have the right to disapprove (and withhold from payment) specific line items of each invoice to address non-conforming Software or Services. Approval by UTA shall not be unreasonably withheld. UTA shall also have the right to offset (against payments) amounts reasonably reflecting the value of any claim which UTA has against Contractor under the Contract. Payment for all invoice amounts not specifically disapproved or offset by UTA shall be provided to Contractor within

thirty (30) calendar days of invoice submittal to [ap@rideuta.com](mailto:ap@rideuta.com) . Invoices not submitted electronically will shall be paid thirty (30) calendar days from date of receipt by UTA's accounting department.

- c. Invoices must include a unique invoice number, UTA's Purchase Order number, a description of the Good or Service provided, line-item pricing, total amount due, and must be submitted electronically to [ap@rideuta.com](mailto:ap@rideuta.com).

## **10. OWNERSHIP OF DESIGNS, DRAWINGS, AND WORK PRODUCT**

Any deliverables prepared or developed pursuant to the Contract including without limitation drawings, specifications, manuals, calculations, maps, sketches, designs, tracings, notes, reports, data, computer programs, models and samples, shall become the property of UTA when prepared, and, together with any documents or information furnished to Contractor and its employees or agents by UTA hereunder, shall be delivered to UTA upon request, and, in any event, upon termination or final acceptance of the Professional Services. UTA shall have full rights and privileges to use and reproduce said items. To the extent that any deliverables include or incorporate preexisting intellectual property of Contractor , Contractor hereby grants UTA a fully paid, perpetual license to use such intellectual property for UTA's operation, maintenance, modification, improvement and replacement of UTA's assets. The scope of the license shall be to the fullest extent necessary to accomplish those purposes, including the right to share same with UTA's Contractor s, agent, officers, directors, employees, joint owners, affiliates and contractor s.

## **11. USE OF SUBCONTRACTOR S**

- a. Contractor shall give advance written notification to UTA of any proposed subcontract (not indicated in Contractor 's Proposal) negotiated with respect to the Work. UTA shall have the right to approve all subContractor s, such approval not to be withheld unreasonably.
- b. No subsequent change, removal or substitution shall be made with respect to any such subcontractor without the prior written approval of UTA.
- c. Contractor shall be solely responsible for making payments to subContractor s, and such payments shall be made within thirty (30) days after Contractor receives corresponding payments from UTA.
- d. Contractor shall be responsible for and direct all Work performed by subContractor s.
- e. Contractor agrees that no subcontracts shall provide for payment on a cost-plus-percentage-of-cost basis. Contractor further agrees that all subcontracts shall comply with all applicable laws.

## **12. KEY PERSONNEL**

Contractor shall provide the key personnel as indicated in Contractor 's Proposal (or other applicable

provisions of this Contract), and shall not change any of said key personnel without the express written consent of UTA. The following individuals are concerned to be key personnel under this contract.

Paul E. Porter – Branch Manager

Eduardo “Eddie” Rodriguez – Operations Manager

Guadalupe “Lupe” Villalba – Area

If the contractor changed key personnel without the express written permission of UTA, it shall be in default of the contract and liable for default damages .

### **13. SUSPENSION OF WORK**

- a. UTA may, at any time, by written order to Contractor , require Contractor to suspend, delay, or interrupt all or any part of the Work called for by this Contract. Any such order shall be specifically identified as a “Suspension of Work Order” issued pursuant to this Article. Upon receipt of such an order, Contractor shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of further costs allocable to the Work covered by the order during the period of Work stoppage.
- b. If a Suspension of Work Order issued under this Article is canceled, Contractor shall resume Work as mutually agreed to in writing by the parties hereto.
- c. If a Suspension of Work Order is not canceled and the Work covered by such order is terminated for the convenience of UTA, reasonable costs incurred as a result of the Suspension of Work Order shall be considered in negotiating the termination settlement.
- d. If the Suspension of Work causes an increase in Contractor ’s cost or time to perform the Work, UTA’s Project Manager or designee shall make an equitable adjustment to compensate Contractor for the additional costs or time, and modify this Contract by Change Order.

### **14. TERMINATION**

#### **a. FOR CONVENIENCE:**

UTA shall have the right to terminate the Contract at any time by providing written notice to Contractor . If the Contract is terminated for convenience, UTA shall pay Contractor : (i) in full for Goods delivered and Services fully performed prior to the effective date of termination; and (ii) an equitable amount to reflect costs incurred (including Contract close-out and subcontractor termination costs that cannot be reasonably mitigated) and profit on work-in-progress as of to the effective date of the termination notice. UTA shall not be responsible for anticipated profits based on the terminated portion of the Contract. Contractor shall promptly submit a termination claim to UTA. If Contractor has any property in its possession belonging to UTA, Contractor will account for the same, and dispose of it in the manner UTA directs.

#### **b. FOR DEFAULT:**

If Contractor (a) becomes insolvent; (b) files a petition under any chapter of the bankruptcy laws or is the subject of an involuntary petition; (c) makes a general assignment for the benefit of its creditors; (d) has a receiver appointed; (e) should fail

to make prompt payment to any subContractor s or suppliers; or (f) fails to comply with any of its material obligations under the Contract, UTA may, in its discretion, after first giving Contractor seven (7) days written notice to cure such default:

1. Terminate the Contract (in whole or in part) for default and obtain the Professional Services using other Contractor s or UTA's own forces, in which event Contractor shall be liable for all incremental costs so incurred by UTA;
2. Pursue other remedies available under the Contract (regardless of whether the termination remedy is invoked); and/or
3. Except to the extent limited by the Contract, pursue other remedies available at law.

### **CONTRACTOR 'S POST TERMINATION OBLIGATIONS:**

Upon receipt of a termination notice as provided above, Contractor shall (i) immediately discontinue all work affected (unless the notice directs otherwise); and (ii) deliver to UTA all data, drawings and other deliverables, whether completed or in process. Contractor shall also remit a final invoice for all services performed and expenses incurred in full accordance with the terms and conditions of the Contract up to the effective date of termination. UTA shall calculate termination damages payable under the Contract, shall offset such damages against Contractor 's final invoice, and shall invoice Contractor for any additional amounts payable by Contractor (to the extent termination damages exceed the invoice). All rights and remedies provided in this Article are cumulative and not exclusive. If UTA terminates the Contract for any reason, Contractor shall remain available, for a period not exceeding 90 days, to UTA to respond to any questions or concerns that UTA may have regarding the Professional Services furnished by Contractor prior to termination.

### **15. INFORMATION, RECORDS and REPORTS; AUDIT RIGHTS**

Contractor shall retain all books, papers, documents, accounting records and other evidence to support any cost-based billings allowable under Exhibit B (or any other provision of this Contract). Such records shall include, without limitation, time sheets and other cost documentation related to the performance of labor services, as well as subcontracts, purchase orders, other contract documents, invoices, receipts or other documentation supporting non-labor costs. Contractor shall also retain other books and records related to the performance, quality or management of this Contract and/or Contractor 's compliance with this Contract. Records shall be retained by Contractor for a period of at least six (6) years after completion of the Work, or until any audit initiated within that six-year period has been completed (whichever is later). During this six-year period, such records shall be made available at all reasonable times for audit and inspection by UTA and other authorized auditing parties including, but not limited to, the Federal Transit Administration. Copies of requested records shall be furnished to UTA or designated audit parties upon request. Contractor agrees that it shall flow-down (as a matter of written contract) these records requirements to all subContractor s utilized in the performance of the Work at any tier.

### **16. FINDINGS CONFIDENTIAL**

Any documents, reports, information, or other data and materials delivered or made available to or prepared or assembled by Contractor or subcontractor under this Contract are

considered confidential and shall not be made available to any person, organization, or entity by Contractor without consent in writing from UTA. If confidential information is released to any third party without UTA's written consent as described above, contractor shall notify UTA of the data breach within 10 days and provide its plan for immediate mitigation of the breach for review and approval by UTA.

- a. It is hereby agreed that the following information is not considered to be confidential:
  - A. Information already in the public domain.
  - B. Information disclosed to Contractor by a third party who is not under a confidentiality obligation.
  - C. Information developed by or in the custody of Contractor before entering into this Contract.
  - D. Information developed by Contractor through its work with other clients; and
  - E. Information required to be disclosed by law or regulation including, but not limited to, subpoena, court order or administrative order.

## **17. PUBLIC INFORMATION.**

Contractor acknowledges that the Contract and related materials (invoices, orders, etc.) will be public documents under the Utah Government Records Access and Management Act (GRAMA). Contractor's response to the solicitation for the Contract will also be a public document subject to GRAMA, except for legitimate trade secrets, so long as such trade secrets were properly designated in accordance with terms of the solicitation.

## **18. GENERAL INDEMNIFICATION**

Contractor shall indemnify, hold harmless and defend UTA, its officers, trustees, agents, and employees (hereinafter collectively referred to as "Indemnitees") from and against all liabilities, claims, actions, damages, losses, and expenses including without limitation reasonable attorneys' fees and costs (hereinafter referred to collectively as "claims") related to bodily injury, including death, or loss or damage to tangible or intangible property caused, or alleged to be caused, in whole or in part, by the acts or omissions of Contractor or any of its owners, officers, directors, agents, employees or subContractor s. This indemnity includes any claim or amount arising out of the failure of such Contractor to conform to federal, state, and local laws and regulations. If an employee of Contractor , a subContractor , anyone employed directly or indirectly by any of them or anyone for whose acts any of them may be liable brings a claim against UTA or another Indemnitee, Contractor 's indemnity obligation set forth above will not be limited by any limitation on the amount of damages, compensation or benefits payable under any employee benefit acts, including workers' compensation or disability acts. The indemnity obligations of Contractor shall not apply to the extent that claims arise out of the sole negligence of UTA or the Indemnitees.

## **19. INSURANCE REQUIREMENTS**

The insurance requirements herein are minimum requirements for this Contract and in no way limit the indemnity covenants contained in this Contract. The Utah Transit Authority in no way warrants that the minimum limits contained herein are sufficient to protect the Contractor from

liabilities that might arise out of the performance of the work under this contract by the Contractor , his agents, representatives, employees or subContractor s and Contractor is free to purchase additional insurance as may be determined necessary.

A. MINIMUM SCOPE AND LIMITS OF INSURANCE: Contractor shall provide coverage with limits of liability not less than those Stated below. An excess liability policy or umbrella liability policy may be used to meet the minimum liability requirements provided that the coverage is written on a “following form” basis.

1. Commercial General Liability – Occurrence Form

Policy shall include bodily injury, property damage and broad form contractual liability coverage.

• General Aggregate	\$4,000,000
• Products – Completed Operations Aggregate	\$1,000,000
• Personal and Advertising Injury	\$1,000,000
• Each Occurrence	\$2,000,000

- a. The policy shall be endorsed to include the following additional insured language: "The Utah Transit Authority shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor ".
- b. The policy must also contain the following endorsement, WHICH MUST BE STATED ON THE CERTIFICATE OF INSURANCE: "Contractual Liability Railroads" ISO from CG 24 17 10 01 (or a substitute form providing equivalent coverage) showing "Utah Transit Authority Property" as the Designated Job Site

2. Automobile Liability

Bodily Injury and Property Damage for any owned, hired, and non-owned vehicles used in the performance of this Contract.

Combined Single Limit (CSL)	\$2,000,000
-----------------------------	-------------

- a. The policy shall be endorsed to include the following additional insured language: "The Utah Transit Authority shall be named as an additional insured with respect to liability arising out of the activities performed by, or on behalf of the Contractor , including automobiles owned, leased, hired or borrowed by the Contractor ".

3. Worker's Compensation and Employers' Liability

Workers' Compensation	Statutory
Employers' Liability	
Each Accident	\$100,000
Disease – Each Employee	\$100,000
Disease – Policy Limit	\$500,000

- a. Policy shall contain a waiver of subrogation against the Utah Transit Authority.
- b. This requirement shall not apply when a Contractor or subContractor is exempt under UCA, AND when such Contractor or subContractor executes the appropriate waiver form.

**4. Professional Liability (Errors and Omissions Liability)**

The policy shall cover professional misconduct or lack of ordinary skill for those positions defined in the Scope of Services of this contract.

Each Claim	\$1,000,000
Annual Aggregate	\$2,000,000

- a. In the event that the professional liability insurance required by this Contract is written on a claims-made basis, Contractor warrants that any retroactive date under the policy shall precede the effective date of this Contract; and that either continuous coverage will be maintained or an extended discovery period will be exercised for a period of three (3) years beginning at the time work under this Contract is completed.

**5. Railroad Protective Liability Insurance (RRPLI) –**

During construction and maintenance within fifty (50) feet of an active railroad track, including but not limited to installation, repair or removal of facilities, equipment, services or materials, the Contractor must maintain “Railroad Protective Liability” insurance on behalf of UTA only as named insured, with a limit of not less than \$2,000,000 per occurrence and an aggregate of \$6,000,000.

If the Contractor is not enrolling for this coverage under UTA’s blanket RRPLI program, the policy provided must have the definition of “JOB LOCATION” AND “WORK” on the declaration page of the policy shall refer to this Agreement and shall describe all WORK or OPERATIONS performed under this Agreement.

**B. ADDITIONAL INSURANCE REQUIREMENTS:** The policies shall include, or be endorsed to include the following provisions:

1. On insurance policies where the Utah Transit Authority is named as an additional insured, the Utah Transit Authority shall be an additional insured to the full limits of liability purchased by the Contractor. Insurance limits indicated in this agreement are minimum limits. Larger limits may be indicated after the Contractor’s assessment of the exposure for this contract; for their own protection and the protection of UTA.
2. The Contractor’s insurance coverage shall be primary insurance and non-contributory with respect to all other available sources.
3. Contractor and their insurers shall endorse the required insurance policy(ies) to waive their right of subrogation against UTA. Contractor’s insurance shall be primary with respect to any insurance carried by UTA. Contractor will furnish UTA at least thirty (30) days advance written notice of any cancellation or non-renewal of any required coverage that is not replaced.

**C. NOTICE OF CANCELLATION:** Each insurance policy required by the insurance provisions of this Contract shall provide the required coverage and shall not be suspended, voided, or canceled except after thirty (30) days prior written notice has been given to the Utah Transit Authority, except when cancellation is for non-payment of premium, then ten (10) days prior notice may be given. Such notice shall be sent directly to (Utah Transit Authority agency Representative’s Name & Address).

D. ACCEPTABILITY OF INSURERS: Insurance is to be placed with insurers duly licensed or authorized to do business in the State and with an “A.M. Best” rating of not less than A-VII. The Utah Transit Authority in no way warrants that the above-required minimum insurer rating is sufficient to protect the Contractor from potential insurer insolvency.

E. VERIFICATION OF COVERAGE: Contractor shall furnish the Utah Transit Authority with certificates of insurance (on standard ACORD form) as required by this Contract. The certificates for each insurance policy are to be signed by a person authorized by that insurer to bind coverage on its behalf.

All certificates and any required endorsements are to be sent to [utahta@ebix.com](mailto:utahta@ebix.com) and received and approved by the Utah Transit Authority before work commences. Each insurance policy required by this Contract must be in effect at or prior to commencement of work under this Contract and remain in effect for the duration of the project. Failure to maintain the insurance policies as required by this Contract or to provide evidence of renewal is a material breach of contract.

All certificates required by this Contract shall be emailed directly to Utah Transit Authority’s insurance email address at [utahta@ebix.com](mailto:utahta@ebix.com). The Utah Transit Authority project/contract number and project description shall be noted on the certificate of insurance. The Utah Transit Authority reserves the right to require complete, certified copies of all insurance policies required by this Contract at any time. DO NOT SEND CERTIFICATES OF INSURANCE TO THE UTAH TRANSIT AUTHORITY’S CLAIMS AND INSURANCE DEPARTMENT.

F. SUBCONTRACTOR S: Contractor s’ certificate(s) shall include all subContractor s as additional insureds under its policies or subContractor s shall maintain separate insurance as determined by the Contractor , however, subContractor 's limits of liability shall not be less than \$1,000,000 per occurrence / \$2,000,000 aggregate. Sub-Contractor s maintaining separate insurance shall name Utah Transit Authority as an additional insured on their policy. Blanket additional insured endorsements are not acceptable from sub-Contractor s. Utah Transit Authority must be scheduled as an additional insured on any sub-Contractor policies.

G. APPROVAL: Any modification or variation from the insurance requirements in this Contract shall be made by Claims and Insurance Department or the Office of General Counsel, whose decision shall be final. Such action will not require a formal Contract amendment, but may be made by administrative action.

## 20. **OTHER INDEMNITIES**

a. Contractor shall protect, release, defend, indemnify and hold harmless UTA and the other Indemnitees against and from any and all Claims of any kind or nature whatsoever on account of infringement relating to Contractor ’s performance under this Contract. If notified promptly in writing and given authority, information and assistance, Contractor shall defend, or may settle at its expense, any suit or proceeding against UTA so far as based on a claimed infringement and Contractor shall pay all damages and costs awarded therein against UTA due to such breach. In case any portion of the Work is in such suit held to constitute such an infringement or an injunction is filed that interferes with UTA’s rights under this Contract, Contractor shall, at its expense and through mutual agreement between the UTA and Contractor , either procure for UTA any necessary intellectual

property rights, or modify Contractor's services or deliverables such that the claimed infringement is eliminated.

b. Contractor shall: (i) protect, release, defend, indemnify and hold harmless UTA and the other Indemnitees against and from any and all liens or Claims made or filed against UTA or upon the Work or the property on which the Work is located on account of any labor performed or labor, services, and equipment furnished by subContractor s of any tier; and (ii) keep the Work and said property free and clear of all liens or claims arising from the performance of any Work covered by this Contract by Contractor or its subContractor s of any tier. If any lien arising out of this Contract is filed, before or after Work is completed, Contractor, within ten (10) calendar days after receiving from UTA written notice of such lien, shall obtain a release of or otherwise satisfy such lien. If Contractor fails to do so, UTA may take such steps and make such expenditures as in its discretion it deems advisable to obtain a release of or otherwise satisfy any such lien or liens, and Contractor shall upon demand reimburse UTA for all costs incurred and expenditures made by UTA in obtaining such release or satisfaction. If any non-payment claim is made directly against UTA arising out of non-payment to any subContractor, Contractor shall assume the defense of such claim within ten (10) calendar days after receiving from UTA written notice of such claim. If Contractor fails to do so, Contractor shall upon demand reimburse UTA for all costs incurred and expenditures made by UTA to satisfy such claim.

## **21. INDEPENDENT CONTRACTOR**

Contractor is an independent contractor and agrees that its personnel will not represent themselves as, nor claim to be, an officer or employee of UTA by reason of this Contract. Contractor is responsible to provide and pay the cost of all its employees' benefits.

## **22. PROHIBITED INTEREST**

No member, officer, agent, or employee of UTA during his or her tenure or for one year thereafter shall have any interest, direct or indirect, including prospective employment by Contractor in this Contract or the proceeds thereof without specific written authorization by UTA.

## **23. CLAIMS/DISPUTE RESOLUTION**

- a. "Claim" means any disputes between UTA and the Contractor arising out of or relating to the Contract Documents including any disputed claims for Contract adjustments that cannot be resolved in accordance with the Change Order negotiation process set forth in Article 6. Claims must be made by written notice. The responsibility to substantiate claims rests with the party making the claim.
- b. Unless otherwise directed by UTA in writing, Contractor shall proceed diligently with performance of the Work pending final resolution of a Claim, including litigation. UTA shall continue to pay any undisputed payments related to such Claim.
- c. The parties shall attempt to informally resolve all claims, counterclaims and other

disputes through the escalation process described below. No party may bring a legal action to enforce any term of this Contract without first having exhausted such process.

d. The time schedule for escalation of disputes, including disputed requests for change order, shall be as follows:

<b>Level of Authority</b>	<b>Time Limit</b>
UTA's Project Manager Commuter Rail – Ben Adams and William Patterson Light Rail – Marco Gamonal /Contractor's Project Manager /Contractor's Project Manager Paul E. Porter	Five calendar days
UTA's Contract Buyer Jenny Dang/Contractor's Operations Manager Eddie Rodriguez	Five calendar days
UTA's Procurement Manager Troy Hamilton/Contractor's President Richard McLaughlin	Five calendar days

Unless otherwise directed by UTA's Project Manager, Contractor shall diligently continue performance under this Contract while matters in dispute are being resolved.

If the dispute cannot be resolved informally in accordance with the escalation procedures set forth above, then either party may commence formal mediation under the Juris Arbitration and Mediation (JAMS) process using a mutually agreed upon JAMS mediator. If resolution does not occur through Mediation, then legal action may be commenced in accordance with the venue and governing law provisions of this contract.

## 24. **GOVERNING LAW**

This Contract shall be interpreted in accordance with the substantive and procedural laws of the State of Utah. Any litigation between the parties arising out of or relating to this Contract will be conducted exclusively in federal or state courts in the State of Utah and Contractor consents to the jurisdiction of such courts.

## 25. **ASSIGNMENT OF CONTRACT**

Contractor shall not assign, sublet, sell, transfer, or otherwise dispose of any interest in this Contract without prior written approval of UTA, and any attempted transfer in violation of this restriction shall be void.

## 26. **NONWAIVER**

No failure or waiver or successive failures or waivers on the part of either party in the enforcement of any condition, covenant, or article of this Contract shall operate as a discharge of any such condition, covenant, or article nor render the same invalid, nor impair the right of either party to enforce the same in the event of any subsequent breaches by the other party.

## 27. **NOTICES OR DEMANDS**

a. Any formal notice or demand to be given by one party to the other shall be given in writing by one of the following methods: (i) hand delivered; (ii) deposited in the mail, properly

stamped with the required postage; (iii) sent via registered or certified mail; or (iv) sent via recognized overnight courier service. All such notices shall be addressed as follows:

If to UTA:

Utah Transit Authority  
ATTN: Jenny Dang  
669 West 200 South  
Salt Lake City, UT 84101

with a required copy to:

Utah Transit Authority  
ATTN: Legal Counsel  
669 West 200 South  
Salt Lake City, UT 84101

If to Contractor :

MasterCorp Inc.  
ATTN: Paul Porter  
47 East Orange St. Ste. #E6  
Salt Lake City, UT 84116

- b. Any such notice shall be deemed to have been given, and shall be effective, on delivery to the notice address then applicable for the party to which the notice is directed; provided, however, that refusal to accept delivery of a notice or the inability to deliver a notice because of an address change which was not properly communicated shall not defeat or delay the giving of a notice. Either party may change the address at which such party desires to receive written notice by providing written notice of such change to any other party.
- c. Notwithstanding Section 27, the parties may, through mutual agreement, develop alternative communication protocols to address change notices, requests for information and similar categories of communications. Communications provided pursuant to such agreed means shall be recognized as valid notices under this Contract.

**28. CONTRACT ADMINISTRATOR**

UTA's Contract Administrator for this Contract is Jenny Dang or designee. All questions and correspondence relating to the contractual aspects of this Contract should be directed to said Contract Administrator, or designee.

**29. INSURANCE COVERAGE REQUIREMENTS FOR CONTRACTOR EMPLOYEES AND SUBCONTRACTOR S UNDER DESIGN AND CONSTRUCTION CONTRACTS**

- a. The following requirements apply to the extent that the Contractor is providing design or constructin services and (i) the initial value of this Contract is equal to or in excess of \$2 million; (ii) this Contract, with subsequent modifications, is reasonably anticipated to equal or exceed \$2 million; (iii) Contractor has a subcontract at any tier that involves a sub-contractor that has an initial subcontract equal to or in excess of \$1 million; or (iv) any subcontract, with subsequent modifications, is reasonably anticipated to equal or

exceed \$1 million:

- b. Contractor shall, prior to the effective date of this Contract, demonstrate to UTA that Contractor has and will maintain an offer of qualified health insurance coverage (as defined by Utah Code Ann. § 17B-2a-818.5) for the Contractor's employees and the employee's dependents during the duration of this Contract.
- c. Contractor shall also demonstrate to UTA that subContractor's meeting the above-described subcontract value threshold have and will maintain an offer of qualified health insurance coverage (as defined by Utah Code Ann. § 17B-2a-818.5) for the subContractor's employees and the employee's dependents during the duration of the subcontract.

**30. COSTS AND ATTORNEYS FEES**

If any party to this Agreement brings an action to enforce or defend its rights or obligations hereunder, the prevailing party shall be entitled to recover its costs and expenses, including mediation, arbitration, litigation, court costs and attorneys' fees, if any, incurred in connection with such suit, including on appeal

**31. NO THIRD PARTY BENEFICIARY**

The parties enter into this Contract for the sole benefit of the parties, in exclusion of any third party, and no third party beneficiary is intended or created by the execution of this Contract.

**32. FORCE MAJEURE**

Neither party to the Contract will be held responsible for delay or default caused by fire, riot, acts of God and/or war which are beyond that party's reasonable control. UTA may terminate the Contract after determining such delay or default will reasonably prevent successful performance of the Contract.

**33. UTAH ANTI-BOYCOTT OF ISRAEL ACT**

Contractor agrees it will not engage in a boycott of the State of Israel for the duration of this contract.

**34. TRAVEL COSTS**

Any travel costs charged against this contract and paid for with contract funds must be in compliance with UTA's Travel Policy (UTA .02.XX) and the U.S. General Services Administration (GSA) per diem rates

**35. SEVERABILITY**

Any provision of this Contract prohibited or rendered unenforceable by operation of law shall be ineffective only to the extent of such prohibition or unenforceability without invalidating the remaining provisions of this Contract.

### **36. ENTIRE AGREEMENT**

This Contract shall constitute the entire agreement and understanding of the parties with respect to the subject matter hereof, and shall supersede all offers, negotiations and other agreements with respect thereto. The terms of the Contract supersede any additional or conflicting terms or provisions that may be preprinted on Vendor's work plans, cost estimate forms, receiving tickets, invoices, or any other related standard forms or documents of Vendor that may subsequently be used to implement, record, or invoice Goods and/or Services hereunder from time to time, even if such standard forms or documents have been signed or initialed by a representative of UTA. The terms of the Contract prevail in any dispute between the terms of the Contract and the terms printed on any such standard forms or documents, and such standard forms or documents will not be considered written amendments of the Contract.

### **36. AMENDMENTS**

Any amendment to this Contract must be in writing and executed by the authorized representatives of each party.

### **37. COUNTERPARTS**

This Contract may be executed in any number of counterparts and by each of the parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Any signature page of the Contract may be detached from any counterpart and reattached to any other counterpart hereof. The electronic transmission of a signed original of the Contract or any counterpart hereof and the electronic retransmission of any signed copy hereof shall be the same as delivery of an original.

### **38. SURVIVAL**

Provisions of this Contract intended by their nature and content to survive termination of this Contract shall so survive including, but not limited to, Articles 5, 7, 8, 10, 14, 15, 17, 18, 19, 20, 23, 29 and 30.

IN WITNESS WHEREOF, the parties have made and executed this Contract as of the day, month and year of the last signature contained below.

**EXHIBIT A****STATEMENT OF WORK  
LIGHT RAIL VEHICLES**

The contractor shall provide all necessary equipment (cleaning and/or other), labor, materials, cleaning supplies, transportation as necessary to provide cleaning services on the UTA light rail vehicles as identified in the Statement of Work.

**LIGHT RAIL VEHICLES (LRV):** There are more than one makes and model of Light Rail Vehicle to be serviced under this contract. All are treated equal as to cleaning requirements and cleaning costs. All may be referred to as an LRV.

**CONSUMABLE CLEANING SUPPLIES:** The contractor shall provide all consumable supplies. Cost of supplies will be included in the cost of the cleaning service. No outside chemicals or cleaning products will be permissible on UTA property. All cleaning supply chemicals including sanitizer and bio kits will be furnished by the UTA.

The contractor will maintain a sufficient stock of consumable supplies at or easily accessible to the service location(s). Service locations and service schedules will be identified by the responsible Vehicle Maintenance Manager.

**LIST OF SUPPLIES/MATERIALS TO BE PROVIDED BY THE CONTRACTOR: (LIST IS REPRESENTATIVE AND MAY NOT BE ALL INCLUSIVE)**

<b>REQUIRED CLEANING EQUIPMENT MATERIAL AND SUPPLIES (AS REQUIRED)</b>	
001	Brooms, Mops & Mop Heads
002	Scrub Brushes
003	Cleaning Rags & Wipes
004	Buckets, Pails
005	Step Stools & Ladders
006	Window Squeegees, Tools and Cleaners
007	Extension Cords
008	Personal Protection Equipment (PPE) and Supplies
009	Vacuum Cleaners, Tank & Upright as Required
010	Buffers & Floor Machines as Required

## **DAY PORTER SERVICES:**

### **CONTRACT REQUIREMENTS AND CONDITIONS:**

- Clean LRV's at Daybreak Parkway Station, West Valley Hub Station, Central Pointe Station (S-Line), Draper Towne Center Station, Salt Lake Central Station, Airport Station, and Medical Center Station.
- Cleaning to be performed **Monday thru Saturday 06:30am – 9:30am and 14:30pm – 18:30pm.**
- Contract cleaners will not have any break or lunch breaks while a train is at the station. Contract cleaner(s) must always stay on site.
- LRV's need to be cleaned immediately as they arrive without delay. (There could be less than 10 minutes to clean the train).
- Cleaners must not delay train departure. If a train is not thoroughly cleaned by scheduled departure time, deductions to pay may be made (see schedules below). Train pullout time will not be delayed; train will leave as scheduled even if the cleaner is still on the train. Cleaner will then need to get off at the first stop and return to Daybreak Parkway Station, West Valley Hub Station, Central Pointe Station (S-Line), Draper Towne Center Station, Salt Lake Central Station, Airport Station, and Medical Center Station.
- Deductions of pay may be made if cleaning is not acceptable to UTA Management.
- All cleaning supply chemicals including sanitizer and bio kits will be furnished by the UTA.
- Contractor employees will wear medical gloves and respiratory masks as needed.
- Contractor personnel must sign in/out on time sheet daily and check in/out with a UTA Supervisor.
- The contractor will provide other duties as assigned by UTA personnel as needed to include occasional minor cleanup at stations or platforms.

### **CONTRACT CLEANING SUPERVISOR WILL BE REQUIRED TO DO THE FOLLOWING:**

- Check cleaner's progress at to Daybreak Parkway Station, West Valley Hub Station, Central Pointe Station (S-Line), Draper Towne Center Station, Salt Lake Central Station, Airport Station, and Medical Center Station at least once per shift and clear up any problems.
- Contact a UTA Representative at the beginning of cleaning to find out specific needs.
- Contact a UTA Representative when finished each day to find out specific needs.
- Be available to be contacted 24 hours a day 7 days a week to take care of problems that may arise.
- Problems should be resolved in a reasonable amount of time to be determined by UTA.
- Must check and sign off duties performed by employees and provide a copy of check sheet to UTA Personnel and maintain records of them.
- Attend Rail Vehicle Manager Staff Meetings as requested.

**UTA SUPERVISORS:** Throughout the day the UTA Supervisors are the primary point of contact for the operation and control of the station platform. Contractor personnel will work with and cooperate with the Supervisors for immediate needs in the area. However, maintenance and upkeep of the rail cars has priority over activities or needs on the platform.

### **DAY & AFTERNOON PORTER SCHEDULES:**

\*May require extended services which will be negotiated at that time.

## **STATEMENT OF WORK COMMUTER RAIL**

The Contractor shall provide all equipment (cleaning and/or other), labor, materials, cleaning supplies, restroom supplies, paper supplies and transportation necessary to provide cleaning services on the UTA Frontrunner cars as identified in the Statement of Work.

**CONSUMABLE SUPPLIES:** The contractor shall provide all consumable supplies. Cost of supplies will be included in the cost of the cleaning service. Product samples must be submitted to UTA for approval. Only those products approved by UTA will be used on UTA property. (See also “SAFETY DATA SHEETS (SDS)”).

If any consumables are to be delivered to a UTA site, they shall be verified and signed for by a UTA assigned person.

The contractor will maintain a sufficient stock of consumable supplies at or easily accessible to the service location(s). Service locations and service schedules will be identified by the responsible vehicle maintenance manager.

**PAPER PRODUCTS/LIQUID HAND SOAP/HAND SANITIZER:** The Contractor shall provide all paper products (toilet paper, paper towels, and sanitary napkins) and liquid hand soap/hand sanitizer. These items will be ordered through an approved UTA vendor. Bills for these items will be billed directly to UTA as approved under a UTA contract. Product samples must be submitted to the UTA Rail Vehicle Representative for approval.

All deliveries shall be verified and signed for by a UTA assigned person.

If any consumables are to be delivered to a UTA site, they shall be verified and signed for by a UTA assigned person.

The contractor will maintain a sufficient stock of consumable supplies at or easily accessible to the service location(s). Service locations and service schedules will be identified by the responsible vehicle maintenance manager.

### **REQUIRED CLEANING EQUIPMENT MATERIALS AND CONSUMABLE SUPPLIES (AS REQUIRED):**

<b>ITEM #</b>	<b>DESCRIPTION</b>
001	Brooms, mops & mop heads
002	Scrub brushes
003	Cleaning rags & wipes
004	Buckets, pails, and basins
005	Step stools & ladders
006	Vacuum cleaners, wet vacuum, tank & upright as required
007	Buffers & floor machines as required
008	Window squeegees, tools & cleaners
009	Person protection equipment (PPE) and supplies

**REMOVED OR REMOTE LOCATION:** If the situation should arise, the contractor may be required to provide service at a location other than the Provo Station, Ogden Station, Warm Springs Yard or Warm Springs Building. This would be primarily for emergency clean-up services.

**EXTENDED SERVICE:** Periodically additional or extended service may be required to meet the needs of UTA. Such needs may be the result of sports events or other civil functions. The contractor agrees to provide additional service coverage: additional costs will be in line with the agreed to contract pricing.

**DAY PORTER SERVICES – FRONTRUNNER:**

**CONTRACT REQUIREMENTS AND CONDITIONS:**

- Clean Frontrunner train cars at the Ogden and Provo stations
- Cleaning to be performed Monday thru Friday 7:00 a.m. – 11:00 p.m. at the Provo Station and 8:00 a.m. – 4:30 p.m. at the Ogden Station (Times subject to change to match current UTA working schedule)
- Coach cleaners may take a short break in between trains. Coach cleaner(s) must always stay on site.
- Coaches need to be cleaned immediately as they arrive without delay. (There will be less than an average of 20 minutes to clean the train).
- Cleaners must not delay train departure. If a train is not thoroughly cleaned by scheduled departure time, deductions to pay may be made (see schedules below). Train pullout time will not be delayed: train will leave as scheduled even if cleaner is still on the train. If cleaner is unable to complete the cleaning in time, they will need to board the train and clean then they will need to get off at the first stop and return to the end of the line.
- Deductions of pay may be made if cleaning is not acceptable to UTA management.
- All consumable supplies including garbage can liners, cleaning supplies etc. will be furnished by contractor.
- Paper products (toilet paper, paper towels and sanitary napkins) and liquid hand soap will be furnished by contractor (see “Paper Products/Liquid Hand Soap/Hand Sanitizer”).
- All cleaning supplies including sanitizer and bio kits will be furnished by the contractor.
- Contractor employees will wear medical gloves. Contractor employees will wear respiratory masks as needed.
- Contractor employees must sign in/out on a time sheet daily.
- The contractor will provide other duties as assigned by UTA personnel as needed.

**CLEANING SUPERVISOR WILL BE REQUIRED TO DO THE FOLLOWING:**

- Check cleaner's progress at End of Line stations every 3 hours and clear up any problems.
- Contact a UTA Representative when finished each day to find out specific needs.
- Be available to be contacted 24 hours a day 7 days a week to take care of problems that may arise.
- Problems should be resolved in a reasonable amount of time to be determined by UTA.
- Must check and sign off duties performed by employees and provide a copy of check sheet to UTA personnel and maintain a record of them.

**TRAIN HOSTS/STATION HOSTS:** Throughout the day the primary point of contact will be a UTA representative at Warm Springs Yard or an Operations Field Supervisor. Contractor personnel will work with and cooperate with the Station Host for immediate needs in the area. However, maintenance and upkeep of the rail cars has priority over activities or needs on the platform.

**SITE LOCATIONS:**

Ogden Station  
2350 S Wall Ave  
Ogden, UT 84401

Provo Station  
690 S University Ave  
Provo, UT 84601

**CLEANING REQUIREMENTS (END OF LINE PORTER SERVICE):** All tasks are required for each train pull-out.

LOCATION	TASK DESCRIPTION
----------	------------------

<b>RESTROOMS</b>	1. Replace toilet paper, paper towels and soap dispensers (liquid antibacterial soap) as needed

## EXHIBIT B

This Contract will not exceed \$4,695,121.41 for three (3) years for all services and efforts as described in the Scope of Work and Contract above with the detailed pricing below. The additional option years shall not exceed \$1,632,406.17 for the first option year and \$1,685,464.39 for the second option year. UTA will pay for these services each month after approval of monthly invoices. An invoice for work completed shall be submitted monthly by the Consultant to the UTA Accounts Payable department.

### **COST SCHEDULE** **TRAX LIGHT RAIL**

**1. DAY PORTER SERVICES:** Pricing and payment will be at an hourly rate for Porter services provided at \*Daybreak Parkway Station, West Valley Hub Station, Central Pointe Station, Draper Towne Center Station, Salt Lake Central Station, Medical Center Station, and Airport Station. It is the responsibility of the contractor to average out the costs of the different locations and varying days of the week.

**BASIC CONTRACT PERIOD (July 1, 2023 – June 30, 2026):**

Rail Car Cleaning Services	Hours Per Shift AM	Hours Per Shift PM	Dollar Amount (Per Hour)
Daybreak Parkway Station Rail Car Cleaning – Monday through Saturday	3	4	
West Valley Central Station Rail Car Cleaning – Monday through Saturday	3	4	
Draper Towne Center Station Rail Car Cleaning – Monday through Saturday	3	4	
Central Pointe Station Rail Car Cleaning – Monday through Saturday	2	0	\$ 18.99 Per Hour
Medical Center Station Rail Car Cleaning – Monday through Saturday	3	4	
Airport Station Rail Car Cleaning - Monday through Saturday	3	4	
Salt Lake Central Station Rail Car Cleaning – Monday through Saturday	3	4	

\*Daybreak Parkway Station Porter Services will be at an hourly rate. Daybreak Parkway Station Night Cleaning Services will be at a per car rate. (See Daybreak Parkway Station Night Cleaning Services).

### **DAYBREAK PARKWAY STATION NIGHT CLEANING SERVICES**

Pricing and payment will be per train car cleaned. (See schedule and estimates below)

#### **BASIC CONTRACT PERIOD (July 1, 2023 – June 30, 2026):**

	<b>Estimated Number Per Day</b>	<b>Dollar Amount Per Car</b>
Rail Cars Sunday (To include “As Required” items noted above)	3	\$ 16.96 Per Car
Rail Cars Monday – Thursday (To include “As Required” items noted above)	7	
Maintain Service Area (See Pay Element 5) Sunday – Thursday Night	Nightly – (Daybreak Platform – Tail Track)	\$12.03

\*See below for daily/monthly estimates.

Pricing and payment will be based per the ACTUAL number of vehicles serviced at the Daybreak Parkway Station. The number of vehicles indicated is for a one-month period and is provided as a representation and an estimate for bidding purposes only. Vehicle numbers are an estimate based on current schedules but may change for a variety of reasons throughout the year and from week to week. Working days and/or hours may change with the needs of UTA. Payment will only be made for vehicles cleaned.

Sunday Daybreak LRV night cleaning: 3 cars x 1 = 3 x 52 weeks annually = 156 vehicles annually divided by 12 months = 13 Monthly.

Monday through Thursday Daybreak LRV night cleaning: 7 cars x 4 = 28 x 52 weeks annually = 1456 vehicles annually divided by 12 months = 121 Monthly.

**NIGHTLY CLEANING SERVICES ((JORDAN RIVER RAIL SERVICE CENTER (JRRSC) and MIDVALE RAIL SERVICE CENTER (MRSC))**

Pricing and payment will be per train car cleaned. (See schedule and estimates below)

**BASIC CONTRACT PERIOD (July 1, 2023 – June 30, 2026):**

	Estimated Number		Dollar Amount Per Car
	JRRSC	MRSC	JRRSC/MRSC
Rail Cars Monday – Thursday (To include “As Required” items noted above).	39	19	
Rail Cars Friday (To include “As Required” items noted above).	40	20	\$21.69 Per Car
Rail Cars Saturday (To include “As Required” items noted above).	30	19	
Rail Cars Sunday (To include “As Required” items noted above).	17	11	
Maintain Service Area (See Pay Element 5)	Daily	Daily	\$12.03 Per Area

**FIRST OPTION YEAR (July 1, 2026 – June 30, 2027):**

	Estimated Number		Dollar Amount Per Car
	JRRSC	MRSC	JRRSC/MRSC
Rail Cars Monday – Thursday (To include “As Required” items noted above).	39	19	\$23.18 Per Car

Rail Cars Friday (To include "As Required" items noted above).	40	20	
Rail Cars Saturday (To include "As Required" items noted above).	30	19	
Rail Cars Sunday (To include "As Required" items noted above).	17	11	
Maintain Service Area (See Pay Element 5)	Daily	Daily	\$12.51 Per Area

**SECOND OPTION YEAR (July 1, 2027 – June 30, 2028):**

	Estimated Number		Dollar Amount Per Car
	JRRSC	MRSC	JRRSC/MRSC
Rail Cars Monday – Thursday (To include "As Required" items noted above).	39	19	
Rail Cars Friday (To include "As Required" items noted above).	40	20	\$24.11 Per Car
Rail Cars Saturday (To include "As Required" items noted above).	30	19	
Rail Cars Sunday (To include "As Required" items noted above).	17	11	
Maintain Service Area (See Pay Element 5)	Daily	Daily	\$13.01 Per Area

\*See below for nightly/monthly estimates.

Pricing and payment will be based per the ACTUAL number of vehicles serviced at the Jordan River Rail Service Center (JRRSC) and the Midvale Rail Service Center (MRSC). The number of vehicles indicated is for a one-month period and is provided as a representation and an estimate for bidding purposes only. Vehicle numbers are an estimate based on current schedules but may change for a variety of reasons throughout the year and from week to week. Working days and/or hours may change with the needs of UTA. Payment will only be made for vehicles cleaned.

**Monday through Thursday LRV night cleaning:** 58 cars x 4 = 232 x 52 weeks annually = 12,064 vehicles annually divided by 12 months = **1,005** Monthly.

**Friday night cleaning:** 60 cars x 52 weeks annually = 3,120 vehicles divided by 12 months = **260** Monthly

**Saturday night cleaning:** 49 cars x 52 weeks annually = 2,548 vehicles divided by 12 months = **212** Monthly

**Sunday night cleaning:** 28 cars x 52 weeks annually = 1,456 vehicles divided by 12 months = **121** Monthly

**Estimated Total Cars per Month:** **1005 + 260 + 212 + 121 = 1,598** monthly

#### **MAJOR DEEP CLEANING SERVICES ((JORDAN RIVER RAIL SERVICE CENTER (JRRSC) and MIDVALE RAIL SERVICE CENTER (MRSC))**

Pricing and payment will be per train car cleaned. (See schedule and estimates below)

# Utah Transit Authority

669 West 200 South  
Salt Lake City, UT 84101

## MEETING MEMO

---

Board of Trustees

Date: 9/13/2023

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Mary DeLoretto, Chief Capital Services Officer  
**PRESENTER(S):** Dave Hancock, Director Capital Development  
Andrea Pullos, Project Manager

**TITLE:**

Contract: MidValley Connector Lease Agreement (West Valley City)

---

**AGENDA ITEM TYPE:**

Non-Procurement Agreement

---

**RECOMMENDATION:**

Approve and authorize lease agreement with West Valley City

---

**BACKGROUND:**

UTA is in the process of preparing to construct the MidValley Connector Bus Rapid Transit (BRT) project (UTA Project MSP253). As part of the project, UTA is working with local jurisdictions to collect right-of-way and access to local roadways for the busway. This creates the need for a lease agreement with the local jurisdiction. The busway for the MidValley Connector BRT project will be utilizing West Valley City roads and will expand the bus hub.

---

**DISCUSSION:**

The lease agreement with West Valley City and UTA contains the following:

- West Valley leases to UTA portions of their street for stations
- No lease value assigned to street for FTA reporting
- West Valley leases to UTA property for the West Valley Hub
  - **Lease valued at \$510K for FTA reporting; no actual funds exchanged**
- Installation of 8' post and panel wall along 2700 West with the Project installing the wall and West Valley purchasing the right of way needed for the construction
- Install transformer on the leased property to accommodate a high-speed bus charger. Excess capacity of transformer will be 1000 kW available to City for vehicle charging stations at City Hall.

- UTA responsible for maintenance of UTA facilities and stations including snow removal from BRT hub area.
- West Valley responsible for all street maintenance and improvements

---

#### **CONTRACT SUMMARY:**

<b>Contractor Name:</b>	West Valley City
<b>Contract Number:</b>	23-P00279
<b>Base Contract Effective Dates:</b>	September 13, 2023
<b>Extended Contract Dates:</b>	September 13, 2073

#### **ALTERNATIVES:**

None

---

#### **FISCAL IMPACT:**

This agreement will create additional land assets (right-to-use) for UTA for the West Valley Station and six additional stations on 2700 West. Donated property is received by UTA at its appraised value at time of donation.

This agreement will also lease out one electrical transformer to be constructed on the Project to West Valley City. The value of this asset has yet to be determined.

This agreement identifies the right to build a wall on West Valley City's property line on 2700 West, but no land asset has been valued at this time, and due to nature of property line, land under the future fences will not be able to be valued.

---

#### **ATTACHMENTS:**

- 1) West Valley City Lease Agreement

## PUBLIC WAY LEASE AGREEMENT

This Public Way Lease Agreement (the "Agreement") is entered into as of 13th day of June, 2023 (the "Execution Date"), by and between the UTAH TRANSIT AUTHORITY, a large public transit district organized pursuant to the laws of the State of Utah (hereinafter "UTA"), the MUNICIPAL BUILDING AUTHORITY OF WEST VALLEY CITY, a Utah political subdivision, and WEST VALLEY CITY CORPORATION, a Utah municipality and political subdivision (hereinafter and collectively "West Valley City").

### RECITALS

WHEREAS, West Valley City owns and has jurisdiction over a network of streets within its municipal boundaries;

WHEREAS, UTA is engaged in a project ("Project") to design, construct, and operate the Midvalley Bus Rapid Transit that will follow a route through West Valley City (the "BRT"), and which will serve the residents of West Valley City;

WHEREAS, West Valley City signed a Memorandum of agreement outlining the city's understanding of and commitment to the BRT design and construction;

WHEREAS, the Parties desire to enter into this Agreement to (i) provide UTA with the right to construct and operate the BRT in West Valley City, and (ii) to define the Parties' roles and responsibilities with respect to the design and construction of the Project, and with respect to the operation and maintenance of the completed BRT.

### AGREEMENT

NOW THEREFORE, based on the stated Recitals, which are incorporated herein by reference, and for and in consideration of the mutual covenants and agreements hereinafter set forth, the mutual benefits to the Parties to be derived herefrom, and for other valuable consideration, the receipt and sufficiency of which the Parties acknowledge, it is hereby agreed as follows:

### ARTICLE I INCORPORATED TERMS AND DEFINITIONS

For purposes of this Agreement, the following definitions shall apply:

1.1 "BRT Stations" means the designated stops along the BRT, also known as platforms, which may appear on the side of the road). The BRT Stations do not include the underlying real property.

1.2 "BRT Roadway Areas" means street improvements installed solely and exclusively for the use of the BRT System, such as concrete bus pads, but do not include the underlying real property.

1.3 "West Valley City Streets" means those public streets within West Valley City's municipal boundaries that are not designated as State highways under Utah Code Ann. Title 72, Chapter 4.

1.4 "West Valley City Street Improvements" means the land, roadway materials, curb, gutter, sidewalks and other improvements to be acquired, installed, constructed, reconstructed, or relocated on West Valley City Streets as part of the Project, and which are not considered UTA facilities. The West

Valley City Street Improvements include relocated sidewalks, widened roadways, and traffic control devices not found on UDOT highways.

1.5 "Party" and "Parties" means UTA or West Valley City, and UTA and West Valley City, respectively.

1.6 "UTA Facilities" means: the BRT Stations and appurtenant improvements such as canopies, benches, and ticket vending machines; the BRT Roadway Areas; communications infrastructure serving the BRT Stations; and all traffic signal infrastructure or equipment dedicated to the BRT System, such as dedicated signal heads or signal lights and control devices or other equipment within signal cabinets (BRT Signal Equipment).

## **ARTICLE II** **ALIGNMENT AND LEASE OF WEST VALLEY CITY STREETS**

2.1 The BRT alignment is depicted on "Exhibit A" and "Exhibit A-2" ("Exhibit A and A-2" are attached hereto and hereby incorporated into and made a part of this Agreement by reference).

2.2 West Valley City leases to UTA the following portions of West Valley City Streets (collectively referred to as the "Leased Premises") for the use of UTA Facilities as depicted in the maps attached as Exhibit "A."

2.2.1 Such subsurface areas of West Valley City Streets along the BRT alignment as are necessary for UTA to install communications infrastructure such as duct banks, conduit, and fiber as necessary for the efficient operation of the BRT, but not to include such subsurface areas that are already occupied by existing or currently planned utilities or other subsurface areas where the location of BRT communications infrastructure would have an unreasonable negative impact on existing or currently planned utilities.

2.3 The general descriptions of the areas leased to UTA for UTA Facilities provided above are based on the final design drawings (also referred to hereafter as the "FDD" and attached hereto as Exhibit D) contained in the civil drawings for the Project, in Parties' possession. The final, precise locations and boundaries of the areas leased to UTA for UTA Facilities are set forth in the FDD. The Project shall be constructed by UTA in accordance with the FDD.

2.4 As of the Execution Date of this Agreement, some of the area leased to UTA for UTA Facilities, as described above, may not be owned by West Valley City. UTA shall, as part of the Project, acquire those areas through voluntary transactions, or, if necessary, request that the Utah Department of Transportation (hereafter "UDOT") acquire those areas through the use of eminent domain, as provided in Utah Code Ann. § 17B-2a-820. Following the completion of the Project, UTA will convey and dedicate those areas to West Valley City, in a manner to be determined by West Valley City. Upon such conveyance or dedication to West Valley City, the leases described above will take effect as to those areas, subject to Section 3.1.

2.5 The appraised value of the lease described above is valued at \$510,000 (inclusive of rights-of-way to be purchased by UTA from private property owners and transferred to West Valley City for inclusion under this Agreement). West Valley City is donating the rights set forth in this Agreement to UTA at no cost, as an in-kind contribution to the Project.

2.6 West Valley City shall own the West Valley City Street Improvements, and will have no ownership interest in the UTA Facilities.

2.7 Notwithstanding the use of the term “lease” in this Agreement, the Parties do not intend that UTA be deemed a “tenant” pursuant to Utah Code Ann. § 78B-6-801 *et seq.* Rather, the Parties intend that the Parties’ rights and remedies under this Agreement be determined solely by the express terms of this Agreement.

2.8 UTA shall design and construct the 8’ tall post and panel privacy/retaining wall along 2700 West as shown in Exhibit C, with associated costs shared between the parties as described below. Wall pattern and color to be determined and approved by West Valley City. Wall to be constructed per Midvalley Connector (Project #MSP253) project special provisions 02860S and 02861M. UTA shall be responsible for identifying right-of-way, easement, and utility relocation needs necessary to accommodate the wall. The City shall be responsible for acquisition of necessary right-of-way, easements, and relocation of utilities necessary to accommodate said wall. Actual costs for transfer between West Valley City and the Project will be determined once West Valley City has acquired the ROW and easements necessary for wall construction. Distribution of wall costs between West Valley City and the Project will be:

<b>As depicted in Exhibit C, on 2700 West bordering residences of</b>	<b>Costs Project is responsible for</b>	<b>Costs West Valley City is responsible for</b>
4078 S Dublin Cir 4080 S Dublin Cir	ROW and Easement Identification Utility Relocation Identification Construction Design Costs Construction Management Items not estimated (up to \$8000) Contingency (Up to \$4000)	ROW and Easement Acquisition ROW and Easement Document Preparation Utility Relocation
4084 S Dublin Cir 4072 S Dublin Cir 4068 S Dublin Cir 4058 S 2665 W 4050 S 2665 W 2679 W Westshire Dr	ROW and Easement Identification Utility Relocation Identification Design Costs Construction Management	ROW and Easement Acquisition ROW and Easement Document Preparation Utility Relocation Construction Items not estimated (up to \$26,500) Contingency (up to \$15,000)

2.9 The Project shall install a transformer on the leased property as set forth in the FDD to accommodate a high speed bus charger. UTA shall permit the City to use the excess capacity of said transformer to install vehicle charging stations at City Hall. Excess capacity available for the City is 1000 kW. UTA shall not be responsible for the cost of installing or connecting said vehicle charging stations.

### **ARTICLE III TERM**

3.1 This Agreement is executed with the anticipation UTA will be awarded a Capital Improvement grant from the Federal Transit Administration (FTA), in an amount sufficient, together with local funding, to complete the Project. This Agreement is expressly conditioned on UTA executing a Capital Improvement Grant Agreement with FTA. If UTA and FTA do not execute a Capital Improvement Grant Agreement, this Agreement shall be of no further force or effect. The FTA shall retain a federal interest in the improvements made to UTA Facilities using federal funds, for which improvements UTA shall maintain continuing control during the term of this Agreement and any renewals thereof.

3.2 The rights set forth above are for an initial term of fifty (50) years from Execution Date of this Agreement, and will automatically renew for an additional term of twenty five (25) years unless either Party provides notice at least one hundred and eighty (180) days prior to the expiration of the initial term that it does not intend to renew the Agreement.

3.2.1 Notwithstanding section 3.1, West Valley City may terminate this Agreement prior to the expiration of the initial term if (i) UTA permanently terminates or abandons transit service on the Lease Premises, (ii) UTA does not provide transit service on the Leased Premises for a period of one (1) year, except when due to a force majeure event and any time necessary to reconstruct UTA Facilities, or (iii) UTA commits a material, continuing breach of this Agreement that subjects West Valley City to irreparable harm for which monetary damage are inadequate compensation.

3.2.2 Prior to terminating the Agreement for one of the reasons stated in section 3.3.1, West Valley City shall provide UTA with written notice of its intent to terminate and its basis for doing so. If UTA does not recommence transit service or cure the breach, as applicable, within six (6) months from the date of West Valley City's notice, the right granted in the Agreement will terminate and UTA shall, upon West Valley City's request and at UTA's sole cost, remove all UTA Facilities within six (6) months of said termination.

## **ARTICLE IV OPERATION AND MAINTENANCE**

4.1 UTA shall operate the BRT and provide regular service to the general public in accordance with applicable Federal and State law.

4.1.1 In recognition of the safety concerns associated with potentially crowded station platforms, substantial foot traffic, street traffic and system vehicle traffic, and the resulting need for crowd control and attention to surroundings, the Parties intend that no part of the BRT Stations or BRT Roadway Areas will be considered public forums.

4.1.2 Without the prior written approval of West Valley City, no commercial advertising shall be allowed on the BRT Station or other UTA Facilities except that advertising for the BRT itself shall be allowed to the extent it conforms to the West Valley City code, subject to UTA approval of any advertising thereupon.

4.1.3 As part of the Project, traffic signal systems along the BRT alignment will be programmed to give priority to BRT vehicles (except that the highest priority will always be given to emergency vehicles) where the Parties deem appropriate, with the intent of striking an appropriate balance between BRT efficiency and other local and regional traffic needs. The initial signal timing will be determined by the Parties as part of the design process. Once the BRT is operational, upon the request of one Party, the Parties shall meet to assess system performance and discuss potential adjustments to the traffic signal priority system. The Parties agree to work together to attempt to implement a solution that meets each Party's needs to the greatest extent possible and to take advantage of technologies to improve system performance for both the BRT and general traffic. The Parties acknowledge that ideally, BRT buses need to be able to jump traffic queues in order to re-enter mixed traffic and that the BRT needs to operate with regular, predictable headways. However, the parties further acknowledge that UDOT (working in coordination with West

Valley City) reserves the right, in its sole discretion, to adjust signal timing to address competing needs and UDOT shall at times retain ultimate control of timing and signalization priority on State highways.

4.2 UTA shall be responsible for all routine maintenance and long-term maintenance of the UTA Facilities and BRT Stations, except for routine maintenance of, and snow removal from, the BRT Roadway Areas.

4.2.1 West Valley City shall be responsible for all routine and long-term maintenance of the West Valley City Street Improvements.

4.2.2 Long term maintenance of West Valley City Streets includes surface treatment such as slurry sealing, micro-surfacing, asphalt mill and overlay, as well as more comprehensive pavement replacement. Any such maintenance within the BRT System will be coordinated between the Parties to minimize disruption to the BRT and other traffic.

4.2.4 To coordinate maintenance responsibilities, the Parties shall exchange routine and emergency contact information and keep such information current marked "Exhibit "B", which exhibit is intended by the Parties to be a living document updated at least on a quarterly basis. ("Exhibit B" is attached hereto and hereby incorporated into and made a part of this Agreement by reference).

4.3 UTA acknowledges the existence of public and private utility facilities under the BRT Stations. West Valley City reserves the right to enter the BRT Stations, and authorize other utility owners to do the same, as and when reasonably necessary to inspect, maintain, repair, or replace facilities located on, under, or adjacent to the BRT Stations. To the extent reasonably possible, West Valley City shall coordinate such work with UTA in advance, in order to ensure safety and to minimize disruption of BRT operations. Following completion of the BRT, UTA will not disapprove of West Valley City's request to make minor realignments of the BRT Lanes if West Valley City pays for the realignment and the realignment of the lane does not have significant impact to the BRT route or operation.

4.3.1 West Valley City may grant additional franchises and permits in the future for utility facilities under or over BRT Stations, so long as such facilities do not unreasonably interfere with operations of the BRT. West Valley City shall notify UTA of (i) any requests for new permits under or over the BRT Stations, and (ii) any applications for street cut permits within the BRT stations. UTA shall have two (2) weeks to review and object to such requests or applications prior to work commencing. The Parties shall cooperate to minimize disruption to BRT service caused by the granting of any new permits for new utility facilities.

4.4 UTA will select and engage a qualified firm to construct the BRT System.

4.4.1 UTA and the construction firm shall obtain a right of way permit from West Valley City for the work performed in West Valley City Streets. West Valley City shall, as an in-kind contribution to the project, waive all fees typically charged for right of way permits and inspections within the right of way.

4.4.2 All construction within West Valley City Streets together with construction on State Highways in areas located behind the back of curb shall comply with West Valley City's currently adopted engineering standards.

4.4.3 Throughout the construction process, West Valley City will have continuous access to the project site to monitor project construction and to ensure the construction meets applicable city specifications and is performed in accordance with the final design documents.

## **ARTICLE V INDEMNITY**

5.1 UTA shall use the Leased Premises at its own risk and agrees to indemnify, defend, and hold harmless West Valley City and West Valley City's officers, officials, employees, and representatives for, from, and against all liabilities, claims, damages, losses, suits, judgments, causes of action and costs (including court costs and attorneys' fees,), of any nature, kind or description ("Losses") resulting from: (a) negligence or fault on the part of UTA or any employees, officials, agents or contractors of UTA related to the design, construction, maintenance or other work performed by or on behalf of UTA on the BRT within the Leased Premises; and (b) negligence or fault on the part of UTA or any employees, officials, agents, or contractors of UTA in the use or operation of the BRT within the Leased Premises, or (c) UTA's breach of any provision of this Agreement. In the event any Losses are caused by the joint or concurrent negligence of UTA and West Valley City, UTA shall indemnify West Valley City only in proportion to UTA's own negligence and/or fault. Likewise, West Valley City agrees to indemnify, defend, and hold harmless UTA and UTA's officers, officials, employees, and representatives for, from, and against all liabilities, claims, damages, losses, suits, judgments, causes of action and costs (including court costs and attorneys' fees,), of any nature, kind or description ("Losses") resulting from negligence or fault on the part of West Valley City or any employees, officials, agents related to its involvement with the Project. In the event any Losses are caused by the joint or concurrent negligence of UTA and West Valley City, West Valley City shall indemnify UTA only in proportion to West Valley City's own negligence.

5.2 Governmental Immunity: UTA and City are governmental entities under the Governmental Immunity Act, Section 63G-7-101 *et seq.* 1953 of the Utah Code (as amended) (the "Governmental Immunity Act"). Notwithstanding any provision to the contrary in this Agreement, (i) the obligations to indemnify, defend and/or hold harmless in this Agreement are limited to the dollar amounts set forth in the Governmental Immunity Act and are further limited only to the claims that arise from the negligent acts or omissions of the parties, and (ii) nothing in this Agreement shall be construed to be a waiver of either party of any defenses or limits of liability available under the Government Immunity Act.

## **ARTICLE VI ENTIRE AGREEMENT – COUNTERPARTS**

This Agreement shall constitute the entire agreement and understanding of the Parties with respect to the subject matter hereof, and shall supersede all offers, negotiations and other agreements with respect thereto. Any amendment to this Agreement must be in writing and executed by the authorized representatives of each Party. This Agreement may be executed in any number of counterparts and by each of the Parties hereto on separate counterparts, each of which when so executed and delivered shall be an original, but all such counterparts shall together constitute but one and the same instrument. Any signature page of this

Agreement may be detached from any counterpart and reattached to any other counterpart hereof. The facsimile transmission of a signed original of this Agreement or any counterpart hereof and the retransmission of any signed facsimile transmission hereof shall be the same as delivery of an original. To facilitate execution of this Agreement, the parties may execute and exchange and sign this agreement through electronic or digital signatures, electronic mail or mailed counterparts of the signature pages, which shall be valid, binding and admissible as though original.

This Agreement is binding upon all of the assigns, grantees and successors in interested to each of the Parties, and shall remain in full force and effect until amended as provided herein.

## **ARTICLE VII FORUM SELECTION AND CHOICE OF LAW**

This Agreement shall be construed and interpreted under the laws of the State of Utah and the parties agree that any action or proceeding brought concerning this Agreement may be brought only in the courts of Weber County, Utah, and each party hereto hereby consents to the jurisdiction of such courts.

## **ARTICLE VIII NONWAIVER**

No covenant or condition of this Agreement may be waived by any party, unless done so in writing. Forbearance or indulgence by any party in any regard whatsoever shall not constitute a waiver of the covenants or conditions to be performed by the other.

## **ARTICLE IX SEVERABILITY**

This Agreement is executed by the Parties under current interpretation of any and all applicable federal, state, county, municipal, or other local statutes, ordinances, or laws. Furthermore, each and every separate division hereof shall have independent and severable status from each other division, or combination thereof, for the determination of legality, so that if any separate division herein is determined to be unconstitutional, illegal, violative of trade or commerce, in contravention of public policy, void, invalid or unenforceable for any reason, that separate division shall be treated as a nullity but such holding or determination shall have no effect upon the validity or enforceability of each and every other division, or other combination thereof.

[Section Intentionally Left Blank]

IN WITNESS WHEREOF, the Parties hereto have caused this Agreement to be executed in duplicate as of the date first herein written.

**TITLE:**

**Change Order: On-Call Infrastructure Maintenance Contract Task Order #23-097 - Redwood Road Grade Crossing (Stacy and Witbeck, Inc.)**

**AGENDA ITEM TYPE:**

Procurement Contract/Change Order

**RECOMMENDATION:**

Approve task order #23-097 to the on-call maintenance contract with Stacy and Witbeck, and authorize the Executive Director to execute the task order and associated disbursements in the amount of \$279,450 Inc. for state of good repair work on the West Valley TRAX Line.

**BACKGROUND:**

In October 2020, UTA released a request for procurement (RFP) for an on-call maintenance contractor focused specifically on infrastructure assets. Bids were received and evaluated, and Stacy and Witbeck, Inc. was selected as the winner based on overall scoring using the best value format. The UTA Board of Trustees approved the contract and authorized the Executive Director to execute the contract with Stacy and Witbeck Inc. on January 27, 2021. This contract is for three years and will be coming up for re-procurement in 2024.

UTA's rail infrastructure is at an age where yearly rehabilitations and replacements need to occur to maintain the infrastructure in a state of good repair. These projects typically address three concerns:

- Passenger ride quality
- Automobile cross-traffic ride quality
- Potential stray current issues

---

**DISCUSSION:**

UTA Staff is requesting approval of task order #23-097 with Stacy and Witbeck, Inc. to complete one grade crossing replacement project in the amount of \$279,450. The scope of this request includes full replacement of the at-grade crossing at the Redwood Road crossing on the West Valley Line with 274 TF of embedded track. The existing rail will be replaced with new 115# rail provided by UTA. Stacy and Witbeck has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in effect to service UTA riders. A complete power down of the overhead contact wires will be required to safely perform the demolition portion of work on both tracks.

---

**CONTRACT SUMMARY:**

<b>Contractor Name:</b>	Stacy and Witbeck, Inc.
<b>Contract Number:</b>	20-03349-97
<b>Base Contract Effective Dates:</b>	January 1, 2021 through December 31, 2023
<b>Extended Contract Dates:</b>	N/A
<b>Existing Contract Value:</b>	\$29,372,835
<b>Amendment Amount:</b>	\$279,450
<b>New/Total Contract Value:</b>	\$29,652,285
<b>Procurement Method:</b>	RFP best value modification
<b>Budget Authority:</b>	2023-2027 Capital Plan

---

**ALTERNATIVES:**

Due to the complexity of rail replacement work, starting a new procurement would delay the project 18 months due to the selection process and ordering materials. If the at-grade crossing at Redwood Rd. is not replaced, the rail will continue to deteriorate and cause service interruptions. If delayed long enough, the rail would be out of a state of good repair and could become a severe safety issue. Due to the lead time of the materials needed for replacement, an unplanned replacement could impact service for over a year. The location of the at-grade crossing at Redwood Rd. is on the West Valley Line and would significantly delay service if not replaced. This is a key strategic alignment area for our operation team.

---

**FISCAL IMPACT:**

Funds for this project are included in the 2023-2027 Capital Plan

---

On Call Services

Mr. Jake Wouden  
Rail Infrastructure Project Manager  
Utah Transit Authority  
2264 South 900 West  
South Salt Lake City, UT 84119

Reference: On-Call Transit Infrastructure Construction, Maintenance and Repair  
Project No: 20-03349VW

Subject: 23-623 - Redwood Road Embedded Crossing

Dear Jake:

We are pleased to provide the attached cost estimate to remove and replace the at-grade crossing at the Redwood Road crossing on the West Valley Line with 274 TF of embedded track. The existing rail will be replaced with new 115# rail provided by UTA. Stacy and Witbeck has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in affect to service UTA riders. A complete power down of the overhead contact wires will be required to safely perform the demolition portion of work on both tracks. We look forward to constructing this project for UTA this year at a mutually agreed upon schedule.

Exclusions:

- Railroad Flagging
- Track to Earth Testing
- Sales Tax on Permanent Materials
- OSC power down
- Taking crossings and signals out of service
- Any signal or comm related work items
- Grade Stabilization outside of Trackway
- Other Track Materials (Rail Boot, Steel Ties & Hardware)

Clarifications:

- Please see detailed list of each bid item below.
- 115# rail to be provided by UTA.
- SWI has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in affect to service UTA riders
- The unit costs for each bid item includes the costs of insurance, bond, and risk at the agreed upon rates.
- We are excluding all utility relocations and conflicts from our pricing. Any conflicts or relocations will need to be addressed as a change of condition.
- The scope of work is inclusive of only the items and scope that are listed below. Any other items of work or changes to the below scope will need to be repriced.
- Project is for removal of existing tracks and embedded track construction only.

Salt Lake City, UT 84116  
801.666.7840 (office) 801.432.7849 (fax)

# **Stacy and Witbeck**

**Bid Item 1000 – Field Engineering and Project Controls – 1 LS – Total of \$32,476.00** – This bid item includes Stacy and Witbeck field support from field engineer to manage construction. The field engineer will also perform pre-task planning and coordination with UTA. This item also includes office manager time for payroll and accounts payable.

**Bid Item 1100 – Permits and Regulatory Approvals – 1 LS – Total \$2,804.00** – This bid item includes the cost to obtain all necessary city permits required to perform the work.

**Bid Item 2000 – Safety Program and Administration – 1 LS – Total of \$5,157.00** – Cost of Safety Supplies, safety personnel to visit the site, and incidental drug testing.

**Bid Item 2500 – Key Personnel Travel & Subsistence – 1 LS – Total \$8,736.00** – This bid item includes cost to provide travel arrangements and subsistence for 2 key track personnel for the duration of the work.

**Bid Item 3000 – QC Program & Testing – 1 LS – Total \$8,683.00** – This bid item includes cost for SWI QC manager and Consolidated Engineering Laboratories to provide field and lab technicians to test and monitor materials. Also includes their management personnel to oversee testing and documentation. Includes weld testing performed by Quality Testing & Inspection (QTI).

**Bid Item 6000 – Construction Survey and Layout – 1 LS – Total \$4,486.00** – This bid item includes the cost for construction layout survey.

## **Bid Item 7000 – Redwood Road Embedded Grade Crossing – 274 TF – Total \$189,060**

– This bid item includes the following items.

- Item 7020 – Demo Existing Crossing - Includes saw cutting, removal, haul off and dump fees for the existing concrete track panels and curb.
- Item 7060 –Handle Track Materials - Includes transportation and handling of rail boot and steel ties for the embedded track. Includes loading and hauling of UTA provided rail.
- Item 7070 – Thermite Welding - Includes 20 115# thermite welds. Excludes weld testing. Weld testing included in Bid Item 3000
- Item 7080 – Embedded Track Construction - Includes construction of 274 TF of embedded rail per the Sugar House Streetcar details. The dimensions of the track slab will vary from the Sugar House detail by using a 96"x 15" track slab, rather than an 84" x 15" track slab.
- Item 7090 – Ballasted Track Construction - Includes a total of 40 TF of ballasted track construction split up on the ends of the embedded tracks. Includes installation of UTA provided 10' concrete transition ties.

**Bid Item 8000 – Rail Salvage Credit – 10.5 TN – (\$160/TN) – Total (\$1,680.00)** – This item is a credit for the rail salvage price at the current anticipated steel salvage rates as provided by Western Metals Recycling.

# **Stacy and Witbeck**

**Bid Item 10000 – Mobilization – 1 LS – Total \$6,867.00** – This bid item includes the cost for mobilizing heavy equipment to and from the project site prior to each shutdown, and final project cleanup. includes street sweeping, field sanitary expenses, temporary site lighting, field office supplies, and jobsite dumpster.

**Bid Item 100000 – Fee (7.5%) – 1 LS – Total of \$19,496.00** – This is the agreed to 7.5% GMGC fee.

The total price for this scope of work is **\$279,450.00**.

If you have any questions, please contact me.

Sincerely,  
Stacy and Witbeck, Inc.

## MEETING MEMO

**Board of Trustees**

**Date:** 9/13/2023

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Mary DeLoretto, Chief Capital Services Officer  
**PRESENTER(S):** Jared Scarbrough, Director of Capital Construction  
Jacob Wouden, Project Manager

**TITLE:**

**Change Order: On-Call Infrastructure Maintenance Contract Task Order #23-117 - Bingham Junction  
Embedded Grade Crossing (Stacy and Witbeck, Inc)**

**AGENDA ITEM TYPE:**

Procurement Contract/Change Order

**RECOMMENDATION:**

Approve task order #23-117 to the on-call maintenance contract with Stacy and Witbeck and authorize the Executive Director to execute the task order and associated disbursements in the amount of \$340,779 for the removal and replacement of the at-grade crossing at Bingham Junction on the Mid-Jordan Line.

**BACKGROUND:**

In October 2020, UTA released a request for procurement (RFP) for an on-call maintenance contractor focused specifically on infrastructure assets. Bids were received and evaluated, and Stacy and Witbeck, Inc. was selected as the winner based on overall scoring using the best value format. The UTA Board of Trustees approved the contract and authorized the Executive Director to execute the contract with Stacy and Witbeck Inc. on January 27, 2021. This contract is for three years and will be coming up for re-procurement in 2024.

UTA's rail infrastructure is at an age where yearly rehabilitations and replacements need to occur to maintain the infrastructure in a state of good repair. These projects typically address three concerns:

- Passenger ride quality
- Automobile cross-traffic ride quality
- Potential stray current issues

---

**DISCUSSION:**

UTA Staff is requesting approval of task order #23-117 with Stacy and Witbeck, Inc. to remove and replace the at-grade crossing at Bingham Junction on the Mid-Jordan Line in Midvale with 232 TF of embedded track crossing. The existing rail will be replaced with new 115# rail provided by UTA. Stacy and Witbeck has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in affect to service UTA riders. A complete power down of the overhead contact wires will be required to safely perform the demolition portion of work on both tracks.

---

**CONTRACT SUMMARY:**

<b>Contractor Name:</b>	Stacy and Witbeck, Inc.
<b>Contract Number:</b>	20-03349-117
<b>Base Contract Effective Dates:</b>	January 1, 2021 through December 31, 2023
<b>Extended Contract Dates:</b>	N/A
<b>Existing Contract Value:</b>	\$29,727,214
<b>Amendment Amount:</b>	\$340,779
<b>New/Total Contract Value:</b>	\$30,067,993
<b>Procurement Method:</b>	RFP best value modification
<b>Budget Authority:</b>	2023-2027 Capital Plan

---

**ALTERNATIVES:**

Due to the complexity of rail replacement work, starting a new procurement would delay the project 18 months due to the selection process and ordering of materials. If the at-grade crossing at Bingham Junction on the Mid-Jordan Line in Midvale are not replaced, the rail will continue to deteriorate and cause service interruptions. If delayed long enough, the rail would be out of a state of good repair and could become a severe safety issue. Due to the lead time of the materials needed for replacement, an unplanned replacement could impact service for over a year. The location of the at-grade crossing at Bingham Junction on the Mid-Jordan Line in Midvale would significantly delay service if not replaced. This is a key strategic alignment area for our operation team.

---

**FISCAL IMPACT:**

This budget is included in the 2023-2027 Capital Program

On Call Services

Mr. Jake Wouden  
Rail Infrastructure Project Manager  
Utah Transit Authority  
2264 South 900 West  
South Salt Lake City, UT 84119

Reference: On-Call Transit Infrastructure Construction, Maintenance and Repair  
Project No: 20-03349VW

Subject: 23-628 - Bingham Junction Embedded Grade Crossing

Dear Jake:

We are pleased to provide the attached cost estimate to remove and replace the at-grade crossing at Bingham Junction on the Mid-Jordan Line in Midvale with 232 TF of embedded track crossing. The existing rail will be replaced with new 115# rail provided by UTA. Stacy and Witbeck has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in affect to service UTA riders. A complete power down of the overhead contact wires will be required to safely perform the demolition portion of work on both tracks. We look forward to constructing this project for UTA this year at a mutually agreed upon schedule.

Exclusions:

- Railroad Flagging
- Track to Earth Testing
- Sales Tax on Permanent Materials
- OSC power down
- Taking crossings and signals out of service
- Any signal or comm related work items
- Grade Stabilization outside of Trackway
- Other Track Materials (Rail Boot, Steel Ties & Hardware)

Clarifications:

- Please see detailed list of each bid item below.
- 115# rail to be provided by UTA.
- SWI has assumed the replacement will take place during one continuous shutdown with no trains running, and a bus bridge in affect to service UTA riders
- The unit costs for each bid item includes the costs of insurance, bond, and risk at the agreed upon rates.
- We are excluding all utility relocations and conflicts from our pricing. Any conflicts or relocations will need to be addressed as a change of condition.
- The scope of work is inclusive of only the items and scope that are listed below. Any other items of work or changes to the below scope will need to be repriced.

# **Stacy and Witbeck**

**Bid Item 1000 – Field Engineering and Project Controls – 1 LS – Total of \$14,682.00** – This bid item includes Stacy and Witbeck field support from field engineer to manage construction. The field engineer will also perform pre-task planning and coordination with UTA. This item also includes office manager time for payroll and accounts payable.

**Bid Item 1100 – Permits and Regulatory Approvals – 1 LS – Total \$2,238.00** – This bid item includes the cost to obtain all necessary city permits required to perform the work.

**Bid Item 2000 – Safety Program and Administration – 1 LS – Total of \$3,521.00** – Cost of Safety Supplies, safety personnel to visit the site, and incidental drug testing.

**Bid Item 2500 – Key Personnel Travel & Subsistence – 1 LS – Total \$4,613.00** – This bid item includes cost to provide travel arrangements and subsistence for 2 key track personnel for the duration of the work.

**Bid Item 3000 – QC Program & Testing – 1 LS – Total \$9,041.00** – This bid item includes cost for SWI QC manager and Consolidated Engineering Laboratories to provide field and lab technicians to test and monitor materials. Also includes their management personnel to oversee testing and documentation. Includes weld testing performed by Quality Testing & Inspection (QTI).

**Bid Item 5000 – Traffic and Pedestrian Control – 1 LS – Total of \$3,395.00** – This bid item includes the cost to provide traffic Control drawings for the closure and detours on Bingham Junction and surrounding routes. Includes all traffic control devices, signage, and flaggers.

**Bid Item 6000 – Construction Survey and Layout – 1 LS – Total \$4,475.00** – This bid item includes the cost for construction layout survey.

**Bid Item 7000 – Bingham Junction Embedded Crossing – 232 TF - Total \$269,584.00** – This bid item includes the following items.

- Item 7010– Roadway Striping – Includes reinstating all striping and pavement markings affected by the construction.
- Item 7020 – Demo Existing Crossing - Includes saw cutting, removal, haul off and dump fees for roadway, crossing, curb, sidewalk, and excavation.
- Item 7030 – Aggregate Base - Includes aggregate base course under the AC pavement, sidewalk, and curb.
- Item 7040 – Asphalt Cement Roadway Paving - Includes 361 SY of AC paving between the tracks and to tie into the existing roadway on the north and south sides of the tracks.
- Item 7050 – Concrete Sidewalk and Curb – Includes replacement of 40 LF of curb and gutter, and 400 SF of sidewalk
- Item 7060 –Handle Track Materials - Includes transportation and handling of rail boot and steel ties for the embedded track. Includes loading and hauling of UTA provided rail.
- Item 7070 – Thermite Welding - Includes 16 115# thermite welds. Excludes weld testing. Weld testing included in Bid Item 3000

# **Stacy and Witbeck**

- Item 7080 – Embedded Track Construction - Includes construction of 232 TF of embedded rail per the Sugar House Streetcar details. The dimensions of the track slab will vary from the Sugar House detail by using a 96"x 15" track slab, rather than an 84" x 15" track slab.

**Bid Item 8000 – Rail Salvage Credit – 9 TN – (\$160/TN) – Total (\$1,440.00)** – This item is a credit for the rail salvage price at the current anticipated steel salvage rates as provided by Western Metals Recycling.

**Bid Item 10000 – Mobilization – 1 LS – Total \$6,895.00** – This bid item includes the cost for mobilizing heavy equipment to and from the project site prior to each shutdown, and final project cleanup. includes street sweeping, field sanitary expenses, temporary site lighting, field office supplies, and jobsite dumpster.

**Bid Item 100000 – Fee (7.5%) – 1 LS – Total of \$23,775.00** – This is the agreed to 7.5% GMGC fee.

The total price for this scope of work is **\$340,779.00**

If you have any questions, please contact me.

Sincerely,  
Stacy and Witbeck, Inc.

## MEETING MEMO

---

**Board of Trustees**

**Date:** 9/13/2023

---

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Mary DeLoretto, Chief Capital Services Officer  
**PRESENTER(S):** David Osborn, Project Manager III

**TITLE:**

---

**Change Order: Depot District Clean Fuels Technology Center Contract Change Order No. 41 - Winter Paving Conditions (Big-D Construction)**

---

**AGENDA ITEM TYPE:**

Procurement Contract/Change Order

---

**RECOMMENDATION:**

Approve change order #41 and authorize the Executive Director to execute the change order and associated disbursements in the amount of \$453,980 with Big-D Construction for reimbursement of cold weather protection for the paving activity at the Depot District. .

---

**BACKGROUND:**

The phase 1 contract with Big D Construction to build the Depot District Clean Fuels Technology Center was executed in August of 2018, and a change order for phase 2 was approved by the Board of Trustees on June 19, 2019. In December 2022, Big-D construction approached UTA regarding the paving at Depot District. The paving schedule had been pushed due to some regrading that needed to occur over the summer to avoid reordering steel for the bus canopies. The regrading preserved the overall project schedule, but since the paving had originally been scheduled for summer, they had not included cold weather protection for the paving activity in their bid. This included ground heaters, blankets, snow removal, and concrete additives. The contractor's initial estimate was for \$300,000. A Direction or Authorization to Proceed (DAP) was discussed with the board on December 21, 2022.

The additional weather-related costs preserved the overall project schedule and avoided remobilization costs and additional general conditions costs to return in the spring for the paving. It also enabled on time operation of the bus chargers for the scheduled arrival of new battery electric buses.

The change order reflects the actual costs incurred by Big D for the items listed above, which was higher than originally estimated. Big-D's original estimate of \$300,000 was exceeded due to one of the worst cold-weather

winters in decades.

---

#### **DISCUSSION:**

This change order will reimburse Big-D for actual costs to provide ground heaters, blankets, snow removal and concrete additives to pave the project and open the new facility on time.

Big-D Construction is waiving overhead costs in the amount of \$36,227.64 for this change order.

---

#### **CONTRACT SUMMARY:**

<b>Contractor Name:</b>	Big-D Construction
<b>Contract Number:</b>	18-2741TP-41
<b>Base Contract Effective Dates:</b>	August 24, 2018 (Phase 1 Contract) June 24, 2019 (Phase 2 Contract)
<b>Extended Contract Dates:</b>	January 31, 2024
<b>Existing Contract Value:</b>	\$77,613,800
<b>Amendment Amount:</b>	\$453,980
<b>New/Total Contract Value:</b>	\$78,067,780
<b>Procurement Method:</b>	Request for Qualification
<b>Budget Authority:</b>	2023-2027 UTA Capital Plan

---

#### **ALTERNATIVES:**

Do not compensate Big D for all their costs for the cold weather protection for the paving.

---

#### **FISCAL IMPACT:**

This project is included in the 5-year Capital Plan. This change order adds a task order of \$453,980 to the project. Sufficient funds remain in the project budget to cover the cost of this task order.

CHANGE ORDER

No. 41

TITLE: Concrete Paving Weather Conditions

DATE: 8/17/2023

PROJECT/CODE: MSP102 - Depot District

This is a change order to  
CONTRACT No: 18-2741TP

TO: Big-D Construction

ATTN: Brian Murphy

DESCRIPTION OF CHANGE: Brief scope, references to scope defining documents such as RFIs, submittals, specified drawings, exhibits, etc.

This change order is for the actual costs of the hot water, accelerant, blankets, heaters, fuel, and labor required to perform concrete paving at Depot District this past winter. The contractor was given a DAP in the amount of \$300,000 in December of 2022. The 2022/2023 winter was one of the 10 wettest winters ever in Utah. The paving was pushed into winter due to some regrading that needed to occur underneath the canopies that pushed the paving from summer to winter of 2022/2023.

Direction or Authorization to Proceed (DAP) previously executed: YES  NO It is mutually agreed upon, there is a schedule impact due to this Change order: YES  NO 

The amount of any adjustment to time for Substantial Completion and/or Guaranteed Completion or Contract Price includes all known and stated impacts or amounts, direct, indirect and consequential, (as of the date of this Change Order) which may be incurred as a result of the event or matter giving rise to this Change Order. Should conditions arise subsequent to this Change Order that impact the Work under the Contract, including this Change Order, and justify a Change Order under the Contract, or should subsequent Change Orders impact the Work under this Change Order, UTA or the Contractor may initiate a Change Order per the General Provisions, to address such impacts as may arise.

POTENTIAL CHANGE ORDER TITLE: CE #884 - 2022/2023 PCCP Concrete Paving Weather Conditions

CHANGE REASON: Weather Impact

**POTENTIAL CHANGE ORDER DESCRIPTION:** (The Contract Is Changed As Follows)

CE #884 - 2022/2023 PCCP Concrete Paving Weather Conditions

Combined Expenses/Rentals of 91-910001-003-X : \$181,939.63 - \$211.95 = \$181,727.68

- Concrete Blankets = \$25,530.00
- Snow Tarps = \$12,500.00
- Ground Heaters Rental = \$82,135.00
- Forklift Rental = \$11,368.00
- Fuel for Forklift & Ground Heaters = \$50,283.65 - \$211.95 = \$50,071.70
- Misc. Items (Digital Infrared Thermometers & Tie-Wire) = \$122.98

Labor 91-910001-003-X: \$104,021.25 + \$332.65 = \$104,353.90

- See attached invoices from The Premier Group for all temp labor hours and costs, as well as the cost breakdown and hours from Big-D Employees. Also included is the daily reports on what was done with these hours of labor.

Gene Peterson Concrete Costs : \$210,832.49 - \$51,616.95 (\$12/Yard 2023 Escalation) = \$159,215.54

## Direction or Authorization to Proceed (DAP) (Not to exceed \$200,000 without Board Approval)

Contract No. 18-2741TP Contractor: Big-D Construction

Date: December 5, 2022

Project Name and Code: Depot District MSP 102

Page 1 of 1 Enclosure(s): N/A

### Potential Change Order No. 37:

The Contractor is authorized and directed to perform the work specified herein. Increase or decrease in Contract Price and/or extension of time (if any is agreed by UTA) associated with the work specified herein will be covered by subsequent change order.

The Depot District project had a change order for additional grading at the bus parking area to avoid reordering steel columns for the bus canopies. This change order was approved and signed in October. Through regrading, we were able to maintain the overall project schedule. However, the change order necessitated paving the area under the canopies later than originally anticipated. Since the paving was originally scheduled for a time when the weather would be warmer, the contractor did not include any cold weather protection for this activity in their bid. This includes ground heaters, blankets, snow removal, and concrete additives. The contractor is committed to finishing the paving as quickly as possible and has the subcontractor scheduled for several days each week from this point forward. The contractor expressed that they can accomplish this work for an additional \$300,000 for the weather conditions requirements.

Postponing the paving until warmer weather in the spring would necessitate additional remobilization costs for some of the subcontractors, increased concrete costs due to a price increase scheduled for January, and ultimately delaying the project opening. There is also no guarantee of good weather in March and April.

This DAP was discussed in a TED meeting on December 5, 2022.

### Reason for Direction or Authorization to Proceed:

This is an emergency

The potential delay associated with preparing and executing a change order is unacceptable in terms of time and/or cost.

Safety considerations and mitigation None

Security considerations and mitigation None

Environmental considerations and mitigation None

Procurement & Contracts Specialist review

# Utah Transit Authority

669 West 200 South  
Salt Lake City, UT 84101

## MEETING MEMO

Board of Trustees

Date: 9/13/2023

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Viola Miller, Chief Finance Officer  
**PRESENTER(S):** Todd Mills, Director of Supply Chain

**TITLE:**

### Pre-Procurements

- Customer Experience Strategic Plan
- Employee Holiday Gift Cards
- Insurance Broker Services
- New Light Rail Vehicles

**AGENDA ITEM TYPE:**

Pre-Procurement

**RECOMMENDATION:**

Informational report for discussion

**BACKGROUND:**

Utah's Public Transit District Act requires all contracts valued at \$200,000 or greater be approved by the UTA Board of Trustees. This informational report on upcoming procurements allows Trustees to be informed and provide input on upcoming procurement projects. Following the bid solicitation and contract negotiation process, final contracts for these projects will come before the board for approval.

**DISCUSSION:**

- ***Customer Experience Strategic Plan.*** This is a procurement to contract with a consulting firm to provide a Customer Experience Strategic Plan. UTA has never had a comprehensive Customer Experience Strategy. It is the intent of this plan to look holistically at the customer journey through the UTA transit system and identify customer-facing projects and improvements to improve customer experience. This will be a one-year contract and funding for this contract is approved in the Capital Projects budget under project code MSP294. This procurement will be conducted as an RFP, where technical criteria will be evaluated and scored in addition to price. (Req. 12357, GJ LaBonty)

- **Employee Holiday Gift Cards.** This is a procurement to purchase holiday gift cards for all UTA employees. UTA typically receives a discount on the gift cards and pays less than the face value of the card. The cards will have a value of \$150 and will be distributed to employees in November. Employees will see this on their paystubs as taxable income with applicable taxes applied. This procurement will be conducted as an IFB where vendor selection will be based solely on price. (Req. 12571, Troy Bingham)
- **Insurance Broker Services.** This is a procurement to contract with a firm to provide Insurance Brokerage and Consulting Services. UTA must employ the use of a broker to access the insurance markets to finance the risks/exposures inherent in the administration, management, and operation of a public transit system. The broker will also consult on new products and changes in the insurance markets. Funding for this service is included in the Claims and Insurance Department budget. This contract will have a base term of 3 years, plus two one-year options for renewal, and the solicitation will be conducted as an RFP, where technical criteria will be evaluated and scored in addition to price. (Req. 12516, Dave Pitcher)
- **New Light Rail Vehicles.** This is a procurement to purchase 20 new light rail vehicles, with an option to purchase 20 more vehicles in the future. Part of UTA's fleet of light rail vehicles is made up of twenty-three (23) SD160s and seventeen (17) SD100s. These vehicles are reaching their end of life and are becoming costly to repair and maintain. Additionally, the vehicles do not offer level boarding. Earlier this year UTA was awarded a federal grant to purchase 20 new light rail vehicles. Due to manufacturer lead times, UTA plans to include 20 additional vehicles as options to replace all 40 older vehicles in the fleet. The term of this contract will be 5-7 years, depending on manufacturer lead times. This procurement will be conducted as an RFP. (Req. 12511, Kyle Stockley)

---

**RECOMMENDATION:**

Approve and authorize the Executive Director to execute an OGX Grand Opening Funding Agreement for Sponsored System-wide Fare with the JF Development Group, LLC.

---

**BACKGROUND:**

On July 26, 2023 the UTA Board of Trustees approved resolution R2023-07-05 empowering the Executive Director *“to declare system-wide zero fare in commemoration of the OGX grand opening.”* Subsequently Executive Director Fox declared a zero fare day, offering zero fares, system-wide, on all UTA services on Saturday, August 26, 2023.

Utah Transit Authority (“UTA”) obtained community support to recover lost fare revenues for the system-wide zero fare day. UTA committed to formalizing the agreements through contracts with potential Sponsors and obtaining board approval of the contracts.

One specific sponsor is JF Development Group, LLC. The agreement details are in the discussion below.

---

**DISCUSSION:**

UTA will enter into this Agreement with JF Development Group, LLC in the amount of five-thousand dollars (\$5,000). This money will be used to offset fares on August 26, 2023. In return, UTA will provide the sponsor with a “Tier 1” marketing package that includes representation on the OGX invite, OGX Website, Logo Inclusion on OGX Bus Boards, as well as five (5) Premium Monthly passes.

---

**CONTRACT SUMMARY:**

<b>Contractor Name:</b>	JF Development Group, LLC
<b>Contract Number:</b>	23-F0369
<b>Base Contract Effective Dates:</b>	August 1-September 30, 2023
<b>Extended Contract Dates:</b>	NA
<b>Existing Contract Value:</b>	NA
<b>Amendment Amount:</b>	NA
<b>New/Total Amount Contract Value:</b>	\$5,000
<b>Procurement Method:</b>	NA
<b>Funding Sources:</b>	NA

---

**ALTERNATIVES:**

Do not enter into an agreement and forego the revenue.

---

**FISCAL IMPACT:**

Five-thousand dollars (\$5,000) to be used to offset lost fare revenues on the systemwide zero fare day.

**ATTACHMENTS:**

Funding Agreement (JF Development Group, LLC)

**OGX Grand Opening Funding Agreement**  
Sponsored System-wide Fare

This **FUNDING AGREEMENT** is effective on August 1, 2023, between the **UTAH TRANSIT AUTHORITY**, a public transit district organized under the laws of the State of Utah ("Authority" or "UTA") and JF Development Group LLC ("Sponsor").

WHEREAS The Authority is a public transit district organized under the provisions of the Utah Public Transit District Act that provides public transportation service along the Wasatch Front; and

WHEREAS Sponsor desires to subsidize transit fares for the entirety of the UTA system on the 26 day of August 2023 to commemorate the grand opening of the OGX Bus Rapid Transit System (BRT) ; and

WHEREAS both the Sponsor and UTA recognize the benefits of the OGX BRT system and public transit in general for the community for reducing congestion and improving the quality of air and the environment as well

NOW THEREFORE, Sponsor and UTA hereby covenant and agree to be bound by the terms and conditions set forth in this Agreement:

**TERMS AND CONDITIONS**

1. The term of this agreement will begin on the date stated above and end on September 30, 2023.
2. In order to facilitate free fares on UTA's entire public transit system for the 26<sup>th</sup> day of August 2023, Sponsor agrees to pay UTA an amount of \$5,000 for a portion of the forgone fare revenue which is projected to have been received for the 26<sup>th</sup> day of August 2023. This is considered a Tier 1 sponsorship.
3. UTA agrees to provide free fares system wide on the following services: Local Bus, Express Bus, TRAX, Streetcar, FrontRunner, Paratransit, Ski Bus, PC-Salt Lake Connect Bus, and Microtransit Services.4.
4. UTA agrees to provide to the sponsor the items as listed in Exhibit A: Tier 1 on or before September 1, 2023.
5. On or before September 1, 2023, UTA shall invoice sponsor for the amount specified in paragraph 2 above. Sponsor shall reimburse the Authority for the amount invoiced within 30 days receipt of invoice. UTA may charge and Sponsor shall pay a one percent (1%) late fee on balances due under this Agreement which remain unpaid within thirty (30) days from the date of invoice.

6. **Funding Only.** This agreement pertains only to the payment of funds by Sponsor to UTA in return for providing free fares and does not otherwise impact UTA's operation of its transit system in any respect.
7. **Entire Agreement.** This Agreement contains the entire agreement between the parties hereto for the term stated and cannot be modified except by written agreement signed by both parties. Neither party shall be bound by any oral agreements or special arrangements contrary to or in addition to the terms and conditions as stated herein.
8. **Costs and Attorney's Fees.** If either party pursues legal action to enforce any covenant of this Agreement, the parties agree that all costs and expenses of the prevailing party incident to such legal action, including reasonable attorney fees and court costs shall be paid by the non-prevailing party.

IN WITNESS WHEREOF, as evidenced by the signatures below, the Parties mutually agree to perform and execute this Agreement.

## MEETING MEMO

---

**Board of Trustees**

**Date:** 9/13/2023

---

**TO:** Board of Trustees  
**THROUGH:** Jay Fox, Executive Director  
**FROM:** Mary DeLoretto, Chief Capital Services Officer  
**PRESENTER(S):** Viola Miller, Chief Financial Officer  
Daniel Hofer, Director of Capital Assets and Project Controls  
Greg Andrews, Senior Financial Analyst

**TITLE:**

---

**TBA2023-09-01 - Technical Budget Adjustment for Capital Budget Transfers**

---

**AGENDA ITEM TYPE:**

Other Approval

---

**RECOMMENDATION:**

In accordance with Board of Trustee Policy Number 2.1, Financial Management, the Board of Trustees may amend or supplement the budget at any time after its adoption. This request is to supplement several projects in UTA's 2023 Capital Program with funds transferred from other projects or the Capital contingency to complete projects this year.

It is recommended that the Board accept the recommendations and approve the transfer of funds for these projects.

---

**BACKGROUND:**

Proposed Budget Adjustment

This proposed transfer of \$3.043 million in Technical Budget Adjustments to the 2023 Capital Budget will transfer funds to five projects to aid in their delivery.

---

**DISCUSSION:**

MSP227- Meadowbrook Expansion

Project has a current budget of \$10,000. Project is complete but UTA received a late invoice for work completed in 2022 that was previously not billed for. The request is to add \$15,000 to this budget from

Contingency to cover this invoice. This will bring the total project budget to \$25,000 for 2023.

#### MSP266- 3500 South Upgrade

Project has a current budget of \$9,000. The request is to add \$148,000 to aid in the delivery of the 3300/3500 South bus stop and signalization upgrades. Project works in conjunction with MSP207 & MSP270 to deliver these upgrades. There are plans to install upgraded equipment on 43 buses at Meadowbrook this fall. \$148,000 would be needed for the installation of these new components. This would bring the 2023 project budget to \$157,000. Funds would be transferred from Contingency.

#### FMA652- Equipment Managed Reserve

Project has a current budget of \$943,000. This request is to provide funding for a new forklift and order picker for the Depot District. The request is to add \$80,000 from the MSP999 Capital Contingency fund to this project to complete the work planned for this year. This will bring the total project budget to \$1,023,000.

#### FMA679- Building Remodel/Reconfiguration

Project has a current budget of \$1.17 million in 2023. This project is used to perform minor facility upgrades throughout UTA's facilities such as adding offices or conference rooms, or other minor projects of similar nature. This project is requesting \$800,000 to allow it to accommodate additional planned work for this year and to advance work related to the Facility Master Plan development and start design work on upgrades needed at Timpanogos, Riverside, and Meadowbrook Building 7. The request would raise the 2023 project budget to \$1,970,000. Funds would be transferred from SGR390- Jordan River Building 2 Remodel and MSP999- Contingency.

#### SGR390- Jordan River Building 2 Remodel

Project currently has a budget of \$1.965 million in 2023. Due to some budget adjustments earlier in the year this project has stalled until the 2024-2028 Capital Plan is approved to move forward with construction. The request is to take \$500,000 from this budget and move it to FMA679- Building Remodel/Reconfiguration to help address budget needs there.

#### MSP999- Capital Contingency

The Contingency budget has \$3,496,000 in it for 2023. The above-mentioned requests would reduce the contingency budget by a total of \$543,000, leaving it with a balance of \$2,953,000 for the year.

#### SGR397- Traction Power Rehab/Replace

This project has a 2023 budget of \$15,446,000. This project is a multi-year contract which will upgrade 19 of UTA's aging substations along its Blue and Red TRAX lines. This contract is slated to currently go through 2025. To minimize potential delays, material orders were accelerated to help mitigate risks related to supply chain constraints for 2024 and 2025 planned work activities. Materials are starting to arrive. Project is seeking to add \$2,000,000 to its 2023 budget to accommodate these material orders. The budget for this request would be coming from SGR398- OCS Rehab/Replace. This project is closely aligned with the SGR397 project and efforts would help right-size both budgets with anticipated 2023 planned work. The \$2,000,000 sum being transferred would be made up of \$1,000,000 in formula funds and \$1,000,000 in UTA Local funds.

#### SGR398- OCS Rehab/Replace

Project has a 2023 budget of \$3,224,000. This project works in close conjunction with the SGR397 project

mentioned above. To better accommodate the budget needs for these two projects and to best align the budgets with the planned work efforts as they currently stand, transferring \$2,000,000 from this project to SGR397 will align the budgets with those activities. This will leave SGR398 with a 2023 budget of \$1,224,000.

---

**ALTERNATIVES:**

Projects not receiving the requested funding would result in work being delayed or cancelled.

---

**FISCAL IMPACT:**

These requests can be addressed using funds currently existing in UTA's 2023-2027 Capital Plan. This will not affect UTA's fund balance outside of what is already included in our current Capital Plan.

**TITLE:**

---

**2024-2028 Five Year Capital Plan Overview**

**AGENDA ITEM TYPE:**

Discussion

---

**RECOMMENDATION:**

Informational item for discussion

---

**BACKGROUND:**

UTA's 5-year Capital Plan is required to be updated every year, per the UTA Board of Trustees Policy 2.1 Financial Management. The 5-year Capital Plan includes all construction, capital improvements, major equipment purchases, and other special projects requiring expenditures over \$25,000. This includes projects that are funded partially or fully by outside funding sources, such as grants or local partners.

The plan is required to be financially constrained and maintain assets at a state of good repair, to protect UTA's capital investments, and minimize future maintenance and replacement costs. Five-year forecasts help mitigate the challenges of applying a one-year budget to multi-year projects and support long-range financial planning and prudent management of the agency.

This proposed 5-Year Capital Plan covers the period from 2024 through 2028.

---

**DISCUSSION:**

Staff will present an overview of the 5-year Capital Plan for 2024 through 2028 for Board information and discussion. Information will include upcoming key dates related to the five-year plan adoption, changes to plan format, and highlights of UTA capital program initiatives.

Nick Duerksen, TOC Project Manager

**TITLE:**

---

**Transit Oriented Development (TOD) Designation for Farmington and Lehi Stations**

---

**AGENDA ITEM TYPE:**

Discussion

---

**RECOMMENDATION:**

Information only for discussion with future action.

---

**BACKGROUND:**

Station Area Plans were approved at both Lehi Station and Farmington Station by the respective cities. On February 15, 2023, the Local Advisory Council approved both of these Station Area Plans. On April 12, 2023, the plans were adopted by the UTA Board of Trustees.

---

**DISCUSSION:**

Board of Trustees Policy No. 5.1 requires that TOD sites must be selected by the UTA Board of Trustees in order to move forward with a Request for Proposal for development. Ranking based on System Analysis results demonstrates that Farmington and Lehi Stations are highly qualified for development. Purpose is to discuss these TOD sites and potential designation prior to any further action.

**Travel Training Program Update**

---

**AGENDA ITEM TYPE:**

Discussion

---

**RECOMMENDATION:**

Informational report for discussion

---

**BACKGROUND:**

Travel training is the professional practice of teaching people to travel independently on public transportation. It can build various skills that help address specific needs in different communities and with individuals. UTA's Travel Training Program has been developing over the past several years. Travel Training was recently reorganized - the program was housed with Special Services until 2022, when it moved to the Community Engagement Department to align on community outreach and education efforts.

---

**DISCUSSION:**

UTA's Community Engagement Department will share updates on the Travel Training program, including an overview of the program and offerings, partnerships, a review of 2022-2023 efforts by the team, and key areas for growth and development of the service for the community.

The UTA Travel Training program focuses on accessible transportation, tailored education, and mobility independence to improve the quality of life for people and communities. The program is open to all and focuses on working with state, city, and community organizations and schools that serve people with disabilities, aging populations, students, English language learners, New Americans, and displaced groups. UTA's team of four offers a wide variety of education, including individual, group, community, and train the trainer. In addition, Travel Training administers a Training Pass Program to provide training passes at low cost

to community organizations training their communities on UTA's public transit system. Travel Trainers not only bring valuable education and information to the community but are uniquely positioned to share back the valuable community voices and perspectives to UTA.

**TITLE:**

---

**Strategy Session to Discuss the Purchase, Exchange, or Lease of Real Property**

---

**AGENDA ITEM TYPE:**

Closed Session

---

**RECOMMENDATION:**

Approve moving to closed session for discussion of the purchase, exchange, or lease of real property.

---

**BACKGROUND:**

Utah Open and Public Meetings Act allows for the Board of Trustees to meet in a session closed to the public for various specific purposes.

---

**DISCUSSION:**

The purposes for this closed session are:

- Strategy sessions to discuss the purchase, exchange, or lease of real property, including any form of a water right or water shares, or to discuss a proposed development agreement, project proposal, or financing proposal related to the development of land owned by the state
